### 4 Purpose of Processing Personal Data and lawful grounds of processing personal data

We process your personal data and special categories of personal data on the basis set out in our full privacy notice, including but not limited to:

We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.
