Bupa Global Business Health Plans are for businesses/companies, their employees and employee's dependants. A dependant is the principle member's partner, spouse or dependant children. A minimum number of three employees must be covered. For employees aged 65 and over and companies that consist solely of members of the same family, it must be fully substantiated that such employees are working for the same employer/company. Copies of payslips or employment contracts will need to be provided.

All material facts relating to the questions asked in this application must be disclosed. Failure to do so may invalidate the policy. A material fact is one which is likely to influence the decision of an insurer when assessing and accepting this application.

### **Start date**

The start date will generally be the date on which your completed group application form is received and accepted by Bupa Global. If you require a different start date, for example to take into account the expiry of your current insurance held elsewhere, please complete the start date box in section 1. Bupa Global will not accept a transfer if more than 30 days has elapsed since the cancellation of your current insurance. Cover cannot start between the 28th & 31st of any month.

### **Back dating cover**

Bupa Global will only back date cover in exceptional circumstances such as, but not limited to:

- If you have an existing health insurance, Bupa Global will accept a transfer within 30 days of the cancellation date of this insurance.
- For new employees that are eligible to join from their first date of employment. A copy of their employment contract will be required with their application form.
- If any employee application form has been confirmed as received by Bupa Global and since been misplaced in our offices.

### **Underwriting terms and their requirements**

Bupa Global offer three different underwriting terms. You should have agreed the underwriting terms with your sales advisor or intermediary before completing this form. If you have any doubts as to the agreed terms, please contact your sales advisor or intermediary before completing this form.

### **Intermediaries**

You may have received advice from an intermediary. In certain jurisdictions, Bupa Global require your consent to make payment to your intermediary for their part in introducing you to us as a member. Where applicable, we will deduct a fee from each subscription payment received from you and pass this onto your intermediary on your behalf. For the avoidance of doubt, your consent to make payment of intermediary's fees does not affect the amount of any premiums payable by you, which would remain the same whether or not you had approached us directly or not. Upon renewal of your policy, we will continue to pay your intermediary until otherwise notified by you in writing.

## UNDERWRITING OPTIONS

The three underwriting terms available are:

### Full Medical Underwriting (FMU)

All employees must complete individual employee application forms.

If you have a pre-existing condition, which is any symptom or medical condition that you had before the start date, you must tell us on the application form. The treatment for pre-existing conditions will generally not be covered. Any specific exclusion(s) will be included on the insurance certificate issued in the member welcome pack.

### Continued Personal Medical Exclusions (CPME)

Continued personal medical exclusions is where underwriting terms from your previous insurer are carried over to your Bupa Global Plan. In order to transfer your employees on a CPME basis from their previous insurer we require copies of their previous insurance certificate. CPME transfers are only available if your scheme is on a medically underwritten or moratorium underwritten basis. The certificate should be the last insurance certificate issued and confirm the following information: Employee's first and surname, their date of birth, gender and home address. The same information is required for any dependants. The certificate must confirm the medical exclusions (if any) that are applicable to each person or the commencement date of the previous moratorium.

### Medical History Disregarded (MHD)

All employees must join the company health insurance as soon as they are permitted by their company. This also applies to new employees that are added after the start date of the group contract.

Please include a full membership census (first name, surname, date of birth, gender, location, nationality, occupation and level of cover) of all eligible employees and dependants to be covered. Employees or dependants aged 70 and over are not eligible for MHD cover.

Please note that you can only choose one set of underwriting terms:
