# NEED TREATMENT?

**We** want to make sure everything runs as smoothly as possible when **you** need **treatment**, so we help take care of the practicalities so **you** can focus on getting better.

If **you** contact **us** before going for **treatment**, **we** can explain **your** benefits and confirm that **your treatment** is covered by **your health plan**. If needed **we** can also help with suggesting **hospitals**, clinics and **doctors** and offer any help or advice **you** may need.

In cases where **you** need **hospital treatment**, contacting **us** also gives **us** an opportunity to contact **your hospital** or clinic and make sure they have everything they need to go ahead with **your treatment**. If possible **we** will arrange to pay them directly too.

**We** would like to make **you** aware that there are certain benefits for which **you must** receive pre-authorisation. These are detailed in **your** ‘Table of benefits’. Benefits may not be paid unless pre-authorisation has been provided.

**The pre-authorisation process**  
**You** can pre-authorise **your treatment** by phone or email. Once **we** have the necessary details, **we** send a pre-authorisation statement to **your hospital** or clinic.

**We** also send **you** a pre-authorisation statement. This can be used as a claim form to send back to **us** if **you** receive any invoices or are asked to pay for any aspect of **your treatment** yourself. More detail is provided on the claims process on the next page.

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**.

**Remember we can offer a second medical opinion service**

The solution to health problems isn’t always black and white. That’s why **we** offer **you** the opportunity to get another opinion from leading international **specialists**.

**Pre-authorisation complete and now going for treatment?**  
Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your benefits provider** when **you** arrive.

**Our approach to costs**  
When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of **benefits providers** on Facilities Finder at <https://bupaglobal.com/en/facilities/finder>. Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, **we** will cover the costs of any **covered benefits**, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been taken from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **reasonable and customary**. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **reasonable and customary** made by an ‘out-of-**network**’ **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an ‘out-of-**network**’ **benefits provider**:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **reasonable and customary** – this will be payable by **you** directly to **your** chosen ‘out-of-**network**’ **benefits provider**;
- **we** cannot control what amount **your** chosen ‘out-of-**network**’ **benefits provider** will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an ‘out-of-**network**’ **benefits provider** in an **emergency**. If this happens, **we** will cover the costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been taken).

If **you** are taken to an ‘out-of-**network**’ **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **reasonable and customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been taken).

More rules may apply in respect of **covered benefits** received from an ‘out-of-**network**’ **benefits provider** in certain countries.

These charge levels may be governed by guidelines published by relevant government or official medical bodies in the particular geographical region, or may be determined by **our** experience of usual, and most common, charges in that region.

# THE CLAIMING PROCESS

Whether **you** choose direct payment or ‘pay and claim’ **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for us to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or healthcare facility

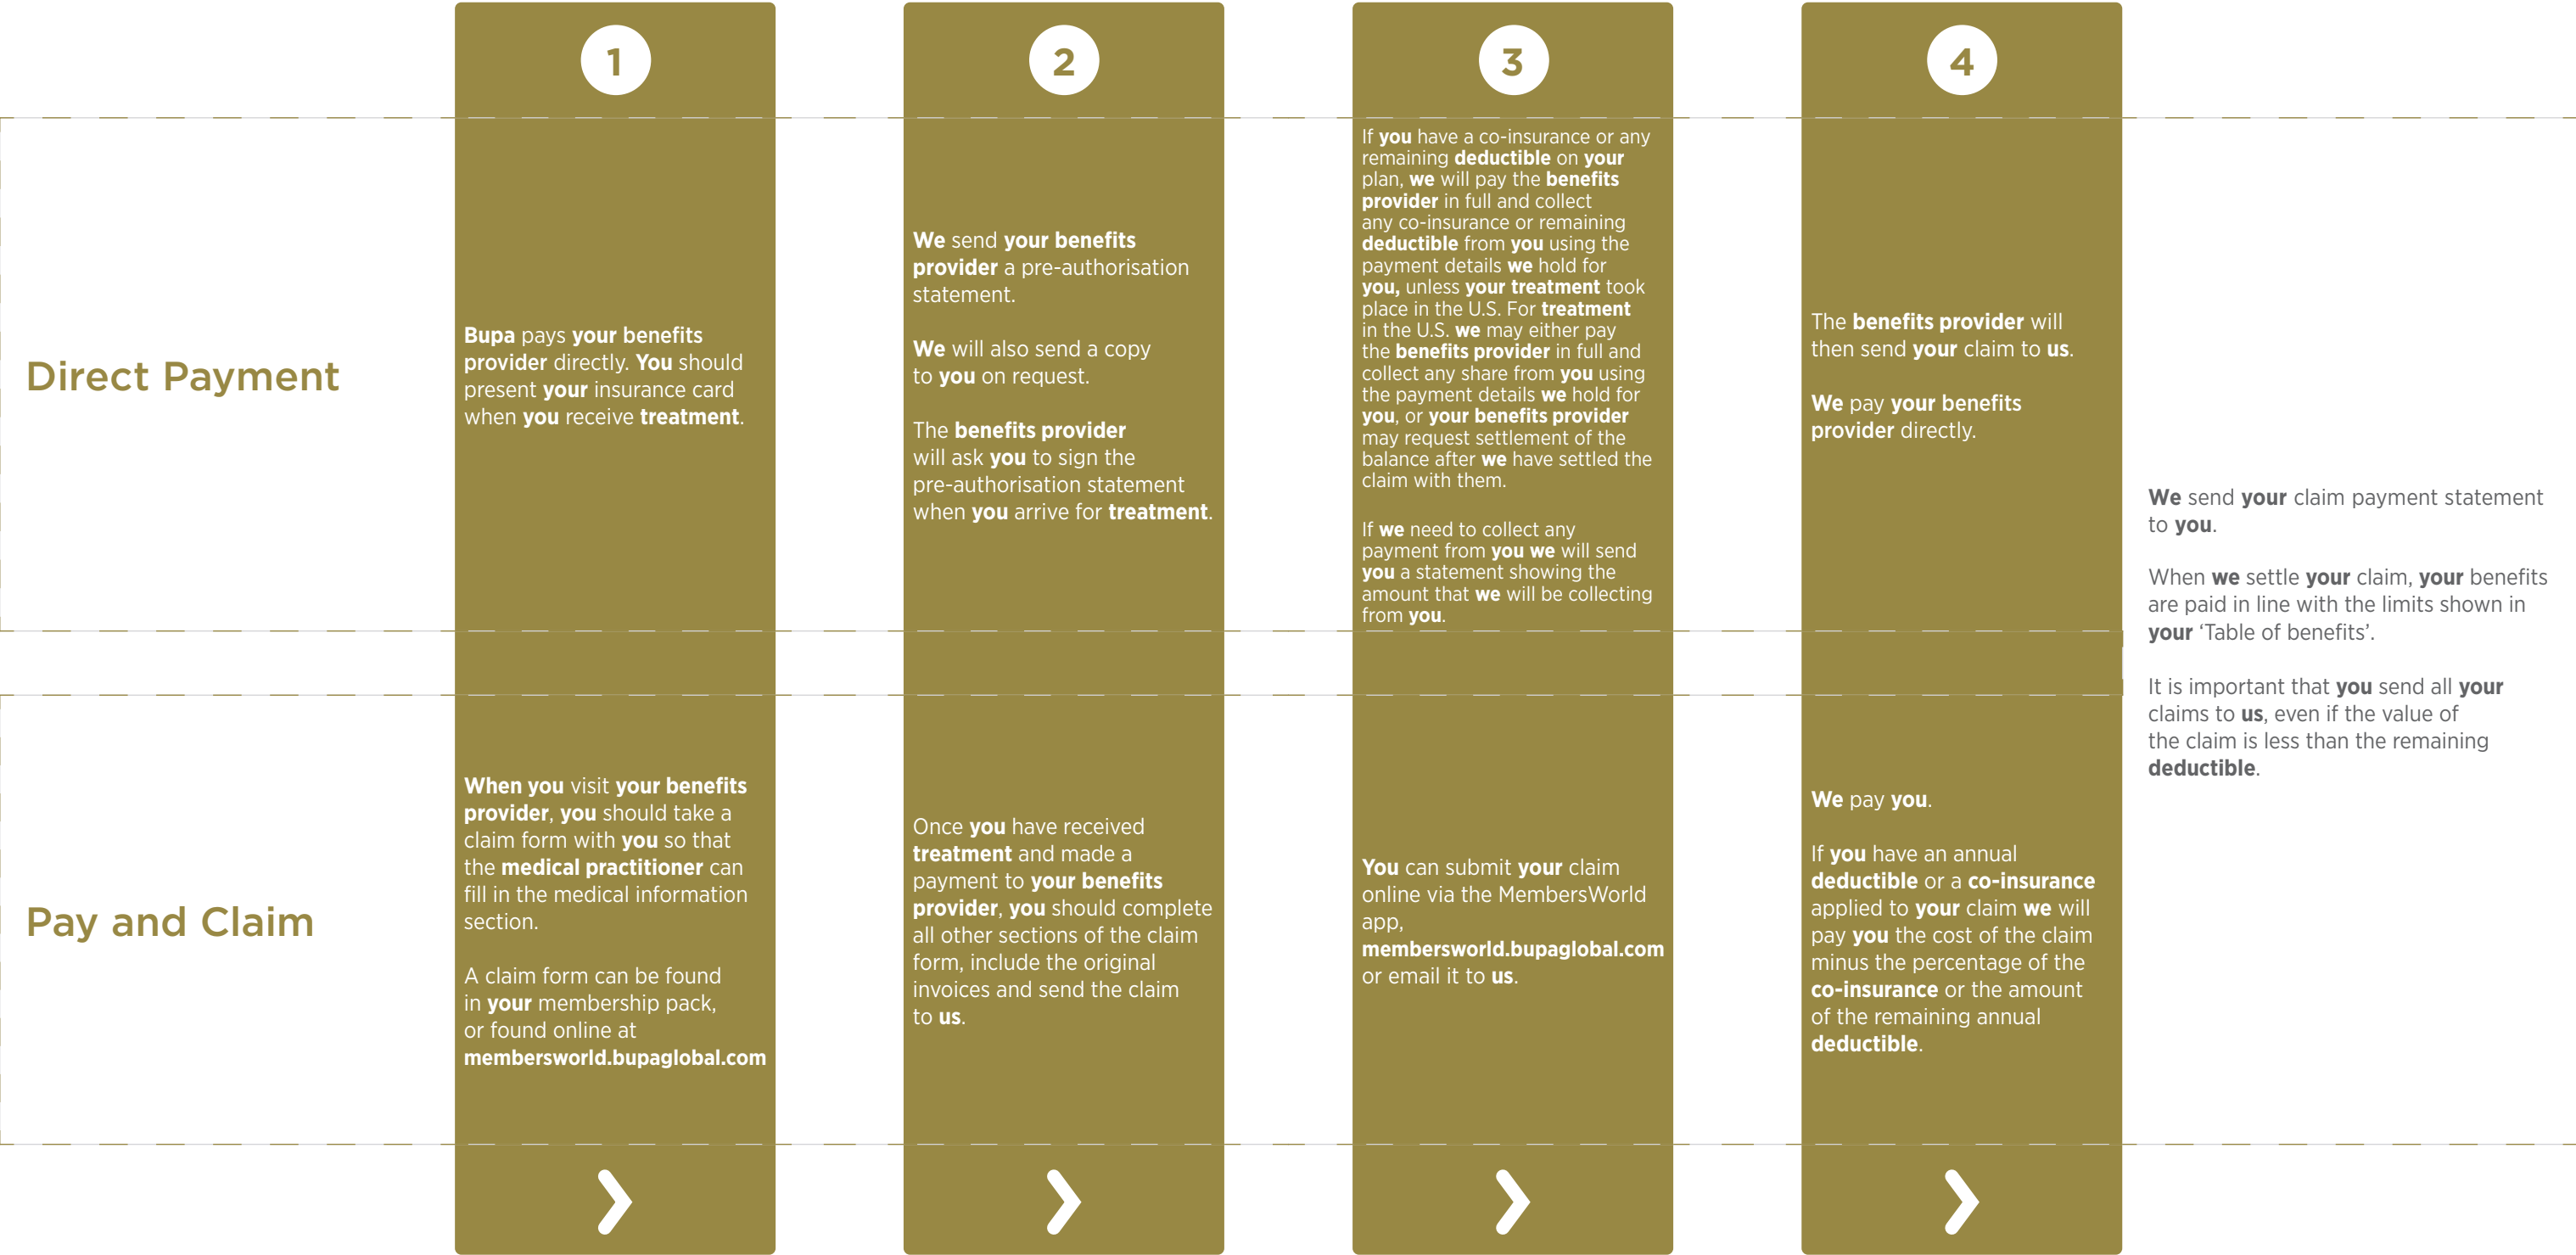

### How to make a claim

- The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an online claim or uploading any completed claims form.
- Make sure **we** have all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.
- Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

If **you** need assistance with a claim **you** can

○ Call **us** on **+44 (0) 1273 718 379**

○ Email **info@bupaglobal.com**

# WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

**You** can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form

**You** can download this easily from <https://membersworld.bupaglobal.com>. If **you** are adding **your** newborn child please complete the 'newborn application form' or **you** can contact **us** and **we** will send one to you.

**It is possible to add dependants or newborn children on to a different health plan and/or include a different deductible for each person.**

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions** or exclusions or **we** may decline to offer cover. The cover will start on the date **our** medical team accept **your** application to join. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** insurance certificate.

**Adding your newborn child?**  
Congratulations on **your** new arrival!

To add **your** newborn baby **you** will need to send **us** a completed newborn application form. If:

- either parent has been a **Bupa Global** member for at least 18 months before the baby's birth and
- **we** receive the application form within 30 days of the baby's birth

**we** will add the baby to the **policy** from their date of birth and not apply any personal exclusions to the baby's cover.

However, if:

- neither parent has been a **Bupa Global** member for at least 18 months before the baby's birth, or
- **we** receive the application form more than 30 days after the baby was born, or
- the child is born as a result of Assisted Reproduction Technologies, ovulation induction treatment, adopted, or born to a surrogate, or
- the baby was born in the U.S.,

the baby's medical history will be reviewed by **our** medical team which may result in cover for pre-existing conditions, special restrictions or exclusions, or **we** may decline to offer cover. This means that if the baby has medical conditions that need **treatment**, these might not be covered by the **policy**. Cover will start on the date that **we** receive the application form.

Where full U.S. cover has not been purchased prior to the mother falling pregnant, **treatment** including newborn care will not be covered by the 28 day **emergency** U.S. cover, unless the baby is born prematurely in unexpected circumstances.

If there are any changes to the information **you** provided in the application form after **you** or **your dependants** sign it and before **we** accept the application, please let **us** know straight away.

# YOUR HEALTH PLAN BENEFITS

The ‘Table of benefits’ provides an explanation of what is covered on **your health plan** and the associated limits.

### Benefit limits

There are three kinds of benefit limits shown in this table:

1. The ‘overall annual maximum’ – the maximum amount **we** will pay in total for all benefits, for each person, in each **policy year**.
2. Annual limits for a group of benefits – the maximum amount **we** will pay in total for all of the benefits in that group, such as **out-patient** day to day care.
3. Individual benefit limits – the maximum amount **we** will pay for individual benefits such as **rehabilitation**.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no more benefits will be paid, regardless of the **renewal** of **your health plan**.

### Currencies

All the benefit limits and notes are set out in three currencies: GBP, EUR and USD. The currency in which **you** pay **your** premium is the currency that applies to **your health plan** for the purpose of the benefit limits.

### Waiting periods

**You** will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated.

### How does the deductible work?

**Your deductible** is the annual amount **you** must pay each **policy year** towards covered claims before **we** start paying.

It’s important that **you** send all **your** claims to **us**, even if the value of the claim is less than the **deductible**. **We** won’t make any payment, but the claim will count towards **your deductible**. If the claim is for an amount higher than the value of **your deductible** or remaining **deductible**, **we** will pay costs in line with **your** benefit limits.

There are two **deductible** options available. A **deductible** which applies only to **out-patient** day to day care benefits and a **deductible** which applies to all other benefits. If **you** select to have a **deductible**, **you** must choose one on both options.

Both **deductible** options apply:

- each policy year
- separately for each person.

Example: Here’s how it works if **you** have a GBP 250 **deductible** for **out-patient** day to day care:

**You** visit a doctor. This is **out-patient** day to day care. The visit costs GBP 100.

<b>You</b> pay the doctor and submit the claim to <b>us</b> . This counts towards <b>your deductible</b> for the <b>policy year</b> .	<b>You</b> now have GBP 150 left to pay towards any <b>out-patient</b> day to day care for this <b>policy year</b> .
---	--

Later in the year **you** have some blood tests and an X-ray as an **out-patient**. These cost GBP 300.

**You** pay the remaining GBP 150 of **your deductible**, and **we** pay the rest. **You** will not have any more **deductible** to pay towards **out-patient** day to day care for this **policy year**.

Example: Here’s how it works if **you** have a GBP 5,000 **deductible** for all other benefits:

**You** have **treatment** in hospital for a broken leg which costs GBP 3,000

<b>You</b> pay all the cost.	<b>We</b> don’t pay towards this as the total cost is less than the amount of <b>your deductible</b>
------------------------------	--

**Your** remaining **deductible** for this **policy year** is GBP 2,000

Later in the year **you** are admitted to **hospital** for an operation which costs GBP 25,000

<b>You</b> pay the rest of <b>your deductible</b> . This is GBP 2,000	<b>We</b> pay the rest.
---	-------------------------

**You** will not have any more **deductible** left to pay for this **policy year**.

Please note that the benefit limits shown in the ‘Table of benefits’ is the maximum paid by **us**.

# YOUR EXCLUSIONS

In the 'General exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. As well as these general exclusions, **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** insurance certificate.

### Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** **you** were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – **we** call these **pre-existing conditions**.

**Our** medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your health plan**. If **we** have applied any personal exclusion or other restrictions to **your health plan**, this will be shown on **your** insurance certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your health plan**.

### General exclusions

The exclusions in this section apply as well as and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- extra or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

**Our** global **health plans** are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be named on it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are affected by its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for advice. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This applies whether **we** pay them directly, or **you** pay the costs and claim this back from **us**. Other rules may apply in respect of **covered benefits** received from an 'out-of-**network**' benefit provider in certain specific countries.

Costs in excess of the maximums shown in the Guide to <b>your Bupa Global health plan</b> will not count towards <b>your</b> annual <b>deductible</b> .  The cost of any <b>covered benefits</b> <b>you</b> receive which are covered by <b>your</b> annual <b>deductible</b> (excluding costs in excess of the maximums shown in the Guide to <b>your Bupa Global health plan</b> ), count towards the maximum cover limits shown in the Guide to <b>your Bupa Global health plan</b> .  Even if the amount <b>you</b> are claiming is less than the amount of <b>your</b> annual <b>deductible</b> , <b>you</b> should still submit a claim to <b>us</b> so <b>we</b> know when <b>you</b> have reached the level of <b>your</b> annual <b>deductible</b> .  As this is an annual <b>deductible</b> , if <b>your</b> first claim is towards the end of the <b>policy year</b> and <b>your covered benefits</b> continue over <b>your renewal</b> date, the annual <b>deductible</b> is payable separately for the <b>covered benefits</b> received in each <b>policy year</b> .
2.3	<b>Your health plan</b> may include a mandatory <b>co-insurance</b> , which will be shown in the Guide to <b>your Bupa Global health plan</b> . <b>You</b> may also have an optional <b>co-insurance</b> , if available and selected by <b>you the policyholder</b> in <b>your</b> application form. <b>Your co-insurance</b> will be shown on <b>your</b> insurance certificate.  <b>You</b> must pay for the <b>co-insurance</b> proportion of the cost of any <b>covered benefits</b> to which the <b>co-insurance</b> applies directly to the <b>benefits provider</b> .

No	CLAUSE
2.4	Should <b>we</b> have to, for any reason, pay a <b>benefits provider</b> an amount which is covered by any annual <b>deductible</b> or <b>co-insurance</b> <b>we</b> will then collect payment from <b>you</b> for that amount.  <b>You</b> authorise <b>us</b> to take this payment from <b>you</b> under the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> in <b>your</b> application form or as updated.  If this <b>policy</b> has an annual <b>deductible</b> or <b>co-insurance</b> <b>you</b> must make sure that <b>we</b> always have a valid direct debit agreement or credit card authority that allows <b>us</b> to take payment of any annual <b>deductible</b> or coinsurance <b>we</b> have paid.  <b>You</b> must update the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> when necessary or when requested by <b>us</b> . Otherwise it may cause delays in <b>our</b> paying claims. <b>We</b> will not pay claims until <b>we</b> have received any outstanding annual <b>deductible</b> or <b>co-insurance</b> payments.
2.5	<b>You</b> must obtain pre-authorisation for any <b>covered benefits</b> where it is stated that this is needed in the Guide to <b>your Bupa Global health plan</b> .  Details of how to pre-authorise <b>covered benefits</b> are available in the Guide to <b>your Bupa Global health plan</b> .
2.6	Before <b>we</b> pre-authorise any <b>covered benefits</b> or pay any claim, <b>we</b> are entitled to request more information, such as medical reports, and <b>we</b> may require that <b>you</b> have a medical examination by an independent <b>medical practitioner</b> appointed by <b>us</b> (at <b>our</b> cost) who will then provide <b>us</b> with a medical report.  If this information is not provided in time once requested this may result in a delay in pre-authorisation and to <b>your</b> claims being paid. If this information is not provided to <b>us</b> at all this may result in <b>your</b> claims not being paid.
2.7	If <b>we</b> make a payment to <b>you</b> for a benefit <b>you</b> are not covered for, it does not mean that <b>we</b> will pay identical or similar costs in the future. Any payment that <b>we</b> may make on this basis will still count towards the overall annual maximum limit that applies to this <b>policy</b> .
3.	Premium and Payment
3.1	<b>You</b> should pay <b>your</b> premiums direct to <b>Bupa Global</b> . If <b>you</b> pay <b>your</b> premiums to anyone else, such as an intermediary, <b>we</b> are not responsible for ensuring those persons pass the premium on to <b>us</b> .  Premiums are collected by <b>Bupa</b> Insurance Services Limited who act as <b>our</b> intermediary for the purpose of receiving and holding premiums, making claims and refunds. <b>Your</b> premiums are protected by an agreement between <b>us</b> and <b>Bupa</b> Insurance Services Limited. The amount and method of payment is shown in <b>your</b> insurance certificate.
3.2	If <b>we</b> do not receive <b>your</b> premium (or any instalment) or any other payment <b>you</b> owe <b>us</b> under this <b>policy</b> by the due date, <b>we</b> will write to <b>you the policyholder</b> requesting payment by a specific date, which will be not less than 30 days after the date <b>we</b> issue <b>our</b> letter or email to <b>you</b> .  If <b>we</b> do not receive payment by that date, this <b>policy</b> will be cancelled and all rights under this <b>policy</b> will cease from the original date on which <b>your</b> premium (or the first missed instalment) or other payment should have been received.  <b>We</b> will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of <b>your</b> control, such as a bank error.
3.3	If <b>we</b> incorrectly make any payment to either a <b>benefits provider</b> for <b>treatment</b> or benefits received by <b>you</b> but not covered by this <b>policy</b> , or to <b>you</b> , <b>we</b> may deduct the amount <b>we</b> incorrectly paid from <b>your</b> future claims or seek repayment from <b>you</b> .
4.	Where another person has caused your condition or you hold other insurance cover
4.1	If any person is to blame for any injury, disease, illness, condition or other event where <b>you</b> receive any <b>covered benefits</b> , <b>we</b> may make a claim in <b>your</b> name.  <b>You</b> must provide <b>us</b> with any assistance <b>we</b> reasonably require to help make such a claim, for example: <ul style="list-style-type: none"><li>◦ providing <b>us</b> with any documents or witness statements;</li><li>◦ signing court documents; and</li><li>◦ submitting to a medical examination.</li></ul> <b>We</b> may exercise <b>our</b> rights to bring a claim in <b>your</b> name before or after <b>we</b> have made any payment under the <b>policy</b> .  <b>You</b> must not take any action, settle any claim or otherwise do anything which adversely affects <b>our</b> rights to bring a claim in <b>your</b> name.

No	CLAUSE
4.2	<p>If <b>you</b> have other insurance which also covers <b>your covered benefits you</b> must let <b>us</b> know and provide details of the other insurance company, including on pre-authorisation and when making a claim.</p> <p><b>We</b> will only pay for <b>our</b> share of the cost of any <b>covered benefits</b>.</p>
5.	<b>Making a claim</b>
5.1	<p><b>We</b> aim to pay the <b>benefits provider</b> directly for any <b>covered benefits</b> covered by this <b>policy</b> whenever possible.</p> <p>Otherwise <b>you</b> must pay the <b>benefits provider</b> and then send a completed claim form to <b>us</b>, with copies of all valid invoices, relevant letters and other documents relating to the <b>covered benefits you</b> are claiming for. Where requested, original invoices must be provided to <b>us</b>.</p> <p><b>We</b> are not obliged to pay for any <b>covered benefits</b> if the claim form is received by <b>us</b> more than 2 years after the <b>covered benefits</b> were provided to <b>you</b>, unless there is a good reason why it was not possible for <b>you</b> to make the claim earlier.</p> <p><b>We</b> cannot return any original documents, but <b>we</b> can send <b>you</b> copies if <b>you</b> request.</p>
5.2	<p>Where <b>you</b> have paid the <b>benefits provider</b> and <b>you</b> have made a valid claim, <b>we</b> will pay <b>you the policyholder</b>. <b>We</b> may pay a <b>dependant</b> only where the <b>dependant</b> received the <b>covered benefits</b>, they are over 16 and <b>we</b> have their current bank details.</p> <p><b>We</b> only pay by electronic transfer direct to <b>your</b> bank account or by cheque payable to <b>you</b>.</p> <p><b>We</b> pay the administration costs for making electronic transfers. If <b>your</b> local bank charges <b>you</b> an administration fee, <b>we</b> will refund <b>you</b> on receipt of proof <b>you</b> have paid such fees. All other bank charges or fees, such as currency exchange, are <b>your</b> responsibility, unless <b>you</b> are charged because <b>we</b> made a mistake.</p>
5.3	<p><b>We</b> will reimburse <b>you</b> in the currency:</p> <ul style="list-style-type: none"><li>◦ in which <b>we</b> receive the premium</li><li>◦ of the invoices <b>you</b> send <b>us</b>, or</li><li>◦ of <b>your</b> bank account.</li></ul> <p>Sometimes banking rules may not let <b>us</b> pay <b>you</b> in the currency <b>you</b> would like. So, <b>we</b> will pay <b>you</b> in the currency <b>we</b> receive the premium in.</p> <p>Very rarely, paying in a certain currency may be illegal or expose <b>us</b> (or the <b>Bupa Group</b>) to United Nations sanctions. If so:</p> <ul style="list-style-type: none"><li>◦ <b>we</b> may not be able to pay <b>you</b> immediately, or</li><li>◦ will pay <b>you</b> in a currency which <b>we</b> are allowed to and able to.</li></ul> <p><b>We</b> use the rate that is in place in the <b>UK</b> on the invoice date. If there is no invoice date, <b>we</b> will use <b>your treatment</b> date. The exchange rate <b>we</b> use will be from a leading market provider of rates. Please call <b>us</b> if <b>you</b> would like more details.</p>
5.4	<p><b>We</b> will not provide cover and <b>we</b> will not pay any claim or provide any benefit under this insurance, if doing so would:</p> <ul style="list-style-type: none"><li>◦ break any United Nations resolution, or any trade or economic sanctions, laws or regulations that apply to <b>us</b> (including those of the European Union, the <b>UK</b>, and / or the U.S.), or</li><li>◦ put <b>us</b> at risk of being sanctioned by any relevant authority or competent body, or</li><li>◦ put <b>us</b> at risk of being involved (directly or indirectly) in something which any relevant authority, banks <b>we</b> use, or competent body would consider to be banned or restricted.</li></ul> <p>If any resolutions, sanctions, laws or regulations referred to in this clause apply (or start to apply), <b>we</b> can take any action <b>we</b> consider necessary, to make sure <b>we</b> continue to work within them. If this happens, <b>you</b> acknowledge that this may restrict, delay or end <b>our</b> obligations under <b>your</b> plan, and <b>we</b> may not be able to pay any claim.</p>

6.	<b>Renewal</b>
6.1	<p><b>We</b> will write to let <b>you</b> know if this <b>policy</b> will renew for the next year in advance of the <b>renewal</b> date.</p> <p>Each <b>policy year we</b> may change how <b>we</b> calculate <b>your</b> premiums, how <b>we</b> determine premiums, what <b>you</b> have to pay and the method of payment. <b>We</b> may also change the Guide to <b>your Bupa Global health plan</b> (including which <b>covered benefits</b> are covered and the limits for <b>covered benefits</b>) and the terms this <b>policy</b>.</p> <p><b>We</b> will issue <b>you</b> a notice in advance of the <b>renewal</b> date, with details of the new premium, any changes to the renewed <b>policy</b> and the reasons for those changes. If <b>you</b> do not want to renew this <b>policy you</b> must contact <b>us</b> within 30 days following the start of the renewed <b>policy</b>.</p> <p>Unless <b>you</b> contact <b>us</b> to tell <b>us</b> not to, <b>we</b> will continue to take payment of the new premium using the payment details <b>you</b> have given <b>us</b>.</p>
6.2	<p><b>We</b> may not renew this <b>policy</b> at <b>our</b> discretion for any reason. If so, <b>we</b> will issue <b>you</b> a notice at least 30 days before the end of the <b>policy year</b>.</p>
6.3	<p>If <b>we</b> decide to renew this <b>policy</b>, <b>we</b> won't add any new personal restrictions or exclusions (those that appear on <b>your</b> insurance certificate) to <b>your</b> renewed <b>policy</b>. However, should <b>you</b> move to a different <b>health plan</b>, <b>we</b> may add new personal restrictions or exclusions.</p>
6.4	<p>Please contact <b>us</b> before <b>your renewal</b> date if <b>you</b> or <b>your dependants</b> have personal exclusion(s) or cover for <b>pre-existing conditions</b> and would like <b>us</b> to review this.</p> <p><b>We</b> may remove <b>your</b> exclusion or the increased premium applied for the <b>pre-existing condition</b> if, in <b>our</b> opinion, no more <b>treatment</b> will be either directly or indirectly needed for the condition, or for any related condition. There are some personal exclusions that, due to their nature, <b>we</b> will not review.</p> <p>To carry out a review, <b>we</b> may ask for an up to date medical report from <b>your</b> family <b>doctor</b> or consultant. Any costs incurred in obtaining these details are not covered under <b>your</b> plan and are <b>your</b> responsibility.</p>
7.	<b>Changes to your policy</b>
7.1	<p>Only <b>we</b> and the <b>policyholder</b> can agree to make changes. Changes will take effect only when <b>we</b> confirm them in writing.</p>
7.2	<p>This <b>policy</b> lasts one year:</p> <ul style="list-style-type: none"><li>◦ the <b>policyholder</b> can only make changes at <b>renewal</b></li><li>◦ any waiting periods would not re-start.</li></ul>
7.3	<p><b>We</b> may make changes to the <b>policy</b> before <b>renewal</b>:</p> <ul style="list-style-type: none"><li>◦ if laws or regulators say <b>we</b> must, or</li><li>◦ to improve cover for all members with the same product.</li></ul> <p>If so, <b>we</b> will write to tell <b>you</b> about the changes.</p>
7.4	<p>If <b>we</b> reasonably consider that by continuing this <b>policy we</b> or <b>you</b> may breach any:</p> <ul style="list-style-type: none"><li>◦ law</li><li>◦ regulation</li><li>◦ code or</li><li>◦ court order</li></ul> <p><b>we</b> can end the <b>policy</b> immediately.</p> <p>This <b>policy</b> does not provide cover if this would expose <b>us</b> (or the <b>Bupa group</b>) to any:</p> <ul style="list-style-type: none"><li>◦ sanction, prohibition or restriction under United Nations resolutions or</li><li>◦ trade or economic sanctions, laws or regulations of the European Union, <b>UK</b> or U.S.</li></ul>
7.5	<p>If <b>you</b> ask to add a new <b>dependant</b> to this <b>policy</b>, <b>we</b> will review that person's medical history. <b>We</b> may not agree to add the person to this <b>policy</b>, or <b>we</b> may add special restrictions or exclusions to the cover for that new <b>dependant</b>. <b>We</b> may, at <b>our</b> discretion, agree to provide cover for certain <b>pre-existing conditions</b> of the new <b>dependant</b>. <b>You</b> must pay any additional premium. Children may be added without medical history or additional premium being required where this is provided for (and in accordance with any relevant requirements) in <b>your</b> Guide to <b>your Bupa Global health plan</b>. For certain <b>health plans</b>, <b>we</b> may not be able to add <b>dependants</b> who are over a certain age at the time <b>we</b> receive the request for them to be added to this <b>policy</b>.</p>

8.	Your country of residence
8.1	<p><b>You</b> must tell <b>us</b> straight away if <b>you</b> move to a different country or <b>your specified country of residence</b> or <b>specified country of nationality</b> changes.</p> <p>This <b>policy</b> will terminate if the law of the country in which <b>you</b> are located, or <b>your</b> country of residence or nationality, or any other law which applies to <b>us</b> or this <b>policy</b>, prohibits the provision of healthcare cover by <b>us</b> to local nationals, residents or citizens.</p> <p>Without limitation to the foregoing, <b>we</b> will not be able to renew <b>your health plan</b> at the next <b>policy renewal</b> if <b>you</b> become a permanent resident of the U.S., and, if any other people covered under <b>your policy</b> become a resident of the U.S., <b>we</b> will not be able to renew their cover under their <b>health plan</b> at the next <b>policy renewal</b> date. 'Permanent resident' shall mean a person residing in the U.S. who is a citizen of or who is permitted under applicable laws to live and work, on a permanent basis, in the U.S., and 'U.S.' shall include the Commonwealth of Puerto Rico for this purpose.</p>
8.2	<p><b>You</b> must tell <b>us</b> straight away if <b>you</b> change <b>your</b> correspondence address or other contact details as <b>we</b> will use the last address and contact details <b>you</b> gave <b>us</b> until <b>you</b> tell <b>us</b> otherwise.</p>
9.	Ending this policy
9.1	<p>The <b>policyholder</b> can at any time:</p> <ul style="list-style-type: none"><li>◦ cancel the entire <b>policy</b>, which will end cover for everyone; or</li><li>◦ cancel cover for a <b>dependant</b>.</li></ul> <p>To do this, please tell <b>us</b> by telephone, email or post.</p> <p>The change will take effect 14 days after the <b>policyholder</b> tells <b>us</b> about the change. Please note:</p> <ol style="list-style-type: none"><li>1. <b>we</b> will not back-date the cancellation date and</li><li>2. will not pay claims for <b>treatment</b> which takes place after the <b>policy</b> ends.</li></ol>

No	CLAUSE
9.2	<p>The refund of any premium will depend on the date the <b>policyholder</b> cancels the entire <b>policy</b> or the <b>policy</b> of a <b>dependant</b>. There are two scenarios:</p> <p>A. Cancellation within the first 30 days of the <b>policy</b>; or</p> <p>B. Cancellation after the first 30 days of taking out the <b>policy</b>.</p> <p><b>A. Cancellation within the first 30 days of cover:</b></p> <p>If the <b>policyholder</b> cancels the entire <b>policy</b>:</p> <ul style="list-style-type: none"><li>◦ within the first 30 days of cover starting for that <b>policy year</b>, and</li><li>◦ there have been no claims for <b>treatment</b> which took place in that 30-day period</li></ul> <p><b>we</b> will refund all premiums paid for that <b>policy year</b>.</p> <p>If the <b>policyholder</b> cancels cover for a <b>dependant</b>:</p> <ul style="list-style-type: none"><li>◦ within the first 30 days of cover starting for that <b>dependant</b> for that <b>policy year</b>, and</li><li>◦ there have been no claims for <b>treatment</b> for that <b>dependant</b> which took place in that 30-day period</li></ul> <p><b>we</b> will refund all premium paid for that <b>dependant</b> for that <b>policy year</b>.</p> <p>Important: In either case, where a claim has been made in the first 30 days of cover either by the <b>policyholder</b> or a <b>dependant</b>, <b>we</b> will treat this as acceptance to have a <b>policy</b> with <b>us</b>. This means if <b>you</b> wish to cancel the <b>policy</b>, it will be treated as cancellation taking place after the first 30 days (section B below).</p> <p><b>B. Cancellation after the first 30 days of cover:</b></p> <p>If the <b>policyholder</b> cancels the entire <b>policy</b>:</p> <ul style="list-style-type: none"><li>◦ after the first 30 days of cover for that <b>policy year</b>, or</li><li>◦ there have been claims for <b>treatment</b> which took place in the first 30 days of cover</li></ul> <p><b>we</b> will cancel the <b>policy</b> 14 days from the date the <b>policyholder</b> asked <b>us</b> (as mentioned in section 9.1 above). And <b>we</b> will refund any premiums already paid for after the 14-day cancellation period.</p> <p>For example, if the <b>policyholder</b> cancels the entire <b>policy</b> on 1 March, <b>we</b> will refund any premium paid for 15 March onwards.</p> <p>If the <b>policyholder</b> cancels cover for a <b>dependant</b>:</p> <ul style="list-style-type: none"><li>◦ after the first 30 days of cover for that <b>policy year</b>, or</li><li>◦ there have been claims for <b>treatment</b> for that <b>dependant</b> which took place in those first 30 days of cover</li></ul> <p><b>we</b> will refund any premium already paid for that <b>dependant</b> for after the 14-day cancellation period.</p> <p>For example, if the <b>policyholder</b> cancels the cover for a <b>dependant</b> on 1 March, <b>we</b> will refund any premium paid for 15 March onwards.</p>
9.3	<p><b>We</b> will refund <b>you</b> on the same method <b>you</b> used to pay premium. This means the refund will go back into <b>your</b> bank account, credit card, debit card or via a cheque.</p> <p>Please be aware that if <b>you</b> have any outstanding payments with <b>us</b>, <b>we</b> may deduct this from the refund.</p>
9.4	<p>If:</p> <ul style="list-style-type: none"><li>◦ a <b>dependant</b> dies – The <b>policyholder</b> should tell <b>us</b> within 30 days.</li><li>◦ the <b>policyholder</b> dies – Any <b>dependants</b> on the <b>policy</b>, or <b>family members</b> of the <b>policyholder</b>, should tell <b>us</b> within 30 days.</li></ul> <p>After <b>we</b> have been informed of the death, <b>we</b> will end the <b>policy</b>.</p> <p>Where the <b>policyholder</b> has died, a <b>dependant</b> aged 18 or over can apply to be the <b>policyholder</b> and can add more <b>dependants</b> to the <b>policy</b>. If there is no new <b>policyholder</b>, the <b>policy</b> will end.</p> <p>In either case, where there have been no claims, <b>we</b> will refund the premium for the period after the <b>policy</b> ended.</p>
9.5	<p><b>We</b> may decide to end <b>your</b> plan. If this happens, it will be at <b>your</b> next <b>renewal</b>. <b>We</b>:</p> <ul style="list-style-type: none"><li>◦ will notify <b>you</b> of <b>our</b> decision at least 3 months before <b>your</b> next <b>renewal</b>; and</li><li>◦ may offer <b>you</b> membership of another of <b>our</b> plans with the current insurer.</li></ul> <p>If <b>you</b> accept <b>our</b> proposed alternative plan, this new plan will take effect from <b>your renewal</b> date without a break in cover and without any new underwriting terms.</p> <p><b>You</b> may wish to discuss this with <b>us</b> before <b>your renewal</b> date or <b>you</b> may decide not to continue <b>your</b> cover with <b>us</b>.</p>

10.	Our role under this policy and appointment as your intermediary
10.1	<b>Our</b> role under this <b>policy</b> is to provide <b>you</b> with insurance cover and sometimes to make arrangements (on <b>your</b> behalf) for <b>you</b> to receive any <b>covered benefits</b> . It is not <b>our</b> role to provide <b>you</b> with the actual <b>covered benefits</b> .
10.2	<b>You the policyholder</b> , on behalf of yourself and the <b>dependants</b> , appoint <b>us</b> to act as intermediary for <b>you</b> , to make appointments or arrangements for <b>you</b> to receive <b>covered benefits</b> which <b>you</b> request. <b>We</b> will use reasonable care when acting as <b>your</b> intermediary.
10.3	<b>You the policyholder</b> , on behalf of yourself and the <b>dependants</b> , authorise <b>us</b> as <b>your</b> intermediary, if for any reason <b>you</b> are not available to give <b>us</b> instructions with regard to any <b>covered benefits</b> (for example if <b>you</b> are incapacitated), to: <ul style="list-style-type: none"><li>◦ take such action as <b>we</b> reasonably believe to be in <b>your</b> best interests (in accordance with the cover <b>you</b> have under this <b>policy</b>);</li><li>◦ provide any information about <b>you</b> to <b>your benefits provider</b> as <b>we</b> reasonably believe to be appropriate in the circumstances; and/or</li><li>◦ take instructions from the person <b>we</b> reasonably believe to be the most appropriate person (for example a <b>family member</b>, <b>your</b> treating <b>doctor</b> or <b>your</b> employer).</li></ul>
10.4	When acting as <b>your</b> intermediary <b>we</b> may act via <b>our Bupa group of companies and administrators</b> .
11.	Our liability to you
11.1	<b>We</b> (and <b>our Bupa group of companies and administrators</b> ) shall not be liable to <b>you</b> or anyone else for any loss, damage, illness and/or injury that may occur as a result of <b>your</b> receiving any <b>covered benefits</b> , nor for any action or failure to act of any <b>benefits provider</b> or other person providing <b>you</b> with any <b>covered benefits</b> . <b>You</b> should be able to bring a claim directly against such <b>benefits provider</b> or other person.
11.2	<b>Your</b> statutory rights are not affected.
12.	Fraudulent Claims
12.1	In this clause 12, where <b>we</b> refer to ' <b>you</b> ' or ' <b>you the policyholder</b> ' this includes anyone acting on <b>your</b> behalf, where <b>we</b> refer to ' <b>dependant</b> ' this includes anyone acting on behalf of any <b>dependant</b> .
12.2	<b>You the policyholder</b> and any <b>dependant</b> must not: <ul style="list-style-type: none"><li>◦ make a fraudulent or exaggerated or falsely stated claim under this <b>policy</b>;</li><li>◦ send <b>us</b> fake or forged documents or other false evidence, or make a false statement in support of a claim(s); and/or</li><li>◦ provide <b>us</b> with information which <b>you the policyholder</b> or any <b>dependant</b> knows would otherwise allow <b>us</b> to refuse to pay a claim(s) under this <b>policy</b>; and/or</li><li>◦ refuse to cooperate or fail to provide information/documents reasonably requested by <b>us</b> to validate <b>your</b> claim(s), whether outstanding or paid (including but not limited to proof of payment, medical reports and original invoices).</li></ul>
12.3	<p>In the event of failure to comply with clause 12.2 above, <b>we</b> may:</p> <ul style="list-style-type: none"><li>◦ refuse to pay the whole of the claim and any other claim(s) submitted since the date of that claim; and/or</li><li>◦ recover any payments <b>we</b> have already made in respect of the claim and/or other claim(s) submitted since that claim.</li></ul> <p>In addition, if <b>you the policyholder</b> breach clause 12.2 then <b>we</b> will let <b>you</b>, the <b>policyholder</b>, know that this <b>policy</b> has terminated from the date of the breach of clause 12.2, and not refund any premium for the <b>policy</b>.</p> <p>If only a particular <b>dependant</b> has breached clause 12.2 then <b>we</b> will let <b>you</b>, the <b>policyholder</b>, know that the cover under this <b>policy</b> for that particular <b>dependant</b> has terminated from the date of the breach of clause 12.2 above, and not refund any premium for that cover under the <b>policy</b>.</p>
13.	Provision of accurate and complete information
13.1	In this clause 13, where <b>we</b> refer to ' <b>you</b> ' or ' <b>you the policyholder</b> ' this includes anyone acting on <b>your</b> behalf, where <b>we</b> refer to any ' <b>dependant</b> ' this includes anyone acting on behalf of any <b>dependant</b> .

13.2	<p><b>You</b> and any <b>dependant</b> must take reasonable care to make sure that all information provided to <b>us</b> is accurate and complete, at the time <b>you</b> take out this plan, and at each <b>renewal</b> and variation of this plan. <b>You</b> and any <b>dependant</b> must also tell <b>us</b> if any of the answers to the questions in the application form change prior to this plan starting. Otherwise, the following apply with effect from the date the plan was taken out, renewed or varied (depending on when <b>we</b> were provided with inaccurate or incomplete information).</p> <p>A. <b>We</b> may treat this plan as if it had not existed if <b>you</b> deliberately or recklessly give <b>us</b> inaccurate or incomplete information.</p> <p>B.
