# MAJOR MEDICAL GLOBAL HEALTH PLAN

A COLLABORATION BETWEEN TWO OF THE MOST RESPECTED NAMES IN GLOBAL HEALTHCARE

BUPA GLOBAL IS THE SOLE INSURER OF THIS PLAN  
From 10 May 2024

# WELCOME TO THE NEXT CHAPTER OF GLOBAL HEALTHCARE

We have never wanted to be the same as the rest. That's why more than 3,000 globally minded people were asked to help create our range of global health plans.

The simple tiered range brings the same great service expected, but it's more than just insurance. We also focus on our members' all-round health through a number of wellness services included.

Additionally, through our collaboration with Blue Cross Blue Shield Global, our members can now enjoy even bigger benefits from their plan.

So whether in times when you need us most, like when you're ill or facing a serious health condition, or when you're healthy, we'll be there.

With us, you're a truly private patient, enjoying direct access to specialist care without having to wait for a referral. You're not limited to medical providers local to you either. Our international network of leading specialists allows you to choose when and where you receive treatment within your area of cover.

## TWO OF THE BIGGEST, MOST TRUSTED NAMES IN GLOBAL HEALTHCARE

Bupa Global and Blue Cross Blue Shield Global have teamed up to deliver high quality healthcare products and services. This combined strength, scale and expertise means members can be confident that they have access to quality healthcare when and where they need it.

Members will have access to the largest networks of healthcare providers worldwide, utilising both the Blue Cross Blue Shield networks in the U.S. and Bupa's networks outside the U.S.

## EXCEPTIONAL SERVICE ON EVERY LEVEL

For these global health plans, we deliver the exceptional high level of service for which we are renowned, and we provide cover for:

- Hospital care
- Mental health – caring for mind as well as body

- Treatment for cancer and other serious illnesses, for as long as needed while you are a member
- Hereditary, congenital and chronic condition (subject to underwriting)
- Transplants and rehabilitation

## A FEW THINGS THAT MAKE US DIFFERENT

Decades of medical expertise and dedication to health and a global team of advisers and health experts who speak multiple languages – these are just a few of the things that make us simply different.

### REINVEST IN HEALTH

Your health is at the heart of everything we do. To maintain this focus, we continue to remain free of shareholders, re-investing profits back into our business. It fuels our drive to innovate and improve how we deliver first-class services and access to care.

### SUPPORTING MENTAL HEALTH

At Bupa Global we believe that mental health and wellbeing are just as important as physical health. To support this, both annual and monetary limits across our plans for in-patient and day-case mental health treatment are the same as for physical health treatment.

### GLOBAL ACCESS IN YOUR HANDS

The Global Virtual Care service, available via the MembersWorld app, provides you with access to a global network of doctors, offering medical advice and consultations, plus same day virtual appointments – available 24/7.

### FINANCIAL REASSURANCE

Health insurance isn't just about your health. It's also about not worrying about unexpected costs. With us by your side, you can simply focus on enjoying life.

### MULTILINGUAL ADVISERS

When it comes to healthcare advice, we know that speaking to someone in your own language is more than reassuring. It's key. For this reason, our team of advisers are able to offer 24/7 telephone support in multiple languages.

### PRE-EXISTING CONDITIONS

We don't believe past health issues should stop you from enjoying your future. That's why many pre-existing conditions could be covered under our global health plans, subject to our General Exclusions and medical underwriting. An additional premium may apply.

### ACCESS YOUR ACCOUNT ONLINE

You can now access our exclusive and secure website and mobile app **MembersWorld** whenever you need to. With it, you can submit and track progress of claims, submit pre-authorisation requests, get access to your membership card and insurance documents and chat to us anytime with our in-app messaging service.
