Pre-authorisation

The importance of pre-authorisation

Call: +356 21 342 342

Email: bupa@lifestarinsurance.com

We want everything to run smoothly when **you** need **treatment**. That way **you** can focus on getting better.

Why should I pre-authorise treatment?

So that **you** can tell **us** about **treatment** that **you** need to have. **You** should contact **us** before **you** have **your treatment** to give **us** the details. **We** can then:

- check if the policy covers **your treatment**
- check if the provider is part of **our network**
- explain any limits that apply
- tell the provider that **you** are a **Bupa Malta** member.
- see if **we** can pay any bills directly to the provider. This will mean **you** don't have to pay and claim the costs from **us**.

We may only pay costs that are **reasonable and customary**. This could leave **you** with a shortfall to pay. If this is the case, **we** will communicate this to **you** in writing.

Before **we** can authorise **treatment** or pay a claim **we** may ask for more information, for example a medical report. If **we** don't receive this promptly, there may be a delay to pre-authorisation and to paying **your** claim. If **we** do not receive this at all, **we** may not be able to pay **your** claim.

We may appoint an independent medical professional and ask **you** to have a medical examination with them (at **our** cost). They will then give **us** a medical report.

When **you** have pre-authorised **treatment**, **we** will cover the costs if, at the time **you** have that **treatment**:

- the policy is in force
- **you** are covered by the policy
- premiums are paid up to date
- the pre-authorisation is still valid. When **we** authorise treatment, **we** will tell **you** how long it is valid for.

How do I pre-authorise my treatment?

Contact **us** by phone or email. When **we** have the details, **we** will send **you** and the provider a pre-authorisation statement.

What if my pre-authorisation is no longer valid? Can I get a new one?

Yes. Just follow the process again.

What if I need to go to hospital in an emergency?

In an emergency there might not be time to contact **us**. If this happens, it is important that the hospital contacts **us** within 48 hours.

This is a summary, please refer to the 'Pre-authorisation' section of this membership guide for full details on how to claim.

The claiming process

If **you** need assistance with a claim **you** can

- Call **us** on **+356 21 342 342**
- Email **us** on **bupa@lifestarinsurance.com**

Whether **you** choose direct settlement or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a **hospital** or **healthcare facility** within **network**.

How to make a claim

The quickest way to submit **your** claim is to fill out the claim form which **you** can download from <https://www.bupa.com.mt> or contact **us** and **we** will be happy to send **you** a copy.

You can send **us your** claim form by email or by post.

Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.

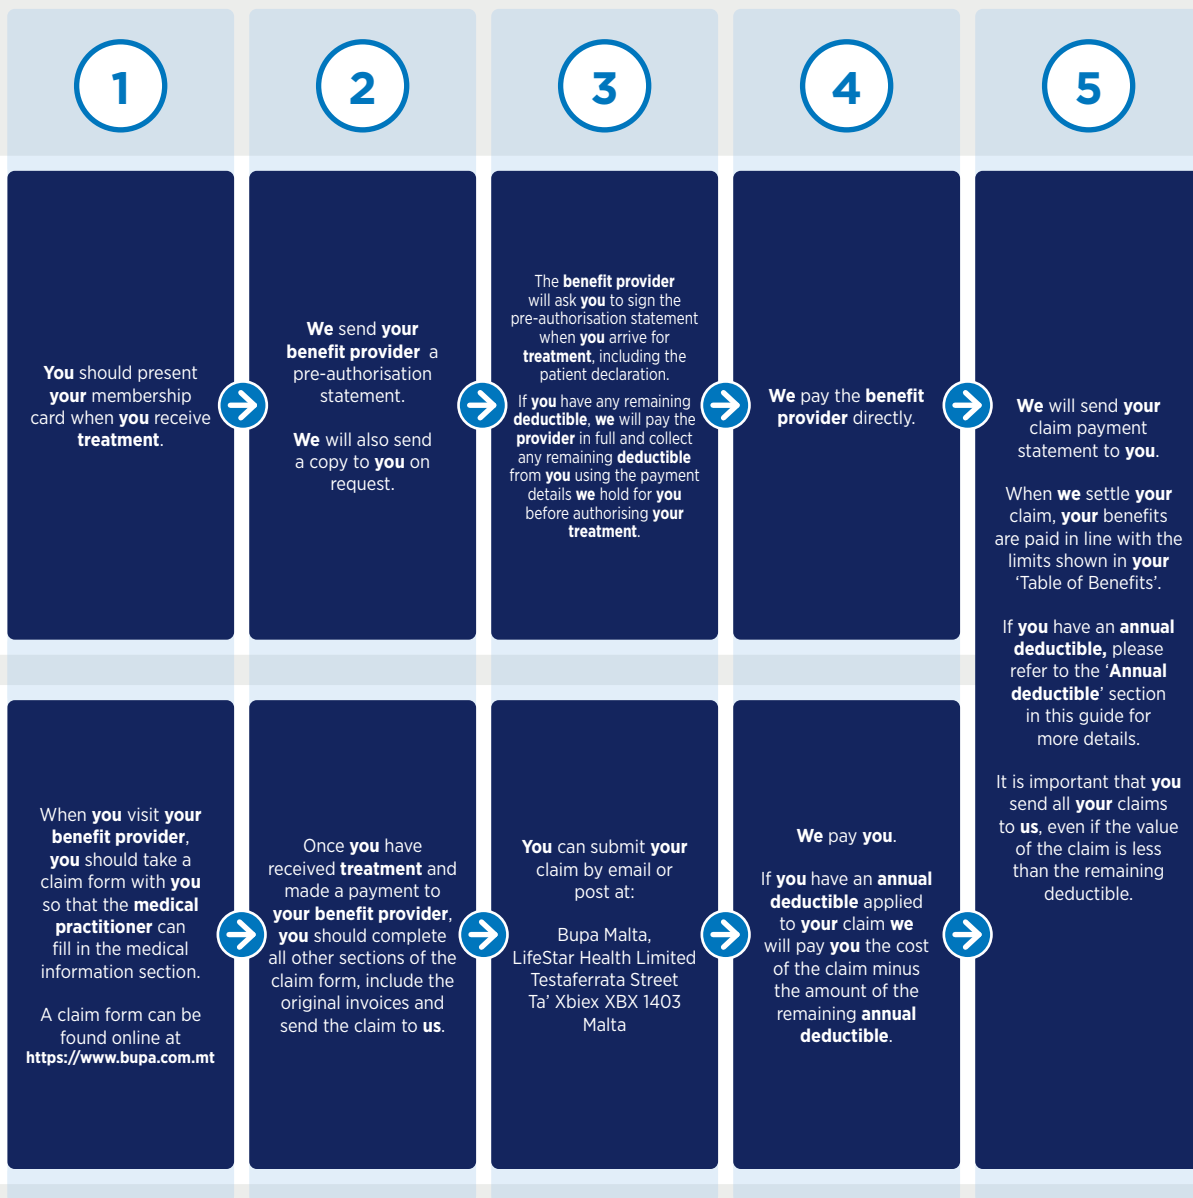

Make sure **you** have given **your** correct bank details.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

About your Membership

This booklet forms part of **your**, the **principal member's** contract with **us**, along with **your** application form and **your** membership certificate. This is an annual contract.

Applying and increasing your level of cover

To be covered under one of **our** plans, **you** need to be habitually resident and actually living in Malta for more than six months per year of cover and under the age of 65.

The agreement between you and us

As a member of the Private **Hospital** plan, **you**, the **principal member** have formed an **agreement** with **Bupa Malta** about **your** cover. Only **you**, the **principal member** and **Bupa Malta** have legal rights under this **agreement**.

This means that only **you**, the **principal member** and no other party may enforce the terms of this **agreement**. **We** will of course allow anyone who is covered under **your**, the **principal member's** membership complete access to **our** complaints and dispute resolution process.

The following must be read together as they set out the terms and conditions of **your** membership:

- **your**, the **principal member's** application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in this Membership Guide
- **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member**, must tell **us** straight away if **your specified country of residence** or **your specified country of nationality** changes. **Your** new country may have different regulations about health insurance. **You**, the **principal member**, need to tell **us** of any change so that **we** can make sure that **you** have the right cover.

How to use your plan

Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** customer service team for help and advice.

Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** knowledge and **our** experience.

Pre-authorising in-patient treatment and day-case treatment

You must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well.

The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

What to send

We must receive a fully completed claim form and the invoices for **your treatment**, within 2 years of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

Your claim

You must make sure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

How we make payments

Wherever possible, **we** will follow the instructions given to **us**:

- **we** can pay **you** or the **hospital** by bank transfer

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the direct credit form.

Tracking your claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by contacting **our** customer services team.

Confirmation of your claim

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment.

What is covered?

Please read this important information about the kind of costs that **we** cover.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Cervical cancer screening', 'Routine mammography', 'Prostate specific antigen' and 'Dental check-up' in the 'Table of benefits' and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

Our approach to costs

When **you** are in need of a benefit provider, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Where **you** choose to have **your treatment** and services with a benefit provider in **network**, **we** will cover all costs of any covered benefits, once any applicable co-insurance or deductible amount which **you** are responsible to pay has been taken from the total claimed amount.

Should **you** choose to have covered benefits with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the benefit provider must be no more than they would normally charge, and be similar to other benefit providers providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-**network**' benefit provider will not be paid.

This means that, should **you** choose to receive covered benefits from an 'out-of-**network**' benefit provider:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-**network**' benefit provider;
- **we** cannot control what amount **your** chosen 'out-of-**network**' benefit provider will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a benefit provider in **network**, for example, if **you** are taken to an 'out-of-**network**' benefit provider in an **emergency**. If this happens, **we** will cover costs of any covered benefits (after any applicable co-insurance or deductible has been taken).

If **you** are taken to an 'out-of-**network**' benefit provider in an **emergency**, it is important that **you**, or the benefit provider, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a benefit provider in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a benefit provider in **network** only the **Reasonable and Customary** costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been taken).

Other rules may apply in respect of covered benefits received from an 'out-of-**network**' benefit provider in certain countries.

Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

How to read the Table of benefits

There are two levels of cover: Essential and Premier. **You** need to read the column in the 'Table of benefits' that applies to **your** level of cover, as shown on **your** membership certificate.

Benefit limits

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no more benefits will be paid, regardless of the renewal of **your** plan.

Currencies

All the benefit limits in the 'Table of benefits' and notes are set out in EUR currency.

If **you** are unsure which level of cover **you** have, or whether **you**, the **principal member** have an **annual deductible**, **you** can either check on **your** membership certificate, or contact the customer services helpline.

- **your treatment** must be provided, or overseen, by a **consultant**

What is not covered?

In the 'Exclusion' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your** plan. As well as these **you** may have personal exclusions or restrictions that apply to **your** plan, as shown on **your** membership certificate.

Do you have cover for pre-existing conditions?

When **you** applied for **your** plan **you** may have been asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer - **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this plan. **We** may have offered to cover any **pre-existing conditions**, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your** plan. If **we** have applied any personal exclusion or other restrictions to **your** plan, this will be shown on **your** membership certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** membership certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your** plan. If **you** are unsure about anything in this section, please contact **us** for confirmation before **you** go for **your treatment**.

General Exclusions

The exclusions in this section apply as well as and alongside any personal exclusions and restrictions explained above.

Please note that, should **you** choose to have **treatment** or services with a benefit provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Other rules may apply in respect of covered benefits received from an 'out-of-**network**' benefit provider in certain specific countries.

This section contains rules and information about what pre-authorisation means and how it works.

What pre-authorisation means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** premiums are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** needed
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section)
- the **treatment** is **medically necessary**
- the **treatment** takes place within 31 days after pre-authorisation is given

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**. **We** may require that **you** have a medical examination by an independent **medical practitioner** appointed by **us** (at **our** cost) who will then provide **us** with a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorisation and to **your** claims being paid. If this information is not provided to **us** at all this may result in **your** claims not being paid.

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

We aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a **hospital** or clinic within **network**.

Length of stay (in-patient treatment)

Your pre-authorisation will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorisation.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorised, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission.

Important rules

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** needed, if **you** need to have more **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if other information is withheld or not given to **us** at the time the decision is being made.

We reserve the right to withdraw or amend **our** decision if information is subsequently received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for other

information may be deemed to be indicative of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Making a Claim

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

How to make a claim

Claim forms

Your claim form is important as it gives **us** the information that **we** need to process **your** claim. If it is not fully completed **we** may have to ask for more information. This can delay payment of **your** claim.

You must complete a new claim form:

- for each member
- for each condition
- for each in-patient or day-case stay, and
- If a condition continues over six months, **we** will ask for another claim form to be completed.

What to send us

You need to return the completed form to **us** by post or by email in PDF format, with the invoices and receipts, as soon as possible. This must be within 2 years of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after 2 years will not normally be paid unless there is a good reason why it was not possible for **you** to make the claim earlier. **We** cannot return any original documents but **we** can send **you** copies if **you** request.

Requests for more information

We may need to ask **you** for more information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the **treatment** for which **you** are claiming

- the results of any medical examination performed at **our** expense by an independent **medical practitioner** appointed by **us**
- written confirmation from **you** as to whether **you** think **you** can recover the costs **you** are claiming from another person or insurance company

If **you** do not provide the information that **we** ask for, **we** may not pay **your** claim in full.

Please also read about correspondence in the 'Your membership' section.

Important

When making a claim please note:

- **you** must have received the **treatment** while covered under **your** membership
- payment of **your** claim will be under the terms of **your** membership and up to the benefit levels shown, that apply to **you** at the time **you** receive the **treatment**
- **we** will only pay for **treatment** costs actually incurred by **you**, not deposits or advance invoices or registration/administration fees charged by the provider of **treatment**
- **we** will only pay for **treatment** costs that are **Reasonable and Customary**
- **we** do not return original documents such as invoices, receipts or letters. However, **we** will be pleased to return copies if **you** ask **us** when **you** submit **your** claim.

Fraud prevention and detection

We have the right, where appropriate, to check **your** details with fraud prevention agencies, other insurers and other relevant third parties for the purpose of preventing and detecting false information or fraudulent activity. If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use and search these records to:

- help make decisions about benefit and benefit related services for **you** and members of **your** plan
- help make decisions on other insurance proposals and claims for **you** and members of

your plan/group

- trace debtors, recover debt, prevent fraud and to manage **your** insurance plans
- establish **your** identity
- undertake credit searches and other fraud searches.

Fraudulent Claims

If a claim on the policy is fraudulent in any way, **we** can:

- refuse to pay it and any later claim
- recover any payments **we** have already made for it and for any later claim

What if the policyholder makes a fraudulent claim?

We can cancel the policy. This will be from the date of that claim.

What if a dependant makes a fraudulent claim?

We can cancel their cover. This will be from the date of that claim.

In either case **we** don't have to refund any premium already paid to **us**.

What is an example of a fraudulent claim?

- making a false or exaggerated claim
- giving **us** false information. For example forged, falsified or manipulated documents
- not giving **us** information which **we** need to assess a claim
- refusing to give **us** information which **we** have reasonably asked for to assess a claim. For example, medical history reports, proof of payment and original invoices.

Confirmation of your claim

We will always send confirmation of how **we** have dealt with a claim to the **principal member**.

How your claim will be paid

Who we will pay

We will only make payments to the member who received the **treatment**, the **principal member** of the membership or the executor or administrator of the member's estate.

We will always send confirmation of claim settlement amount to the **principal member**. However, communication relating to a claim for **treatment** relating to a **dependant** aged 16 years and over will be addressed directly to the **dependant**.

Payment method and bank charges

We will make payment by electronic transfer. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

We will instruct **our** bank to recharge the administration fee relating to the cost of making the electronic transfer to **us** but **we** cannot guarantee that these charges will always be passed back for **us** to pay. In the event that **your** local bank makes a charge for a wire transfer **we** will aim to refund this as well. Any other bank charges or fees, such as for currency exchange, are **your** responsibility, unless they are charged as a result of **our** error.

Other claim information

Discretionary payments

We may, in certain situations, make discretionary or 'ex gratia' payments towards **your treatment**. If **we** make any payment on this basis, this will still count towards the overall maximum amount **we** will pay under **your** membership. Making these payments does not oblige **us** to pay them in the future.

We do not have to pay for **treatment** that is not covered by **your** plan, even if **we** have paid an earlier claim for a similar or identical **treatment**.

Incorrect payment of claims

If **we** incorrectly make any payment of **your** claim, **we** reserve the right to deduct the incorrectly paid amount from future claims or seek repayment from **you**.

Claiming for treatment when others are responsible

You must complete the appropriate section of the claim form if **you** are claiming for **treatment** that is needed when someone else is at fault, for example in a road accident in which **you** are a victim. If so, **you** will need to take any reasonable steps **we** ask of **you** to assist **us** to:

- recover from the person at fault (such as through their insurance company) the cost of the **treatment** paid for by **Bupa Malta**, and
- claim interest if **you** are entitled to do so

If any person is to blame for any injury, disease, illness, condition or other event in relation to which **you** receive any covered benefits, **we** may make a claim in **your** name.

You must provide **us** with any assistance **we** reasonably require to help make such a claim, for example:

- providing **us** with any documents or witness statements;
- signing court documents; and
- submitting to a medical examination.

We may exercise **our** rights to bring a claim in **your** name before or after **we** have made any payment under the membership. **You** must not take any action, settle any claim or otherwise do anything which adversely affects **our** rights to bring a claim in **your** name.

Claiming with joint or double insurance

You must complete the appropriate section on the claim form, if **you** have any other insurance cover for the cost of the **treatment** or benefits **you** have claimed from **us**. If **you** do have other insurance cover, this must be disclosed to **us** when claiming, and **we** will only pay **our** share of the cost of the **treatment** or benefits claimed.

Annual Deductibles

Please read this section if **you** have an **annual deductible** on **your** plan.

Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the amount of the **annual deductible**, **you** should still submit a claim to **us**
- this is an **annual deductible**. Therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**

What is an annual deductible?

The **annual deductible** is the total value that **your** covered claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of EUR 500, the total value of **your** covered claims must reach EUR 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. Upon request **we** will send **you** a

statement informing **you** how much is left.

If a covered claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all covered claims in full, up to the benefit limits of **your** plan.

How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- **your** benefit will be paid less the amount of the **annual deductible**
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**

How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- **we** will send payment to the provider for the full amount of the covered claim, without deducting any **annual deductible**
- **we** will then collect any **annual deductible** from **you**

You are responsible for paying the **annual deductible** in all circumstances.

Paying premiums and other charges

All references to '**you**' and '**your**' in this section refer to **you**, the **principal member** only, unless stated otherwise.

Paying premiums

You or in the case of a group, **your** group **sponsor** have to pay premiums to **us** in advance for **you** and **your dependants** throughout **your** membership. The amount **you** have agreed to pay, and the method of payment **you** have chosen are shown on **your** invoice.

Your premiums must be paid in the EUR currency.

Please pay **your** premiums directly to **Bupa Malta**. If **you** pay **your** premiums to anyone else, such as an intermediary or insurance broker, then that person is acting on **your** behalf as **your** intermediary. **Bupa Malta** will not be responsible for any premiums paid to a third party.

Premiums may be collected by **LifeStar Health Limited** who act as agent for **your** insurer for the purpose of receiving and holding premiums, making claims and refunds. These payments are protected by an **agreement** between **Bupa Malta** and Bupa Global Designated Activity Company.

We retain credit/debit card authorisation details to make sure that the policy does not lapse.

If **you** are unable to pay **your** premiums for any reason please contact the customer services helpline.

Paying other charges

The total amount **you** have to pay on **your** invoice is inclusive of any taxes (such as Insurance Premium Tax), charges or levies, applicable within **your** pricing.

These charges will be included within the total that **you** or **your** group **sponsor** have to pay on the invoice. The charges may apply from the "effective date" of **your** membership or **your** annual **renewal date**. Any such charges must be paid to **us** when **you** or **your** group **sponsor** pays premiums, unless otherwise needed by law.

If premiums and other charges are not paid

If **you** or **your** group **sponsor** do not pay premiums and other charges in full by the date they are due, **you** and **your dependant's** membership may be suspended and claims submitted while there are premiums and charges due will not be paid.

Your and **your dependant's** membership may also be suspended if **you** do not settle in full any **annual deductible** payable by **you** for a claim. Claims submitted while repayment of an **annual deductible** is due will not be paid.

Changes to premiums and other charges

Each year on **your renewal date**, **we** may change how **we** calculate **your** premiums, how **we** determine the premiums, what **you** have to pay or the method of payment. Please note that premiums generally rise when **you** renew **your** cover. There are many factors which directly affect premiums, such as age and inflation in the worldwide cost of healthcare.

Any changes that **we** make will only apply from **your renewal date**.

The amount **you** have to pay to **us** in respect of IPT or other taxes, levies or charges, may also change at any time if there is a change in the rate, or if any new tax, levy or charge is introduced in those countries where **we** do business.

If **we** do make any changes to **your** premiums or to other charges, **we** will write to tell **you** about the changes. If **you** do not want to accept them, **you** can end **your** membership without the changes being introduced, provided that **you** do so:

- within 28 days of the date on which the changes take effect, or
- within 28 days of **us** telling **you** about the changes, whichever is later

Please remember that any bank administration charges or fees are **your** responsibility.

Your Membership

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of **Bupa Malta Private Hospital** Plan membership.

When cover starts for others on your membership

If any other person is included as a **dependant** under **your**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you**, the **principal member**, which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If **your**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.

Please note: children joining a child only policy, with no parent or legal guardian, can only join on or after their 5th birthday.

Each child must have their own policy and no other members are permitted.

Renewing your membership

Your membership can be renewed automatically every year on **your renewal date**, depending on acceptance of **our** renewal terms and 'If **we** make changes' in this section, by continuing to pay **your** premiums and any other payments due under **your agreement** with **us**.

If **you**, the **principal member** do not wish to renew **your** membership, **you** must let **us** know in writing as soon as **you** receive **your** renewal documents and prior to **your renewal date**.

If **we** decide to discontinue **your** plan, **you**, the **principal member** may be offered membership of another **Bupa Malta** plan as an alternative. If **you**, the **principal member** transfer within one month, without a break in **your** cover, **we** will not add any special restrictions or exclusions to **your** cover under **your** new plan that are personal to **you**, other than those which apply to **you** under this plan.

Please read 'If **we** make changes' in this section.

Ending your membership

When your membership will end

Your membership will automatically end:

- if **you**, the **principal member** do not pay any of **your** premiums on, or before, the date they are due. However, **we** may allow **your** membership to continue without **you** having to complete a new medical history, if **you**, the **principal member** pay the outstanding premiums in full within 28 days. If **you**, the **principal member** are unable to pay **your** premiums for any reason, please contact the customer service helpline
- if **you**, the **principal member** or **your** group **sponsor** do not pay the amount of any IPT, taxes, levies or charges that **you** have to pay under **your agreement** with **us** on or before the date they are due
- upon the death of the **principal member**. If the **principal member** dies the next named **dependant** on the membership certificate may apply to **Bupa Malta** to become a **principal member** of the plan in his or her own right and include the other **dependants** under their membership. If they apply to do this within 28 days, **Bupa Malta** will, at its discretion, not add any other special restrictions or exclusions to the **dependant's** cover that are personal to them as well as those which applied to the **dependant** under the plan when the **principal member** died
- if the **agreement** between **Bupa Malta** and **your** group **sponsor** is terminated
- if **your** group **sponsor** does not renew **your** membership
- if **your** group **sponsor** does not pay premiums or any other payment due under the **agreement** for **you** or for any other person

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **us** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

How to end your membership (Group plan)

Your group **sponsor** can end **your** membership, or that of any of **your dependants**, by writing or emailing **us**. **Your** group **sponsor** cannot backdate the cancellation of **your** membership.

How to end your membership (individual plan)

You, the **principal member** can end **your** membership, or that of any of **your dependants**, from **your** next renewal by writing to **us**. **You**, the **principal member** cannot backdate the cancellation of **your** membership.

Your right to cancel

You, the **principal member** may cancel **your** membership of the plan for any reason by writing or emailing **us** within 28 days of receiving **your** first membership certificate. In that case **you**, the **principal member** will be entitled to a full refund of all premiums paid, as long as no claims have been made.

You, the **principal member** may also cancel the membership of any of **your dependants** for any reason by contacting **us** within 28 days of receiving **your** first membership certificate that names them as a **dependant**.

In that case **you**, the **principal member** will be entitled to a full refund of all **your** premiums paid relating to them, as long as no claims have been made on their behalf.

Death

Upon death of a **principal member** or a **dependant we** should be notified in writing within 28 days. Their membership will be ended and **we** will refund any premiums paid which relate to a period after it ends if no claims have been filed on their behalf.

Making changes to your cover

Your, the **principal member's**, or **your** group **sponsor's** contract is an annual one, and **you** can therefore only change **your** level of cover from **your renewal date**.

Changing your level of cover

If **you**, the **principal member**, or **your** group **sponsor** want to change **your** level of cover, please contact the customer service helpline before renewal to discuss **your** options.

If **you**, the **principal member**, or group **sponsor** want to increase **your** level of cover **we** will ask **you** to complete a medical history questionnaire form, and/or to agree to certain exclusions or restrictions to **your** cover before **we** accept **your** application.

If **you**, the **principal member**, or group **sponsor** have any concerns about **your** premiums, or if **your** circumstances have changed, please contact **us** so that **we** can try to help.

Adding dependants

You can apply to include other people under **your** membership by filling in an application form. Please contact **us**, and **we** will send one to **you**.

The medical history for all **your dependants you** apply to include on **your** membership, including newborn children over 90 days old, will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions, which are personal to them and which will be shown on **your** membership certificate, or **we** may decline to offer cover.

If we make changes

We may change the benefits and rules of **your** membership on **your renewal date**.

These changes could affect, for example:

- how much **your**, the **principal member's**, or the group **sponsor's** premiums will be
- how often **you**, the **principal member**, or the group's **sponsor** have to pay them

- the cover **you** receive

Please read 'Paying premiums' in the 'Paying premiums and other charges' section.

Any changes **we** make will only apply from **your renewal date**, regardless of when the change is made.

We will not add any personal restrictions or exclusions to someone's cover for medical conditions that started after they joined the plan, provided:

- they gave **us** the information **we** asked them for before joining, and
- they have not applied for an increase in their cover

If **we** do make any changes to **your** plan, **we** will write to tell **you**, the **principal member** about the changes. If **you**, the **principal member** do not want to accept them, **you** can end **your** membership without the changes being introduced, provided that **you** do so:

- within 28 days of the date on which the changes take effect, or
- within 28 days of **us** telling **you** about the changes, whichever is later

Amending your membership certificate

We will send **you**, the **principal member** a new membership certificate if **we** need to record any changes which **you** have requested, or **we** are entitled to make; for example adding a **dependant**, or changing the way **you** pay **your** premiums.

Your new membership certificate will replace any earlier version **you** possess as from the issue date shown on the new membership certificate.

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing.

Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

If you change your correspondence address

Please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Communication between **us** must be sent by post or electronic mail. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices/receipts, **we** can provide copies.

Financial Services Compensation Scheme

We are covered by the Protection and Compensation Fund. In the unlikely event that **we** cannot meet **our** financial obligations, **you** may be entitled to compensation from the Protection and Compensation Fund. This Fund is regulated by the Protection and Compensation Fund Regulations 2003 issued under the Insurance Business Act, Cap 403 of the Laws of Malta.

Applicable law

Your membership is governed by Maltese law. Any dispute that cannot otherwise be resolved will be dealt with by courts in Malta.

If any dispute arises as to interpretation of this document then the English version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document. This can be obtained at all times by contacting the customer services helpline.

Provision of accurate and complete information

You and any **dependant** must take reasonable care to make sure that all facts and information that **you** (or anyone acting on **your** or their behalf) provide to **us** are accurate and complete at the time **you** take out this plan and at each renewal, extension and variation of this plan.

A. If **you** or any **dependant** (or anyone acting on **your** or their behalf) :

- deliberately or recklessly give **us** inaccurate or incomplete information; and/or
- do not take reasonable care to give **us** accurate and complete information in circumstances where **we** would not have issued, renewed, extended or varied this plan to **you** at all, had **we** known about such information,

then **we** reserve the right:

- where it is **you** or someone acting on **your** behalf who has failed to comply with the obligations above, to avoid this plan - this means that **we** will treat it as if it had not existed from the start date, **renewal date** or the date that any changes were made to the plan, as the case may be;
- where it is a **dependant** or someone acting on their behalf who has failed to comply with the obligations above, to avoid that part of this plan which applies to the **dependant** - this means that **we** will treat it as if the **dependant** was not covered by this plan from the start date, **renewal date** or the date that any changes were made to the plan, as the case may be.

B. Where A. above does not apply and **you** (or someone acting on **your** behalf) has failed to exercise reasonable care in providing **us** with information, **we** may refuse to pay all or part of a claim:

- if **we** would have provided cover to **you** on different terms, had **we** been provided with accurate and complete information, then this plan will be treated as if it had contained such term - in such circumstances, **we** will only pay a claim if the claim would have been covered by

a plan containing the different terms that **we** would have applied; and

- if **we** would have provided **you** with cover under this plan at a higher premium, the amount payable on any claim will be reduced proportionally, based on the amount of premium that **we** would have charged. For example, **we** will only pay half of the claim, if **we** would have charged double the premium.

Where A. above does not apply and a **dependant** (or someone acting on their behalf) has failed to exercise reasonable care in providing **us** with information **we** may refuse to pay all or part of a claim for **treatment** received by that **dependant**:

- if **we** would have provided cover for the **dependant** on different terms, had **we** been provided with accurate and complete information, then this plan will be treated as if it had contained such terms - in such circumstances, **we** will only pay a claim if the claim would have been covered by a plan containing the different terms that **we** would have applied; and
- if **we** would have provided the **dependant** with cover under this plan at a higher premium, the amount payable on any claim will be reduced proportionally, based on the amount of premium that **we** would have charged. For example, **we** will only pay half of the claim, if **we** would have charged double the premium.

We may alternatively add new personal restrictions or exclusions to **your** plan for **you** or any **dependant**. **We** will not add any personal restrictions or exclusions to **your** cover, for any disease, illness or injury that started after **you** or the applicable **dependant** joined the plan as long as **you**:

- gave **us** all the information **we** asked for before **you** or the applicable **dependant** joined, and
- have not applied to add any new options to **your** cover.

We reserve the right to withdraw or amend **our** decision if information is withheld, or not given to **us** at the time the decision is being made. **We** reserve the right to withdraw or amend **our** decision if information is subsequently received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for other information may be deemed to be indicative of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Liability

Our role under this policy is to provide **you** with insurance cover and sometimes to make arrangements (on **your** behalf) for **you** to receive any covered benefits. It is not **our** role to provide **you** with the actual covered benefits.

You the **principal member**, on behalf of yourself and the **dependants**, appoint **us** to act as agent for **you**, to make appointments or arrangements for **you** to receive covered benefits which **you** request. **We** will use reasonable care when acting as **your** agent.

We (and **our** Bupa group of companies and administrators) shall not be liable to **you** or anyone else for any loss, damage, illness and/or injury that may occur as a result of **you** receiving any covered benefits, nor for any action or failure to act of any benefits provider or other person providing **you** with any covered benefits. **You** should be able to bring a claim directly against such benefits provider or other person.
