Choose your cover

Each member to be included on this plan automatically receives cover for Worldwide Medical Insurance, our core cover.

Please tick the options you wish to add for you and any additional people.

Worldwide Medical Insurance gives you the reassurance of covering essential hospital treatment you may need, whether in an emergency or a planned visit. Surgery, cancer treatment and advanced imaging, whether received whilst staying in hospital or as a visiting patient, are also included.

| | M | 1 | 2 | 3 | 4 |
|--|-----------|-------------|-------------|-----------|----|
| Worldwide Medical Plus: For specialist treatment where you do not need to stay in hospital. | | | | | |
| Worldwide Medical Plus covers you for consultations with a doctor or specialist and medical treatments that do not require a hospital stay. These may include osteopathy or complementary therapies, for example. Some of these treatments or consultations may take place before or after a hospital stay, but many will be totally independent. | | | | | |
| Worldwide Medicines and Equipment: For prescribed medicines and medical equipment. | | | | | |
| Often, treatment does not end when you leave the hospital or clinic or after you have seen a specialist. This option covers you for prescription medicines and the rental of medical appliances, such as oxygen supplies or wheelchairs. Our unique benefit for long-term prescriptions will also pay for any medicine required to manage chronic conditions such as asthma. | | | | | |
| Worldwide Wellbeing: For a range of health screenings, vaccinations, dental and optical treatment. | | | | | |
| Our Wellbeing option is designed to help you protect and maintain your health. It covers medical screenings that can provide valuable early detection of conditions such as cancer. It covers dental and optical treatments, which can play an important role in keeping you healthy by identifying underlying problems such as mouth cancer or diabetes. | | | | | |
| Worldwide Evacuation: For when you can't get the treatment you need in a local hospital. | | | | | |
| The Worldwide Evacuation option covers you for reasonable transport costs to the nearest appropriate place of treatment, when the treatment you need is not available nearby. Repatriation, which is also included, gives you the added option of returning to your home country or specified country of nationality, to be treated in familiar surroundings. | | | | | |
| Cover for pre-existing conditions: | | | | | |
| If you have a pre-existing medical condition, this option could provide you with the opportunity to be covered for it. If you would like to find out if we can cover you and to obtain a quote, please tick here. If your plan includes cover for pre-existing conditions, this cover does not apply in the U.S. | | | | | |
| U.S. Cover: | | | | | |
| We understand that many people do not need medical insurance for the U.S., so you can choose whether you want to include it. Unfortunately, we cannot offer Bupa Global Worldwide Health Options to anyone who is normally resident in the U.S. This cover will increase your premium. | | | | | |

1. Scope of our privacy notice

This privacy notice applies to anyone who interacts with us in relation to our products and services ("you", "your"), in any way (for example email, website, telephone, app).

2. Ways in which we obtain personal information

We collect personal information from you and from certain third parties (for example those acting on your behalf, like brokers, healthcare providers and so on). If you give us information about other people, you must make sure that they have seen a copy of this privacy notice and are comfortable with you giving us their information.

3. Categories of personal information

We process the following categories of personal information about you and, if it applies, your dependants. This is standard personal information (for example information we use to contact you, identify you or manage our relationship with you), special categories of information (for example health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks or other background screening activity).

4. Purposes and lawful grounds of our processing personal information

We process your personal information for the purposes set out in our full privacy notice, including to deal with our relationship with you (including for claims and complaints handling), for research and analysis, to monitor our expectations of performance (including of health providers relevant to you) and to protect our rights, property, or safety, or that of our customers, or others. The legal reason we process personal information depends on what category of personal information we process. We normally process standard personal information on the basis that it is necessary so we can perform a contract, for our or others' legitimate interests or it is needed or allowed by applicable law. We process special categories of information because it is necessary for an insurance purpose, because we have your permission or as described in our full privacy notice. We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

6. Processing for Profiling and Automated Decision Making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will be of interest (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

7. Sharing your information

We share your information within the Bupa Group, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example brokers and other intermediaries) and with others who help us provide services to you (for example healthcare providers) or who we need information from to handle or check claims or entitlements (for example professional associations). We also share your information in accordance with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

If you have been introduced by an intermediary

Where applicable, we will deduct a fee from each subscription payment received from you and pass this onto your intermediary on your behalf. For the avoidance of doubt, your consent to make payment of intermediary's fees does not affect the amount of any premiums payable by you, which would remain the same whether or not you had approached us directly or not.
