WELCOME TO THE NEXT CHAPTER OF GLOBAL HEALTHCARE

We have never wanted to be the same as the rest. That's why more than 3,000 globally minded people were asked to help create our range of global health plans.

The simple tiered range brings the same great service expected, but it's more than just insurance. We also focus on our members' all-round health through a number of wellness services included.

So whether in times when you need us most, like when you're ill or facing a serious health condition, or when you're healthy, we'll be there.

With us, you're a truly private patient, enjoying direct access to specialist care without having to wait for a referral. You're not limited to medical providers local to you either. An international network of leading specialists allows you to choose when and where you receive treatment within your area of cover.

TWO OF THE BIGGEST, MOST TRUSTED NAMES IN GLOBAL HEALTHCARE

Bupa Global and Blue Cross Blue Shield Global have teamed up to deliver high quality healthcare products and services. This combined strength, scale and expertise means members can be confident that they have access to quality healthcare when and where they need it.
