# NEED TREATMENT?

We want to make sure everything runs as smoothly as possible when **you** need **treatment**, so we help take care of the practicalities so **you** can focus on getting better.

If **you** contact **us** before going for **treatment**, **we** can explain **your** benefits and confirm that **your treatment** is covered by **your health plan**. If needed **we** can also help with suggesting **hospitals**, clinics and **doctors** and offer any help or advice **you** may need.

In cases where **you** need **hospital treatment**, contacting **us** also gives **us** an opportunity to contact **your hospital** or clinic and make sure they have everything they need to go ahead with **your treatment**. If possible **we** will arrange to pay them directly too.

We would like to make **you** aware that there are certain benefits for which **you** must receive pre-authorization. These are detailed in **your** 'Table of benefits'. Benefits may not be paid unless pre-authorization has been provided.

## The pre-authorization process

**You** can pre-authorise **your treatment** by phone or email. Once **we** have the necessary details, **we** send a pre-authorization statement to **your hospital** or clinic.

We also send **you** a pre-authorization statement. This can be used as a claim form to send back to **us** if **you** receive any invoices or are asked to pay for any aspect of **your treatment** yourself. More detail is provided on the claims process on the next page.

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**.

## Remember we can offer a second medical opinion service

The solution to health problems isn't always black and white. That's why **we** offer **you** the opportunity to get another opinion from an independent world-class **specialist**.

## Pre-authorization complete and now going for treatment?

Always remember to keep **your** insurance cards with **you** and present the appropriate card to **your benefits provider** when **you** arrive.

## Our approach to costs

When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **Recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a summary of **benefits providers** on Facilities Finder at [bupaglobal.com/en/facilities/finder](http://bupaglobal.com/en/facilities/finder). Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, **we** will cover all eligible costs of any **covered benefits**, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-network' **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an 'out-of-network' **benefits provider**:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-network' **benefits provider**;
- **we** cannot control what amount **your** chosen 'out-of-network' **benefits provider** will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**. If this happens, **we** will cover eligible costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been deducted).

If **you** are taken to an 'out-of-network' **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **Reasonable and Customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been deducted).

Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain countries.

These charge levels may be governed by guidelines published by relevant government or official medical bodies in the particular geographical region, or may be determined by **our** experience of usual, and most common, charges in that region.

# HOW TO CLAIM

Whether **you** choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. Some benefits need to be pre-authorized by **us** so make sure to check **your** 'Table of benefits' and the 'Need **treatment**' section of this **guide** or call **your** personal service team.

**We** may sometimes ask for further medical information to be able to process **your** claim.

This is a summary, please refer to **your** 'Table of benefits', 'Terms and Conditions' and insurance certificate for full details on how to claim.

If you need assistance with a claim call us on  
**+44 (0) 1273 718 349**  
 or go online at  
**bupaglobal.com/membersworld**

These details can also be found on your  
**insurance card.**

# WANT TO ADD MORE PEOPLE TO YOUR HEALTH PLAN?

**You** can apply to include **dependants**, including newborn children, to this **health plan** by filling in an application form. **You** can download this easily from [bupaglobal.com/membersworld](http://bupaglobal.com/membersworld). Or **you** can contact **us** and **we** will send one to **you**.

It is possible to add dependants on to a different health plan.

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or **we** may decline to offer cover. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** insurance certificate.

#### Children covered at no additional cost

With **your** Ultimate Global **Health plan** up to two children, per insured parent or insured legal guardian, who are under 16 years of age, can be insured at no additional cost subject to underwriting. The child being added must reside at the same address as the parent or guardian who is insured and who has legal custody of the child.

#### Adding your newborn child?

Congratulations on **your** new arrival!

**Your** newborn can be included on this plan from birth without completing an application form and will be covered regardless of any health conditions when:

- o at least one parent has been covered on this **health plan** for 10 months or more prior to the child's birth, and
- o a copy of the birth certificate is submitted within 30 days of the birth

**We** will request a fully completed application form if:

- o the birth certificate is not submitted within 30 days as indicated above
- o neither parent has been covered on this **health plan** for 10 months or more prior to the child's birth
- o none of the adults on this **health plan** are the child's parents
- o the child is born as a result of **Assisted Reproduction Technologies, ovulation induction treatment**, adopted or born to a surrogate

In these cases where **you** have to submit an application form for the newborn child, the process described for adding a **dependant** will be followed.

If there are any changes to the information **you** provided in the application form after **you** or **your dependants** sign it and before **we** accept the application, please let **us** know straight away.

# YOUR HEALTH PLAN BENEFITS

The 'Table of benefits' provides an explanation of what is covered on **your health plan** and any associated limits.

## Benefit limits

There are two kinds of benefit limits shown in this table:

1. Annual limits for a group of benefits – the maximum amount **we** will pay in total for all of the benefits in that group, such as Dental **treatment** and Hearing aid/Optical.
2. Individual benefit limits – the maximum amount **we** will pay for individual benefits such as Health screening.

All benefit limits apply per person. Some apply each **policy year**, which means that once a limit has been reached, the benefit will no longer be available until **you** renew **your health plan**. Others apply per lifetime, which means that once a limit has been reached, no further benefits will be paid, regardless of the **renewal** of **your health plan**.

## Currencies

All the benefit limits and notes are set out in three currencies: GBP, EUR and USD. The currency in which **you** pay **your** premium is the currency that applies to **your health plan** for the purpose of the benefit limits.

## Waiting periods

**You** will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated.

# YOUR EXCLUSIONS

In the 'General exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. In addition to these **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** insurance certificate.

## Do you have cover for pre-existing conditions?

When **you** applied for **your health plan** you were asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – **we** call these **pre-existing conditions**.

**Our** medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, possibly for an extra premium, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your health plan**. If **we** have applied any personal exclusion or other restrictions to **your health plan**, this will be shown on **your** insurance certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** insurance certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your health plan**.

## General exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** insurance certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note: **our** global **health plans** are non-US insurance products and accordingly are not designed to meet the requirements of the US Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those US taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain specific countries.

# TERMS AND CONDITIONS

No	CLAUSE
1.	<b>Your policy</b>
1.1	The definitions set out in the "Glossary" in the Guide to <b>your Bupa Global Health Plan</b> apply to these Terms and Conditions and are marked in bold.
1.2	This <b>policy</b> is an insurance contract between <b>you the policyholder</b> and <b>Bupa Global</b> for each <b>policy year</b> . If the <b>policy</b> is renewed a new insurance contract is formed on the same terms as the previous <b>policy year</b> but with a new premium and any amendments <b>we</b> have notified <b>you the policyholder</b> of at the time of <b>renewal</b> .
1.3	No other persons, including any <b>dependants</b> , may enforce any legal rights under this insurance contract. <b>Dependants</b> may use <b>our</b> complaints process set out in clause 15 below.
1.4	This insurance contract is set out in: <ul style="list-style-type: none"> <li>◦ these Terms and Conditions;</li> <li>◦ the Guide to <b>your Bupa Global health plan</b>;</li> <li>◦ the information and declarations in <b>your</b> application form; and</li> <li>◦ the insurance certificate.</li> </ul>
1.5	If <b>you the policyholder</b> add <b>dependants</b> to this <b>policy</b> , those <b>dependants</b> will be covered by this <b>policy</b> from the date shown on the updated insurance certificate sent to <b>you the policyholder</b> .
2.	<b>Your cover</b>
2.1	<b>We</b> will pay for the cost of any <b>covered benefits</b> in accordance with the terms of this <b>policy</b> .
2.2	<b>Your health plan</b> may include a mandatory annual deductible, which will be shown in the Guide to <b>your Bupa Global health plan</b> . <b>You</b> may also have an optional annual deductible, if available and selected by <b>you the policyholder</b> in <b>your</b> application form. <b>Your</b> deductibles will be shown on <b>your</b> insurance certificate and <b>your</b> insurance card.  All annual deductibles apply to <b>you the policyholder</b> and each of the <b>dependants</b> separately. <b>You the policyholder</b> and each <b>dependant</b> may have different annual deductible amounts. <b>You</b> will have a new annual deductible if this <b>policy</b> renews.  If an annual deductible applies, <b>you</b> must pay the cost of any <b>covered benefits</b> received directly to the provider until <b>you</b> have reached the level of <b>your</b> annual deductible.  Costs in excess of the maximums shown in the Guide to <b>your Bupa Global health plan</b> will not count towards <b>your</b> annual deductible.  The cost of any <b>covered benefits</b> <b>you</b> receive which are covered by <b>your</b> annual deductible (excluding costs in excess of the maximums shown in the Guide to <b>your Bupa Global health plan</b> ), count towards the maximum cover limits shown in the Guide to <b>your Bupa Global health plan</b> .  Even if the amount <b>you</b> are claiming is less than the amount of <b>your</b> annual deductible, <b>you</b> should still submit a claim to <b>us</b> so <b>we</b> know when <b>you</b> have reached the level of <b>your</b> annual deductible.  As this is an annual deductible, if <b>your</b> first claim is towards the end of the <b>policy year</b> and <b>your covered benefits</b> continue over <b>your renewal</b> date, the annual deductible is payable separately for the <b>covered benefits</b> received in each <b>policy year</b> .
2.3	<b>Your health plan</b> may include a mandatory co-insurance, which will be shown in the Guide to <b>your Bupa Global health plan</b> . <b>You</b> may also have an optional co-insurance, if available and selected by <b>you the policyholder</b> in <b>your</b> application form. <b>Your</b> co-insurance will be shown on <b>your</b> insurance certificate and <b>your</b> insurance card.  <b>You</b> must pay for the co-insurance proportion of the cost of any <b>covered benefits</b> to which the co-insurance applies directly to the <b>benefits provider</b> .

No	CLAUSE
2.4	Should <b>we</b> be required for any reason to pay a <b>benefits provider</b> an amount which is covered by any annual deductible or co-insurance <b>we</b> will then collect payment from <b>you</b> for that amount.  <b>You</b> authorise <b>us</b> to take this payment from <b>you</b> under the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> in <b>your</b> application form or as updated.  If this <b>policy</b> has an annual deductible or co-insurance <b>you</b> must ensure that <b>we</b> always have a valid direct debit agreement or credit card authority that enables <b>us</b> to take payment of any annual deductible or co-insurance <b>we</b> have paid.  <b>You</b> must update the direct debit agreement or credit card authority <b>you</b> have given to <b>us</b> when necessary or when requested by <b>us</b> . Otherwise it may cause delays in <b>our</b> paying claims. <b>We</b> will not pay claims until <b>we</b> have received any outstanding annual deductible or co-insurance payments.
2.5	<b>You</b> must obtain pre-authorization for any <b>covered benefits</b> where it is stated that this is required in the Guide to <b>your Bupa Global health plan</b> . Subsequent pre-authorization should be obtained if <b>you</b> do not start receiving those <b>covered benefits</b> within 31 days of the original pre-authorization.  Details of how to pre-authorise <b>covered benefits</b> are available in the Guide to <b>your Bupa Global health plan</b> .
2.6	Before <b>we</b> pre-authorise any <b>covered benefits</b> or pay any claim, <b>we</b> are entitled to request additional information, such as medical reports, and <b>we</b> may require that <b>you</b> have a medical examination by an independent <b>medical practitioner</b> appointed by <b>us</b> (at <b>our</b> cost) who will then provide <b>us</b> with a medical report.  If this information is not provided in a timely manner once requested this may result in a delay in pre-authorization and to <b>your</b> claims being paid. If this information is not provided to <b>us</b> at all this may result in <b>your</b> claims not being paid.
2.7	In certain situations <b>we</b> may pay for medical services or benefits which are not covered by this <b>policy</b> . This is called a discretionary or ex gratia payment and may include, should <b>we</b> determine not to seek to recover it, a payment made at <b>our</b> error. Any payment that <b>we</b> may make on this basis will still count towards the overall annual maximum limit that applies to this <b>policy</b> . If <b>we</b> make a payment like this it does not mean that <b>we</b> are required to pay identical or similar costs in the future.
3.	<b>Premium and Payment</b>
3.1	<b>You</b> should pay <b>your</b> premiums direct to <b>Bupa Global</b> . If <b>you</b> pay <b>your</b> premiums to anyone else, such as an intermediary or insurance broker, <b>we</b> are not responsible for ensuring those persons pass the premium on to <b>us</b> .  Subscriptions are collected by <b>Bupa Insurance Services Limited</b> who act as <b>our</b> agent for the purpose of receiving and holding premiums, making claims and refunds. <b>Your</b> subscriptions are protected by an agreement between <b>us</b> and <b>Bupa Insurance Services Limited</b> . The amount and method of payment is shown in <b>your</b> insurance certificate.
3.2	If <b>we</b> do not receive <b>your</b> premium (or any instalment) or any other payment <b>you</b> owe <b>us</b> under this <b>policy</b> by the due date, <b>we</b> will write to <b>you the policyholder</b> requesting payment by a specific date, which will be not less than 30 days after the date <b>we</b> issue <b>our</b> letter or email to <b>you</b> .  If <b>we</b> do not receive payment by that date, this <b>policy</b> will be cancelled and all rights under this <b>policy</b> will cease from the original date on which <b>your</b> premium (or the first missed instalment) or other payment should have been received.  <b>We</b> will not pay any claims until all overdue payments have been paid, unless the reason for non-payment is an error outside of <b>your</b> control, such as a bank error.
3.3	If <b>we</b> incorrectly make any payment to either a <b>benefits provider</b> for <b>treatment</b> or benefits received by <b>you</b> but not covered by this <b>policy</b> , or to <b>you</b> , <b>we</b> reserve the right to deduct the amount <b>we</b> incorrectly paid from <b>your</b> future claims or seek repayment from <b>you</b> .
4.	<b>Where another person has caused your condition or you hold other insurance cover</b>
4.1	If any person is to blame for any injury, disease, illness, condition or other event in relation to which <b>you</b> receive any <b>covered benefits</b> , <b>we</b> may make a claim in <b>your</b> name.  <b>You</b> must provide <b>us</b> with any assistance <b>we</b> reasonably require to help make such a claim, for example: <ul style="list-style-type: none"> <li>◦ providing <b>us</b> with any documents or witness statements;</li> <li>◦ signing court documents; and</li> <li>◦ submitting to a medical examination.</li> </ul> <b>We</b> may exercise <b>our</b> rights to bring a claim in <b>your</b> name before or after <b>we</b> have made any payment under the <b>policy</b> .  <b>You</b> must not take any action, settle any claim or otherwise do anything which adversely affects <b>our</b> rights to bring a claim in <b>your</b> name.

No	CLAUSE
4.2	If <b>you</b> have other insurance which also covers <b>your covered benefits you</b> must let <b>us</b> know and provide details of the other insurance company, including on pre-authorisation and when making a claim. <b>We</b> will only pay for <b>our</b> share of the cost of any <b>covered benefits</b> .
5.	<b>Making a claim</b>
5.1	<b>We</b> aim to pay the <b>benefits provider</b> directly for any <b>covered benefits</b> covered by this <b>policy</b> whenever possible. Otherwise <b>you</b> must pay the <b>benefits provider</b> and then send a completed claim form to <b>us</b> , with copies of all valid invoices, relevant letters and other documents relating to the <b>covered benefits you</b> are claiming for. Where requested, original invoices must be provided to <b>us</b> . <b>We</b> are not obliged to pay for any <b>covered benefits</b> if the claim form is received by <b>us</b> more than 2 years after the <b>covered benefits</b> were provided to <b>you</b> , unless there is a good reason why it was not possible for <b>you</b> to make the claim earlier. <b>We</b> cannot return any original documents, but <b>we</b> can send <b>you</b> copies if <b>you</b> request.
5.2	Where <b>you</b> have paid the <b>benefits provider</b> and <b>you</b> have made a valid claim, <b>we</b> will pay <b>you the policyholder</b> . <b>We</b> may pay a <b>dependant</b> only where the <b>dependant</b> received the <b>covered benefits</b> , they are over 18 and <b>we</b> have their current bank details. <b>We</b> only pay by electronic transfer direct to <b>your</b> bank account or by cheque payable to <b>you</b> . <b>We</b> pay the administration costs for making electronic transfers. If <b>your</b> local bank charges <b>you</b> an administration fee, <b>we</b> will refund <b>you</b> on receipt of proof <b>you</b> have paid such fees. All other bank charges or fees, such as currency exchange, are <b>your</b> responsibility, unless <b>you</b> are charged because <b>we</b> made a mistake.
5.3	<b>We</b> will only pay <b>you</b> in the currency in which <b>you</b> pay <b>your</b> premium, the currency of the invoices <b>you</b> send <b>us</b> or the currency of <b>your</b> bank account. Sometimes, international banking regulations do not allow <b>us</b> to make a payment in the currency <b>you</b> have asked for. If this is the case <b>we</b> will send a payment in the currency of <b>your</b> premium. Where payment to <b>you</b> in the usual currency may expose <b>us</b> (or <b>our Bupa group of companies and administrators</b> ) to any sanction, prohibition or restriction under the laws of any relevant jurisdiction and/or United Nations resolution, <b>we</b> reserve discretion to pay <b>you</b> in such other currency as <b>we</b> are permitted and able to make payment in, if any such payment is permitted to be made. If <b>we</b> convert one currency to another, the exchange rate <b>we</b> use will be Reuters closing spot rate set at 16.00 <b>UK</b> time on the <b>UK</b> working day preceding the invoice date. If there is no invoice date, <b>we</b> will use the date of <b>your treatment</b> .
5.4	<b>We</b> will not provide cover nor pay claims under this <b>policy</b> if <b>our</b> obligations (or the obligations of <b>our Bupa group of companies and administrators</b> ), under the laws of any relevant jurisdiction, including the <b>United Kingdom</b> , European Union, the United States of America, or international law, prevent <b>us</b> from doing so. <b>We</b> will normally tell <b>you</b> if this is the case unless this would be unlawful or would compromise <b>our</b> reasonable security measures.
6.	<b>Renewal</b>
6.1	<b>We</b> will write to let <b>you</b> know if this <b>policy</b> will renew for the next year in advance of the <b>renewal</b> date. Each <b>policy year we</b> may change how <b>we</b> calculate <b>your</b> premiums, how <b>we</b> determine premiums, what <b>you</b> have to pay and the method of payment. <b>We</b> may also change the Guide to <b>your Bupa Global health plan</b> (including which <b>covered benefits</b> are covered and the limits for <b>covered benefits</b> ) and the terms this <b>policy</b> . <b>We</b> will issue <b>you</b> a notice at least 30 days in advance of the <b>renewal</b> date, with details of the new premium, any changes to the renewed <b>policy</b> and the reasons for those changes. If <b>you</b> do not want to renew this <b>policy you</b> must contact <b>us</b> within 30 days following the start of the renewed <b>policy</b> . Unless <b>you</b> contact <b>us</b> to tell <b>us</b> not to, <b>we</b> will continue to take payment of the new premium using the payment details <b>you</b> have given <b>us</b> .
6.2	<b>We</b> reserve the right not to renew this <b>policy</b> at <b>our</b> discretion for any reason. If so, <b>we</b> will issue <b>you</b> a notice at least 30 days before the end of the <b>policy year</b> .
6.3	If <b>we</b> decide to renew this <b>policy</b> , <b>we</b> won't add any new personal restrictions or exclusions (those that appear on <b>your</b> insurance certificate) to <b>your</b> renewed <b>policy</b> . However, should <b>you</b> move to a different <b>health plan</b> , <b>we</b> may add new personal restrictions or exclusions.
7.	<b>Changes to your policy</b>
7.1	Except where expressly stated in this clause 7, only <b>we</b> and <b>you the policyholder</b> can agree to make changes to this <b>policy</b> . No changes will be valid unless they are confirmed in writing by <b>us</b> .

No	CLAUSE
7.2	If <b>you</b> ask to add a new <b>dependant</b> to this <b>policy</b> , <b>we</b> will review that person's medical history. <b>We</b> may not agree to add the person to this <b>policy</b> , or <b>we</b> may add special restrictions or exclusions to the cover for that new <b>dependant</b> . <b>We</b> may, at <b>our</b> discretion, agree to provide cover for certain <b>pre-existing conditions</b> of the new <b>dependant</b> . <b>You</b> must pay any additional premium. Children may be added without medical history or additional premium being required where this is provided for (and is in accordance with any relevant requirements) in <b>your</b> Guide to <b>your Bupa Global health plan</b> .
7.3	As this is an annual <b>policy</b> , <b>you</b> may only change <b>your Health Plan on renewal</b> . If <b>you</b> do change <b>your health plan on renewal</b> , any existing waiting periods (which will be shown in the Guide to <b>your Bupa Global health plan</b> ) would not re-start.
7.4	<b>We</b> may make changes to the <b>policy</b> part way through the <b>policy year</b> , but only if there is a legal or regulatory requirement to do so or where changes are made for all <b>our</b> customers with the same <b>health plan</b> to improve the cover they receive from <b>us</b> . If <b>we</b> do, <b>we</b> will write to tell <b>you</b> about the changes, in advance where possible.
7.5	<b>We</b> may terminate this <b>policy</b> immediately, if <b>we</b> reasonably consider that by continuing this <b>policy we</b> or <b>you</b> may break any law, regulation, code or court order. This <b>policy</b> does not provide cover to the extent that such cover would expose <b>us</b> (or <b>our Bupa group of companies and administrators</b> ) to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanction, laws or regulations of the European Union, <b>United Kingdom</b> or United States of America.
8.	<b>Your country of residence</b>
8.1	<b>You</b> must tell <b>us</b> straight away if <b>you</b> move to a different country or <b>your specified country of residence</b> or <b>specified country of nationality</b> changes. This <b>policy</b> will terminate if the law of the country in which <b>you</b> are located, or <b>your</b> country of residence or nationality, or any other law which applies to <b>us</b> or this <b>policy</b> , prohibits the provision of healthcare cover by <b>us</b> to local nationals, residents or citizens. Without limitation to the foregoing, <b>we</b> will not be able to renew <b>your health plan</b> at the next <b>policy renewal</b> if <b>you</b> become a permanent resident of the USA, and, if any additional people covered under <b>your policy</b> become a resident of the USA, <b>we</b> will not be able to renew their cover under their <b>health plan</b> at the next <b>policy renewal</b> date. 'Permanent resident' shall mean a person residing in the USA who is a citizen of or who is permitted under applicable laws to live and work, on a permanent basis, in the USA, and 'USA' shall include the Commonwealth of Puerto Rico for this purpose.
8.2	<b>You</b> must tell <b>us</b> straight away if <b>you</b> change <b>your</b> correspondence address or other contact details as <b>we</b> will use the last address and contact details <b>you</b> gave <b>us</b> until <b>you</b> tell <b>us</b> otherwise.
9.	<b>Ending this policy</b>
9.1	<b>You the policyholder</b> can choose to cancel this <b>policy</b> (which would also end the cover for all of <b>your dependants</b> ), or remove any of <b>your dependants</b> from <b>your</b> cover, at any time, by telephoning or emailing <b>us</b> . Cancellation of <b>your policy</b> , or the removal of <b>dependant(s)</b> from cover, will take effect from the 1st day of the following month from <b>you the policyholder</b> notifying <b>us</b> of the request. <b>We</b> will not back-date any requests for termination, or the removal of <b>dependants</b> from cover. Claims relating to <b>treatment</b> or benefits taking place following the date of cancellation will not be payable.

Where a claim has been made in respect of the initial 30 day period, <b>you the policyholder</b> will be deemed to have affirmed the <b>policy</b> and the cancellation will be treated as a cancellation made during the <b>policy year</b> (see below).</p> <p>If <b>you the policyholder</b> choose to cancel the cover of a <b>dependant</b> within 30 days of receiving the first insurance certificate for the <b>policy year</b> which names that <b>dependant</b> on the <b>policy</b>, and no claims have been made in respect that <b>dependant</b> for the initial 30 day period, <b>we</b> will make a full refund to <b>you the policyholder</b> of all premium paid in respect of that <b>dependant</b> for that <b>policy year</b>. 10.	<b>Our role under this policy and appointment as your agent</b>
10.1	<b>Our</b> role under this <b>policy</b> is to provide <b>you</b> with insurance cover and sometimes to make arrangements (on <b>your</b> behalf) for <b>you</b> to receive any <b>covered benefits</b> . It is not <b>our</b> role to provide <b>you</b> with the actual <b>covered benefits</b> .
10.2	<b>You the policyholder</b> , on behalf of yourself and the <b>dependants</b> , appoint <b>us</b> to act as agent for <b>you</b> , to make appointments or arrangements for <b>you</b> to receive <b>covered benefits</b> which <b>you</b> request. <b>We</b> will use reasonable care when acting as <b>your</b> agent.
10.3	<b>You the policyholder</b> , on behalf of yourself and the <b>dependants</b> , authorise <b>us</b> as <b>your</b> agent, if for any reason <b>you</b> are not available to give <b>us</b> instructions with regard to any <b>covered benefits</b> (for example if <b>you</b> are incapacitated), to: take such action as <b>we</b> reasonably consider to be in <b>your</b> best interests (in accordance with the cover <b>you</b> have under this <b>policy</b> ); provide any information about <b>you</b> to <b>your benefits provider</b> as <b>we</b> reasonably consider to be appropriate in the circumstances; and/or take instructions from the person <b>we</b> reasonably consider to be the most appropriate person (for example a <b>family member</b> , <b>your</b> treating <b>doctor</b> or <b>your</b> employer).
10.4	When acting as <b>your</b> agent <b>we</b> may act via <b>our Bupa group of companies and administrators</b> .

No	CLAUSE
11.	<b>Our liability to you</b>
11.1	<b>We</b> (and <b>our Bupa group of companies and administrators</b> ) shall not be liable to <b>you</b> or anyone else for any loss, damage, illness and/or injury that may occur as a result of <b>your</b> receiving any <b>covered benefits</b> , nor for any action or failure to act of any <b>benefits provider</b> or other person providing <b>you</b> with any <b>covered benefits</b> . <b>You</b> should be able to bring a claim directly against such <b>benefits provider</b> or other person.
11.2	<b>Your</b> statutory rights are not affected.
12.	<b>Fraudulent Claims</b>
12.1	In this clause 12, where <b>we</b> refer to ' <b>you</b> ' or ' <b>you the policyholder</b> ' this includes anyone acting on <b>your</b> behalf, where <b>we</b> refer to ' <b>dependant</b> ' this includes anyone acting on behalf of any <b>dependant</b> .
12.2	<b>You the policyholder</b> and any <b>dependant</b> must: <ul style="list-style-type: none"> <li>not make a fraudulent or exaggerated or falsely stated claim under this <b>policy</b>;</li> <li>not send <b>us</b> fake or forged documents or other false evidence, or make a false statement in support of a claim; and/or</li> <li>provide <b>us</b> with information which <b>you the policyholder</b> or any <b>dependant</b> knows would otherwise enable <b>us</b> to refuse to pay a claim under this <b>policy</b>.</li> </ul>
12.3	In the event of failure to comply with clause 12.2 above, <b>we</b> reserve the right to: <ul style="list-style-type: none"> <li>refuse to pay the whole of the claim; and/or</li> <li>recover any payments <b>we</b> have already made in respect of the claim.</li> </ul> <p>In addition, if <b>you the policyholder</b> breach clause 12.2 then <b>we</b> reserve the right to notify <b>you the policyholder</b> that this <b>policy</b> has terminated from the date of the breach of clause 12.2, and not refund any premium for the <b>policy</b>.</p> <p>If only a particular <b>dependant</b> has breached clause 12.2 then <b>we</b> reserve the right to notify <b>you the policyholder</b> that the cover under this <b>policy</b> for that particular <b>dependant</b> has terminated from the date of the breach of clause 12.2 above, and not refund any premium for that cover under the <b>policy</b>.</p>
13.	<b>Provision of accurate and complete information</b>
13.1	In this clause 13, where <b>we</b> refer to ' <b>you</b> ' or ' <b>you the policyholder</b> ' this includes anyone acting on <b>your</b> behalf, where <b>we</b> refer to any ' <b>dependant</b> ' this includes anyone acting on behalf of any <b>dependant</b> .
13.2	<b>You</b> and any <b>dependant</b> must take reasonable care to make sure that all information provided to <b>us</b> is accurate and complete, at the time <b>you</b> take out this plan, and at each <b>renewal</b> and variation of this plan. <b>You</b> and any <b>dependant</b> must also tell <b>us</b> if any of the answers to the questions in the application form change prior to this plan starting. Otherwise, the following apply with effect from the date the plan was taken out, renewed or varied (depending on when <b>we</b> were provided with inaccurate or incomplete information). <b>A. We</b> may treat this plan as if it had not existed if <b>you</b> deliberately or recklessly give <b>us</b> inaccurate or incomplete information. <b>B. Where you</b> negligently or carelessly give <b>us</b> inaccurate or incomplete information, or where <b>A.</b> applies but <b>we</b> choose not to rely on <b>our</b> rights under <b>A.</b> , <b>we</b> may treat the plan and any claims in a way which reflects what <b>we</b> would have done if <b>we</b> had been provided with accurate and complete information, as follows: <ul style="list-style-type: none"> <li>if <b>we</b> would have refused to cover <b>you</b> at all, <b>we</b> may treat this plan as if it had not existed;</li> <li>if <b>we</b> would have provided <b>you</b> with cover on different terms, then <b>we</b> may apply those different terms to this plan. This means a claim will only be paid if it is covered by and/or if <b>you</b> have complied with such different terms - for example <b>your</b> plan may contain new personal restrictions or exclusions; and/or</li> <li>if <b>we</b> would have charged <b>you</b> a higher premium, <b>we</b> may reduce the amount payable on any claim by comparing the additional premium to the original premium. For example, <b>we</b> will only pay half of a claim, if <b>we</b> would have charged double the premium.</li> </ul>
13.3	Where it is a <b>dependant</b> (or <b>you</b> on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the plan which applies to the <b>dependant</b> , or to claims made by that <b>dependant</b> . The same rules apply if someone else provides <b>us</b> with information on <b>your</b> behalf or any <b>dependant's</b> behalf.

## 4. Categories of personal information

**Summary:** We process two categories of personal information about **you** and (where this applies) **your dependants**:

- standard personal information (for example, information **we** use to contact **you**, identify **you** or manage **our** relationship with **you**); and
- special categories of information (for example, health information, information about **your** race, ethnic origin and religion that allows **us** to tailor **your** care, and

information about crime in connection with checks against fraud or anti-money-laundering registers).

**More information:**

**Standard personal information includes:**

- information about **your** race, ethnic origin and religion (**we** may get this information from **your** medical or care-home preferences to allow **us** to provide care that is tailored to **your** needs); and
- information about any criminal convictions and offences (**we** may get this information when carrying out anti-fraud or anti-money-laundering checks, or other background screening activity).

## 5. What we use your personal information for

**Summary:** We process **your** personal information for the purposes set out in this privacy notice. **We** have also set out some legal reasons why **we** may process **your** personal information (these depend on what category of personal information **we** are processing). **We** normally process standard personal information if this is necessary to provide the services set out in a contract, it is in **our** or a third party's legitimate interests or it is required or allowed by any law that applies. Please see below for more information about this and the reasons why **we** may need to process special category information.

**More information:** By law, **we** must have a lawful reason for processing **your** personal information. **We** process standard personal information about **you** if this is:

- **necessary to provide the services set out in a**

- contract** – if **we** have a contract with **you**, **we** will process **your** personal information in order to fulfil that contract (that is, to provide **you** and **your dependants** with **our** products and services);
- **in our or a third party's legitimate interests** – details of those legitimate interests are set out in more detail in section 6 'legitimate interests' below.
- **required or allowed by law.**

**We** process special category information about **you** because:

- **it is necessary for the purposes of preventive or occupational medicine**, to assess whether **you** are able to work, medical diagnosis, to provide health or social care or **treatment**, or to manage health-care or social-care systems (including to monitor whether **we** are meeting expectations relating to **our** clinical and non-clinical performance);
- **it is necessary for an insurance purpose** (for example, advising on, arranging, providing or managing an insurance contract, dealing with a claim made under an insurance contract, or relating to rights and responsibilities arising in connection with an insurance contract or law);
- **it is necessary to establish, make or defend legal claims** (for example, claims against **us** for insurance);
- **it is necessary for the purposes of preventing or detecting an unlawful act** in circumstances where **we** must carry out checks without **your** permission so as not to affect the outcome of those checks (for example, anti-fraud and anti-money-laundering checks or to check other unlawful behaviour, or carry out investigations with other insurers and third parties for the purpose of detecting fraud);
- **it is necessary for a purpose designed to protect the public against dishonesty, malpractice or other seriously improper behaviour** (for example, investigations in response to a safeguarding concern, a **policyholder's** complaint or a regulator (such as the Care Quality Commission or the General Medical Council) telling **us** about an issue);
- **it is in the public interest, in line with any laws that apply**;
- **it is information that you have made public**; or
- **we have your permission.** As is best practice, **we** will only ask **you** for permission to process **your** personal information if there is no other legal reason to process it. If **we** need to ask for **your** permission, **we** will make it clear that this is what **we** are asking for, and ask **you** to confirm **your** choice to give **us** that permission. If **we** cannot provide a product or service without **your** permission (for example, **we** can't manage and run a health trust without health information), **we** will make this clear when **we** ask for **your** permission. If **you** later withdraw **your** permission, **we** will no longer be able to provide **you** with a product or service that relies on having **your** permission.

## 6. Legitimate interests

**Summary:** We process **your** personal information for a number of legitimate interests, including managing all aspects of **our** relationship with **you**, for marketing, to help **us** improve **our** services and products, and in order to exercise **our** rights or handle claims. More detailed information about **our** legitimate interests is set out below.

**More information:** Legitimate interest is one of the legal reasons why **we** may process **your** personal information. Taking into account **your** interests, rights and freedoms, legitimate interests which allow **us** to process **your** personal information include:

- to manage **our** relationship with **you**, **our** business and third parties who provide products or services for **us** (for example, to check that **you** have received a service that **you're** covered for, to validate invoices and so on);
- to provide health-care services on behalf of a third party (for example, **your** employer);
- to make sure that claims are handled efficiently and to investigate complaints (for example, **we** may ask **your benefits provider** for information to make sure **we** receive accurate information and to monitor the quality of **your treatment** and care);
- to keep **our** records up to date and to provide **you** with marketing as allowed by law;
- to develop and carry out marketing activities and to show **you** information that is of interest to **you**, based on **our** understanding of **your** preferences (**we** combine information **you** give **us** with information **we** receive about **you** from third parties to help **us** understand **you** better);
- for statistical research and analysis so that **we** can monitor and improve products, services, websites and apps, or develop new ones;
- to contact **you** about market research **we** are carrying out;
- to monitor how well **we** are meeting **our** clinical and non-clinical performance expectations in the case of health-care providers;
- to enforce or apply **our** website terms of use, **our policy** terms and conditions or other contracts, or to protect **our** (or **our** customers' or other people's) rights, property or safety;
- to exercise **our** rights, to defend ourselves from claims and to keep to laws and regulations that apply to **us** and the third parties **we** work with; and
- to take part in, or be the subject of, any sale, purchase, merger or takeover of all or part of the **Bupa** business.

## 7. Marketing and preferences

**We** may use **your** personal information to send **you** marketing by post, by phone, through social media, by email and by text.

**We** can only use **your** personal information to send **you** marketing material if **we** have **your** permission or a legitimate interest as described above.

If **you** don't want to receive emails from **us**, **you** can click on the 'unsubscribe' link that appears in all emails **we** send. If **you** don't want to receive texts from **us** **you** can tell **us** by contacting **us** at any time. Otherwise, **you** can always contact **us** to update **your** contact preferences. See section 14 'data protection contacts' for details of how to contact **us**.

**You** have the right to object to direct marketing and profiling (the automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests) relating to direct marketing. Please see section 13 '**your** rights' below for more details.

## 8. Processing for profiling and automated decision-making

Summary: Like many businesses, **we** sometimes use automation to provide **you** with a quicker, better, more consistent and fair service, and marketing information **we** think will be of interest to **you** (including discounts on **our** products and services). This will involve evaluating information about **you** and, in some cases, using technology to provide **you** with automatic responses or decisions (automated decisions). Please see 'more information' below for further details.

**You** have the right to object to direct marketing and profiling relating to direct marketing (see section 13 '**your** rights' for more information). **You** may also have the right to object to other types of profiling and automated decision-making set out below. In these cases, **you** have the right to ask **us** to make sure that one of **our** advisers reviews an automated decision, to let **us** know how **you** feel about it and to ask **us** to reconsider the decision. **You** can contact **us** to exercise these rights. See section 14 'data protection contacts' for full contact details.

### More information:

By law, **we** must tell **you** about:

- automated decision-making (making a decision using technology, without any person being involved); and
- profiling (automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests).

This is because **you** have certain rights relating to both automated decision-making and profiling. **You** have the right to object to profiling relating to direct marketing. If **you** do this, **we** will no longer carry out profiling for direct marketing purposes. **You** also have the right to object to profiling in other circumstances set out below.

When **we** make decisions using only automated processing which produce legal effects which concern **you** or which have a significant effect on **you**, **we** will let **you** know. **You** then have 21 days to ask **us** to reconsider **our** decision or to make a new decision that is not based only on automated processing. If **we** receive a request from **you**, within 21 days of receiving **your** request, **we** will:

- consider the request, including any information **you** have provided that is relevant to it;
- meet **your** request; and
- let **you** know in writing what **we** have done to meet **your** request, and the outcome.

**You** can contact **us** (see section 14 'data protection contacts' for details) to ask about these rights (see section 13 '**your** rights' for more details).

### Profiling and automated decision-making

The processes set out below involve both profiling and automated decision-making.

- Depending on the type of health-insurance product that

**you** want to benefit from, to help **us** decide what level of cover **we** can offer **you**, **we** will ask **you** to provide information about **your** medical history. **We** may use software to review this information to find out whether **you** have any previous or existing health conditions which **we** cannot cover **you** for and which will be excluded from **your** policy.

- **We** may use software to help **us** calculate the price of products and services based on what **we** know about **you** and other customers. For example, **our** technology may analyse information about **your** claims history and compare it with the information **we** hold about previous claims to evaluate how likely **you** are to need to make a claim. **We** may also evaluate **your** age, where **you** live and other details relating to **your** health (such as existing health conditions and whether **you** smoke) to calculate prices for community-rated products which are based on predefined groups with similar risk profiles.

### Profiling

The processes set out below involve profiling.

- In order to improve outcomes and be more efficient, and allow **us** to offer advice about different **treatment** paths (for example, alternatives to surgery or other invasive **treatments**), **we** may use software to evaluate medical history and information about the general population in an area to identify customers who are likely to need that advice most.
- When **your** policy is due for **renewal**, **our** software tells **us** this and may also evaluate **your** payment and claims history, information about the general information in a particular area, and other information from third parties to automatically provide **you** with information about what incentives **we** can offer **you** and the marketing messages **you** will receive.
- **We** ask other organisations to carry out some of **our** consumer and market analysis to improve **our** marketing processes. This involves sharing personal information relating to **our** customers with third parties who specialise in profiling and segmenting people (putting people into groups of different types of customer, based on different kinds of information collected about them, to help **us** to better target **our** products to them). These companies match the information **we** give them with information they get from other sources to improve the accuracy of their analysis. **We** use the results of this analysis to help **us** target marketing and offers.
- **We** may use information about the products **you** have bought, and information about what other customers who have bought the same products **you** have bought, to make sure **we** send **you** information about the products **you** are most likely to be interested in.
- **We** may share **your** personal information (including **your** name, date of birth, sex and the country **you** live in) with third-party companies, such as FINSCAN, who **we** use to carry out anti-fraud checks. **We** will review any matches from this process. (**We** will not use automated decision-making for this.)

## 9. Sharing your information

**Summary:** **We** share **your** information within the Bupa Group, with relevant **policyholders** (including **your** employer if **you** are covered under a group scheme), with funders arranging services on **your** behalf, with people acting on **your** behalf (for example, brokers and other agents) and with others who help **us** provide services to **you** (for example, health-care providers and medical-assistance providers) or who **we** need information from to allow **us** to handle or confirm claims or entitlements (for example, professional associations). **We** also share **your** information in line with the law.

**More information:** **We** sometimes need to share **your** information with other people or organisations for the purposes set out in this privacy notice.

### For all our customers, we share your information with:

- other members of the **Bupa** Group;
- other organisations **you** belong to, or are professionally associated with, in order to confirm **your** entitlement to claim discounts on **our** products and services;
- **doctors**, clinicians and other health-care professionals, **hospitals**, clinics and other health-care providers;
- suppliers who help deliver products or services on **our** behalf;
- people or organisations **we** have to, or are allowed to, share **your** personal information with by law (for example, for fraud-prevention or safeguarding purposes, including with the Care Quality Commission);
- the police and other law-enforcement agencies to help them perform their duties, or with others if **we** have to do this by law or under a court order;
- if **we** (or any member of the **Bupa** group) sell or buy any business or assets, the potential buyer or seller of that business or those assets; and
