## A FEW THINGS THAT MAKE US DIFFERENT

### REINVEST IN HEALTH

Your health is at the heart of everything we do. To maintain this focus, we continue to remain free of shareholders, re-investing profits back into our business. It fuels our drive to innovate and improve how we deliver first-class services and access to care.

### SUPPORTING MENTAL HEALTH

We believe that mental health and wellbeing is just as important as physical health. To support this we have removed annual and monetary limits from this plan for in-patient and day-patient mental health treatment, and we now include cover for ADHD, addiction and self-inflicted injuries.

### GLOBAL ACCESS IN YOUR HANDS

Our 'Global Virtual Care' app provides you with access to a global network of doctors, offering medical guidance and consultations, plus same day virtual appointments - available 24/7.

### FINANCIAL REASSURANCE

Health insurance isn't just about your health. It's also about not worrying about unexpected costs. With us by your side, you can simply focus on enjoying life.

### MULTILINGUAL ADVISERS

When it comes to healthcare advice, we know that speaking to someone in your own language is more than reassuring. It's key. For this reason, our team of advisers are able to offer 24/7 telephone support in multiple languages.

### FAMILY SUPPORT

Our 'Bupa Family Plus' app offers tips and guidance for you and your family from pregnancy, through the important milestones of your child's development and into teen years.

### PRE-EXISTING CONDITIONS

We don't believe past health issues should stop you from enjoying your future. That's why many pre-existing conditions are covered under our global health plans, subject to our General Exclusions and medical underwriting. An additional premium may apply.
