6 Your consent to obtain a medical report

Important information

In order to process your claim, we may need to apply for a medical report from any doctor who has attended you. To apply, we need you to give your consent by signing the declaration below.

Please read this section carefully, as it sets out your rights under the Access to Medical Reports Act 1988 and the Access to Personal Files and Medical Reports (NI) Order 1991.

If you receive treatment in the UK, you can choose from three courses of action.

1. You can give your consent without asking to see the doctor's report before it is sent to us. The report will then be sent directly to us by the doctor.
2. You can give your consent, but ask to see any report before it is sent to us, in which case you will have 21 days, after we notify you that we have requested a report from the doctor, to contact your doctor to make arrangements to see the report. If you fail to contact the doctor within 21 days, they will be entitled to send the report direct to us. If however you contact your doctor with a view to seeing the report, you must give the doctor written consent before they can release it to us. You may ask your doctor to change the report if you think it is misleading. If your doctor refuses, you can insist on adding your own comment to the report before it is sent to us.

Should you give your consent to us obtaining a report without indicating that you wish to see it, you can change your mind by contacting your doctor before the report is sent to us, in which case you will have the opportunity to see the report and ask the doctor to change the report or add your comments before it is sent to us, or withhold your consent for its release.

3. You can withhold your consent but, if you do, please bear in mind that we may be unable to accept your claim.

Whether or not you indicate that you wish to see the report before it is sent, you have the right to ask your doctor to let you see a copy, provided that you ask them within six months of the report having been supplied to us.

Your doctor is entitled to withhold some or all of the information contained in the report if (a) they feel that it may be harmful to you or (b) it would indicate their intentions in respect of you or (c) would reveal the identity of another person without their consent (other than that provided by a health professional in their professional capacity in relation to your care). Your doctor may also make a reasonable charge for their services.

The undersigned authorises and requests any hospital, specialist, physician or other health provider to furnish Bupa or its duly authorised agent acting on Bupa's behalf with such information as Bupa or that agent may seek from them in connection with any treatment or other services provided to me or my dependant for the purpose of Bupa considering this claim.

If you are receiving treatment in the UK, by signing this form you are confirming that:

I have been advised of my rights under the Access to Medical Reports Act 1988 and the Access to Personal Files and Medical Reports (NI) Order 1991.

If you receive treatment in the UK please indicate below if you wish to see a copy of the medical report before it is sent to Bupa:

I do wish to see a copy of any medical report before it is sent to Bupa.

I do NOT wish to see a copy of any medical report before it is sent to Bupa.

This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

We also share your information in accordance with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

7. Transfers outside of the European Economic Area (EEA)

We deal with many international organisations and use global information systems. As a result, we transfer your personal information to countries outside of the EEA (the EU member states and Norway, Liechtenstein and Iceland), for the purposes set out in this privacy notice.

You also have rights to object to your information being used, to ask us to transfer information you have made available to us, to withdraw your permission for us to use your information and to ask us not to make automated decisions which produce legal effects concerning you or significantly affect you.
