The simple tiered range brings the same great service expected, but it's more than just insurance. We also focus on our customers' all-round health through a number of wellness services included.

Plus, through our collaboration with Blue Cross Blue Shield Global, our customers can now enjoy even bigger benefits from plans with U.S. cover.

So whether in times when you need us most, like when you're ill or facing a serious health condition, or when you're healthy, we'll be there.

This comparison guide provides a summary of our plans to help you understand the high-level differences between them. For full details on the benefits, limitations, exclusions and how to use the plans, please visit bupaglobal.com to view the relevant health plan guides.
