The simple tiered range brings the same great service expected, but it's more than just insurance. We also focus on our customers' all-round health through a number of wellness services included.

So whether in times when you need us most, like when you're ill or facing a serious health condition, or when you're healthy, we'll be there.

With us, you're a truly private patient, enjoying direct access to specialist care without having to wait for a referral. You're not limited to medical providers local to you either. Our international network of leading specialists allows you to choose when and where you receive treatment within your area of cover.

REINVEST IN HEALTH

Your health is at the heart of everything we do. To maintain this focus, we continue to remain free of shareholders, re-investing profits back into our business. It fuels our drive to innovate and improve how we deliver first-class services and access to care.

SUPPORTING MENTAL HEALTH

At Bupa Global we believe that mental health and wellbeing is just as important as physical health. To support this, we have removed both annual and monetary limits from this plan for in-patient and day-patient mental health treatment (up to the annual maximum limit of your chosen plan), and we also now include cover for ADHD, addiction and self-inflicted injuries.

GLOBAL ACCESS IN YOUR HANDS

Our 'Global Virtual Care' app provides you with access to a global network of doctors, offering medical guidance and consultations, plus same day virtual appointments - available 24/7.

FINANCIAL REASSURANCE

Health insurance isn't just about your health. It's also about not worrying about unexpected costs. With us by your side, you can simply focus on enjoying life.

MULTILINGUAL ADVISERS

When it comes to healthcare advice, we know that speaking to someone in your own language is more than reassuring. It's key. For this reason, our team of advisers are able to offer 24/7 telephone support in multiple languages.

PRE-EXISTING CONDITIONS

We don't believe past health issues should stop you from enjoying your future. That's why many pre-existing conditions could be covered under our global health plans, subject to our General Exclusions and medical underwriting. An additional premium may apply.

FAMILY SUPPORT

Our 'Bupa Family Plus' app offers tips and guidance for you and your family from pregnancy, through the important milestones of your child's development and into teen years.
