PRE-AUTHORISATION

Please remember to pre-authorise your treatment

What is pre-authorisation?

- An agreement between **us** and **you** that the **treatment you** are requesting is **medically necessary** and eligible under the terms of **your** policy.
- It isn't generally mandatory and doesn't guarantee payment but can speed up the claims process

Why it's important:

- Pre-authorisation helps to facilitate more efficient claims processing as **we** are aware of the **treatment** in advance
- Pre-authorisation helps to ensure **you** are covered for the **treatment you** are requesting before **treatment** takes place and avoids surprises at the claims stage

How do I request pre-authorisation?

Pre-authorisation can be requested up to 30 days prior to the **treatment** start date, by contacting Customer Services via:

- Completing the form in MembersWorld or the mobile app
- By using webchat or messaging in MembersWorld or the mobile app
- By calling **us** on +44 (0) 1273 333 911

How long does it take?

Often, when requested by telephone or webchat, pre-authorisation approval can be given right away. Email and MembersWorld requests will usually receive a response within 24 hours.

Pre-authorisation can take longer if referral for specialist review is required.

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan, provided that all the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by **your** plan,
- **you** have an active membership at the time that **treatment** takes place,
- **your** subscriptions are paid up to date,
- the **treatment** carried out matches the **treatment** authorised,
- **you** have provided a full disclosure of the condition and **treatment** required,
- **you** have enough benefit entitlement to cover the cost of the **treatment**,
- **your** condition is not a **pre-existing condition**,
- the **treatment** is medically necessary, and
- the **treatment** takes place within 31 days after pre-authorisation is given.

This is a summary, please refer to the 'Pre-authorisation' section of this **membership guide**, and insurance certificate for full details on how to claim.

THE CLAIMING PROCESS

If **you** need assistance with a claim **you** can

- Go online at membersworld.bupaglobal.com and web chat with **us**
- Call **us** on +44 (0) 1273 323 563
- Email info@bupaglobal.com

Whether **you** choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrangedirect settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or **healthcare facility**.

How to make a claim

The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an on-line claim or uploading any completed claims form

Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.

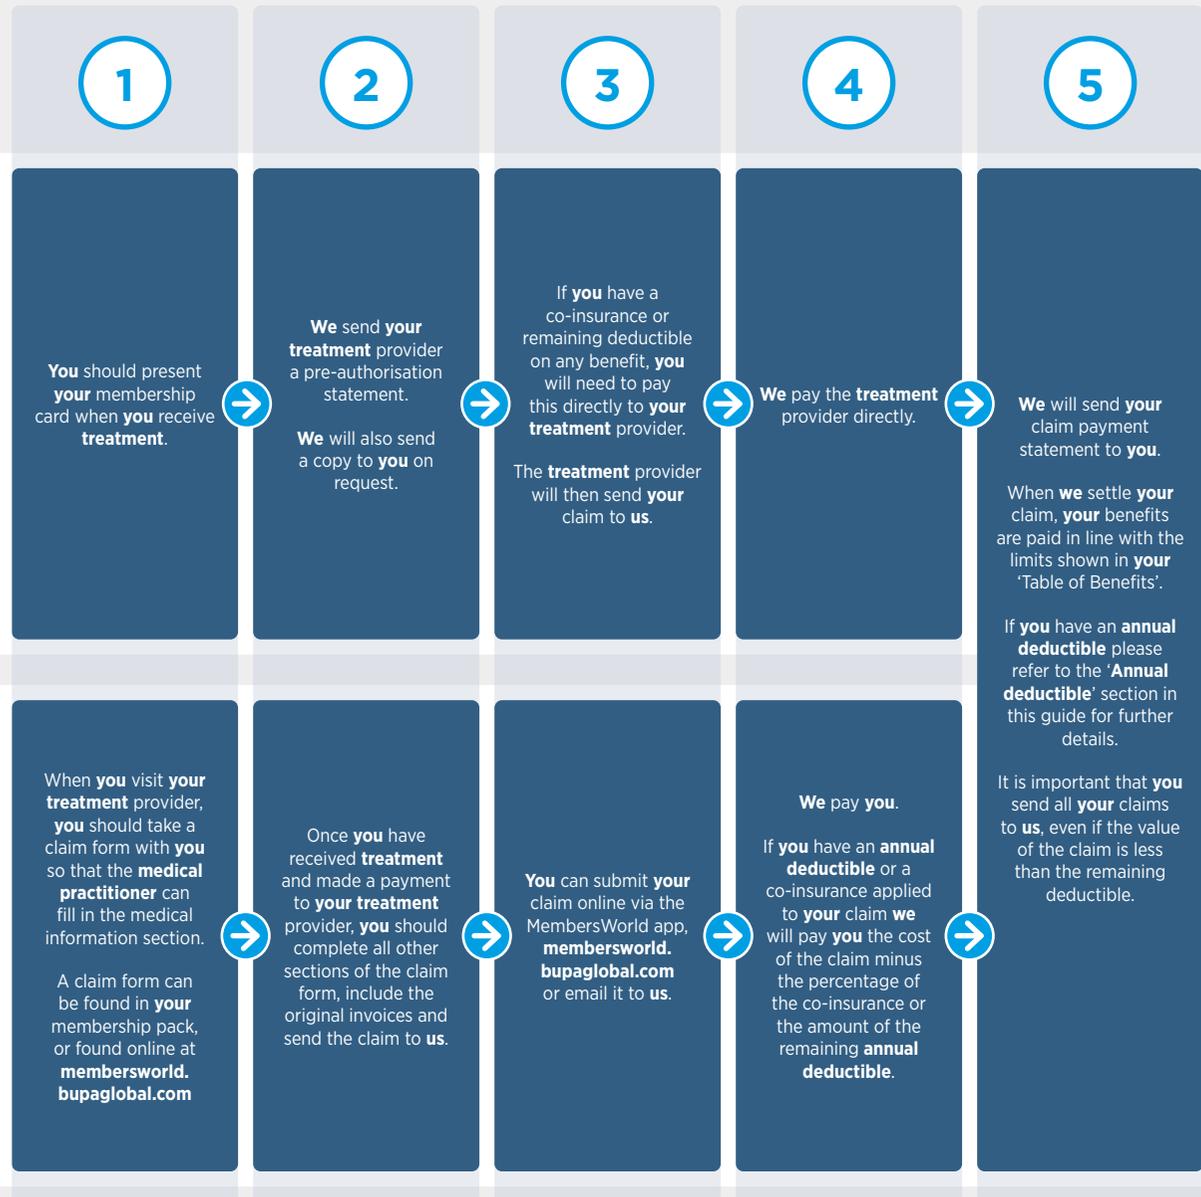

Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

About your Membership

The Business **Health Plan** is a group insurance plan. **You** are therefore one of a group of **members**, which has a **sponsor** (normally the company that **you**, the **principal member** work for).

This **health plan** is governed by an agreement between **your sponsor** and **Bupa Global**, which covers the terms and conditions of **your** membership.

This means that there is no legal contract between **you** and **Bupa Global**. Only the **sponsor** and **Bupa Global** have legal rights under the agreement relating to **your** cover, and only they can enforce the agreement.

As a **member** of the **health plan**, **you** have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our members**. Further details of **our** complaints process can be found in this **membership guide**.

The following must be read together as they set out the terms and conditions of **your health plan**:

- **you**, the **principal member's** application for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in this **membership guide**
- **your** membership certificate

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member**, must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes.

Your new country may have different regulations about health insurance. **You**, the **principal member** need to tell **your sponsor** of any change so that they can make sure that **you** have the right cover.

If you leave your Business Health Plan membership

You, the **principal member** can apply to transfer to a personal **Bupa Global** plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**. Please contact the customer service helpline for more information.

Want to add more people to your health plan?

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your dependants** under **your** membership. To apply **you**, the **principal member** will need to complete a Business **Health Plan** Employee Application form (later referred to as 'application form') which can be downloaded easily from membersworld.bupaglobal.com.

When **you** apply, the **dependant's** medical history will be reviewed by **our** medical team which may result in cover for **pre-existing conditions**, special restrictions or exclusions, or **we** may decline to offer cover. Any special restrictions or exclusions are personal to the person **you** add and will be shown on **your** membership certificate. This does not apply if **your sponsor** has purchased cover with medical history disregarded. Please contact the customer services helpline if **you** are not sure if this applies to **you**.

Adding your newborn child?

Congratulations on **your** new arrival!

If you have a Business Select Health Plan

To apply to add **your** newborn, **you**, the **principal member** will need to complete a newborn application form. **We** must have received the form before cover can commence.

If you have a Business Premier Health Plan, Business Elite Health Plan or Business Ultimate Health Plan

Your newborn can be included on this **health plan** from birth without completing an application form and will be covered regardless of any health conditions when:

- **you** and/or **your** partner have been a **Bupa Global member** for at least 10 months before the baby's birth and
- **you** include **your** baby under **your** membership within 30 days of the baby's birth.

In this instance **your** baby will not be subject to any medical underwriting.

If the above criteria is not met **we** will require a completed newborn application form and medical underwriting will apply as described when adding a **dependant**. The cover start will be the date **our** medical team accept **your** application to join.

Where full U.S. cover has not been purchased prior to the mother falling pregnant, new born care/**treatment** will not be covered by the 28 day **emergency** U.S. cover or other, unless the baby is prematurely born in unforeseen circumstances.

When cover starts for others on your membership

If any other person is included as a **dependant** under **your**, the **principal member's** membership, their membership will start on the effective date on the membership certificate **we** sent **you** for **your** current period of **health plan** membership which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a **member** of the **health plan**.

If **you**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right under an individual **Bupa Global** insurance plan.

Your health plan benefits

The 'Table of Benefits' provides an explanation of what is covered on **your health plan** and the associated limits.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the **health plan**.

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Active treatment and wellness benefits

This **health plan** covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

We also cover certain wellness and preventive **treatment**, like full health screening and wellness tests. Please see the 'Table of Benefits' for information.

Our approach to costs

When **you** are in need of a **benefits provider**, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**. Alternatively, **you** can view a

summary of **benefits providers** on Facilities Finder at bupaglobal.com/en/facilities/finder. Where **you** choose to have **your treatment** and services with a **benefits provider** in **network**, **we** will cover all eligible costs of any **covered benefits**, once any applicable **co-insurance** or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have **covered benefits** with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the **benefits provider** must be no more than they would normally charge, and be similar to other **benefits providers** providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-**network**' **benefits provider** will not be paid.

This means that, should **you** choose to receive **covered benefits** from an 'out-of-**network**' **benefits provider**:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-**network**' **benefits provider**;
- **we** cannot control what amount **your** chosen 'out-of-**network**' **benefits provider** will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a **benefits provider** in **network**, for example, if **you** are taken to an 'out-of-**network**' **benefits provider** in an **emergency**. If this happens, **we** will cover eligible costs of any **covered benefits** (after any applicable **co-insurance** or deductible has been deducted).

If **you** are taken to an 'out-of-**network**' **benefits provider** in an **emergency**, it is important that **you**, or the **benefits provider**, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a **benefits provider** in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **benefits provider** in **network** only the **Reasonable and Customary** costs of any **covered benefits** received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been deducted).

Additional rules may apply in respect of **covered benefits** received from an 'out-of-**network**' **benefits provider** in certain countries.

Table of Benefits

The 'Table of Benefits' shows the benefits, limits and the detailed rules that apply to **your health plan**. **You** also need to read the 'General Exclusions' section so that **you** understand the exclusions on **your health plan**.

Variations to your benefits

Your sponsor may have agreed variations to this benefit table with **us**. If so, **your sponsor** will inform **you** of these variations.

How to read the Table of Benefits

There are four levels of cover: Business Select, Business Premier, Business Elite and Business Ultimate. **You** need to read the column in the 'Table of Benefits' that applies to **your** level of cover, as shown on **your** membership certificate.

For example if **your** membership certificate states Business Elite **Health Plan**, the columns showing Select, Premier and Ultimate do not apply to **you**.

Benefit limits

There are two kinds of benefit limits shown in this table. The overall annual maximum is the maximum **we** will pay for all benefits in total for each **member**, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

All benefit limits apply per **member**. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until the **sponsor** renews **your health plan** and **you** start a new **membership year**.

If a benefit limit applies for the whole of **your** lifetime, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your health plan**. This applies to all Bupa administered plans **you** have been a **member** of in the past, or may be a **member** of in the future, even if **you** have had a break in **your** cover.

Currencies

All the benefit limits in this 'Table of Benefits' and notes are set out in three currencies: GBP, USD and EUR. The currency in which **your sponsor** pays **us** subscriptions is the currency that applies to **your** membership for the purpose of the benefit limits. The currency applicable for **your** contract is as shown on **your** membership certificate.

For example, if **your sponsor** pays **us** subscriptions in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have a **co-insurance**, **you** can either check on **your** membership certificate, through **our** MembersWorld website or contact the customer services helpline.

Waiting periods

You will notice that waiting periods apply to some of the benefits. This means that **you** cannot make a claim for that particular benefit until **you** have been covered for the full duration of the waiting period stated. **We** may have agreed to waive waiting periods on **your health plan**. Please call **us** to find out whether the waiting periods on **your health plan** have been waived.

How does the co-insurance work?

If **your sponsor** has chosen a **co-insurance** this will be shown on **your** membership card. The **co-insurance** on this **health plan** is the percentage of all out-patient day to day care expenses that **you** share with **us** - please refer to **your** 'Table of Benefits'.

Example

1. With 15% **co-insurance**, **you** always pay 15% of **your** out-patient day to day care
2. **You** have a consultation with **your doctor** which costs £80
3. 15% out-patient day to day care **co-insurance** applied is £12 which **you** pay directly to **your doctor**
4. Amount paid by **us** is £68
5. Later in the year **you** stay in **hospital** for 5 days which costs £8,000
6. As this is in-patient care the **co-insurance** applied is £0
7. Amount paid by **us** is £8,000

Please note that the benefit limits shown in the 'Table of Benefits' is the maximum paid by **us**.

Transportation / Travel

Evacuation covers **you** for reasonable transport costs to the nearest appropriate place of **treatment**, when the **treatment you** need is not available nearby. Repatriation gives **you** the added option of returning to **your specified country of residence** or **specified country of nationality**, to be treated in familiar surroundings, when the **treatment you** need is not available locally.

For all medical transfers, either evacuation or repatriation:

- **you** must contact **us** for pre-authorisation before **you** travel
- the **treatment** must be recommended by **your specialist** or **doctor**
- the **treatment** is not available locally
- the **treatment** must be covered under **your health plan**
- **we** must agree the arrangements with **you**, and
- benefit is applicable for **hospital treatment**, either overnight or as a day-patient

Evacuation may also be authorised if **you** need advanced imaging or cancer **treatment** such as radiotherapy or chemotherapy.

We will only pay if all arrangements are agreed and approved in advance by **Bupa Global**. Please see the 'Pre-authorisation' section for more details. Should **you** arrange transportation covered under the **health plan** yourself **we** shall only compensate **your** expenses to the equivalent cost if **we** had arranged **your** transportation.

Note:

- **We** do not pay for extra nights in **hospital** when **you** are no longer receiving **active treatment** which requires **you** to be hospitalised, for example when **you** are awaiting **your** return flight.
- **We** will not approve a transfer which in **our** reasonable opinion is inappropriate, based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or repatriation will not be authorised if it is against the advice of the **Bupa Global** medical team.
- **We** will not arrange evacuation or repatriation in cases where the local situation, including geography, makes it impossible, unreasonably dangerous or impractical to enter the area, for example from an oil rig or within a war zone. Such intervention depends upon and is subject to local and/or international resource availability and must remain within the scope of national and international law and regulations. Interventions may depend on the attainment of necessary authorisations issued by the various authorities concerned, which may be outside of the reasonable control or influence of **Bupa Global** or **our service partners**.
- **We** cannot be held liable for any delays or restrictions in connection with the transportation caused by weather conditions, mechanical problems, restrictions imposed by public authorities or by the pilot or any other condition beyond **our** control.
- **Bupa Global** is not the provider of the transportation and other services set out in the transportation/travel section, but will arrange those services on **your** behalf. In some countries **we** may use **service partners** to arrange these services locally, but **Bupa Global** will always be here to support **you**.

General Exclusions

In the 'General Exclusions' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your health plan**. In addition to these **you** may have personal exclusions or restrictions that apply to **your health plan**, as shown on **your** membership certificate. No personal exclusions or restrictions shall apply where **we** have agreed with **your sponsor** that medical history has been disregarded.

Do you have cover for pre-existing conditions?

When **your sponsor** applied for **your health plan** **you** may have been asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer – **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this **health plan**. **We** may have offered to cover any **pre-existing conditions**, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your health plan**. If **we** have applied any personal exclusion or other restrictions to **your health plan**, this will be shown on **your** membership certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** membership certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your health plan**. If **you** are unsure about anything in this section, please contact **us** for confirmation before **you** go for **your treatment**.

General Exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** membership certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note: **our** global **health plans** are non-**US** insurance products and accordingly are not designed to meet the requirements of the **US** Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those **US** taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group **health plan**, **you** should speak to **your health plan** administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **benefits provider** who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Additional rules may apply in respect of **covered benefits** received from an 'out-of-network' **benefits provider** in certain specific countries.

Pre-authorization

We want to make sure everything runs as smoothly as possible when **you** need **treatment** and help take care of the practicalities so **you** can focus on getting better.

If **you** contact **us** before going for **treatment**, **we** can explain **your** benefits and confirm that **your treatment** is covered by **your health plan**. If needed **we** can also help with suggesting **hospitals**, clinics and **doctors** and offer any help or advice **you** may need.

In cases where **you** need **hospital treatment (in-patient treatment or day-case treatment)**, contacting **us** also gives **us** an opportunity to contact **your hospital** or clinic and make sure they have everything they need to go ahead with **your treatment**. If possible **we** will arrange to pay them directly too.

We would like to make **you** aware that there are certain benefits which **you** must receive pre-authorization for. These are detailed in **your** 'Table of Benefits'. Benefit may not be paid unless pre-authorization has been provided.

The pre-authorization process

You can pre-authorise **your treatment** by phone or email. Once **we** have the necessary details, **we** send a pre-authorization statement to **your hospital** or clinic.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your** family **doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

We will send **you** a pre-authorization statement at **your** request.

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**. **We** may require that **you** have a medical examination by an independent **medical practitioner** appointed by **us** (at **our** cost) who will then provide **us** with a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorization and to **your** claims being paid. If this information is not provided to **us** at all this may result in **your** claims not being paid.

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by **your health plan**
- **you** have an active membership at the time
- that **treatment** takes place
- **your** subscriptions are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** required
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** that has been excluded from **your** cover, as detailed in **your** membership certificate
- the **treatment** is **medically necessary**
- and the **treatment** takes place within 31 days after pre-authorization is given.

CALL: +44 (0) 1273 323 563

FAX: +44 (0) 1273 866 301

Or contact **us** via **our** secure MembersWorld website at membersworld.bupaglobal.com

Length of stay (in-patient treatment)

Your pre-authorization will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorization.

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Treatment in the U.S.

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, and CT and PET scans in the U.S. must be pre-authorized. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact the U.S. Service Center for pre-authorization. All the information they need is on **your Blue Cross Blue Shield Global** membership card.

We have made special arrangements if **you** need to have **treatment**, be hospitalized, or visit a **doctor** in the U.S. This includes access to select **networks** of quality medical providers and direct settlement of all covered expenses when **you** receive **treatment** in an in-**network hospital**. To find providers or **hospitals** that are in **network**, **you** can contact the U.S. service center or use the website listed on **your Blue Cross Blue Shield Global** membership card. In addition, **you** will need to present **your Blue Cross Blue Shield Global** membership card to providers and **hospitals** when **you** access care.

Treatment which has not been pre-authorized

If **you** choose not to get **your in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. pre-authorized, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorized, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been taken to a **hospital** that is out-of-**network** and, if it is the best thing for **you**, **we** may arrange for **you** to be moved to an in-**network hospital** to continue **your treatment**, once **you** are stable. Should **you** decline to transfer to a provider in **network** (should this be offered to be arranged, where medically appropriate) only the **Reasonable and Customary** costs of any covered **treatment** or services received following the date of the transfer being offered will be paid (after any applicable **co-insurance** or deductible has been deducted).

If **we** have been notified within 48 hours of an **emergency** admission to an in-**network hospital**, **we** will not ask **you** to share the cost of **your treatment**.

Out of network treatment

Even if **your treatment** in the U.S. has been pre-authorized, if **you** choose to use a **hospital**, clinic or **medical practitioner** Out of **network**, **we** will only pay **Reasonable and Customary** costs towards the cost of covered **treatment**. Please see the '**Our** approach to costs' section of this **membership guide**.

There may be times when it is not possible for **you** to be treated at an in-**network hospital**. These include:

- where there is no in-**network hospital** within 30 miles of **your** address, and
- when the **treatment** **you** need is not available in at in-**network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

Important rules:

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

We reserve the right to withdraw or amend **our** decision if information is subsequently received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for additional information may be deemed to be indicative of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Making a Claim

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

Where possible **we** aim to pay **your** provider directly, however in some cases that is not possible and this section details the pay and claim process in more detail.

How to make a claim

Claim forms

Your claim form is important as it gives **us** the information that **we** need to process **your** claim. **You** must ensure that **your** claim form is fully completed by **you** and by **your medical practitioner**. If it is not fully completed **we** may have to ask for more information. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement can act as **your** claim form.

You must complete a new claim form:

- for each **member**
- for each condition
- for each in-patient or day-case stay, and
- for each currency of claim

If a condition continues over six months, **we** will ask for a further claim form to be completed.

What to send us

You need to return the completed form to **us** by post, with the invoices, as soon as possible. This must be within 2 years of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after 2 years will not normally be paid unless there is a good reason why it was not possible for **you** to make the claim earlier.

Requests for further information

We may need to ask **you** for further information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the **treatment** for which **you** are claiming
- the results of any medical examination performed at **our** expense by an independent **medical practitioner** appointed by **us**
- written confirmation from **you** as to whether **you** think **you** can recover the costs **you** are claiming from another person or insurance company

If **you** do not provide the information that **we** ask for, **we** may not pay **your** claim in full.

Important

When making a claim please note:

- **you** must have received the **treatment** while covered under **your** membership
- payment of **your** claim will be under the terms of **your** membership and up to the benefit levels shown, that apply to **you** at the time

you receive the **treatment**

- **we** will only pay for **treatment** costs actually incurred by **you**, not deposits or advance invoices or registration/administration fees charged by the provider of **treatment**
- **we** will only pay for **treatment** costs that are **reasonable and customary**
- **we** do not return original documents such as invoices or letters. However, **we** will be pleased to return copies if **you** ask **us** when **you** submit **your** claim.

Tracking a claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld website.

Fraud prevention and detection

We have the right, where appropriate, to check **your** details with fraud prevention agencies, other insurers and other relevant third parties for the purpose of preventing and detecting false information or fraudulent activity. If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use and search these records to:

- help make decisions about benefit and benefit related services for **you** and **members** of **your** plan
- help make decisions on other insurance proposals and claims for **you** and **members** of **your** plan/group
- trace debtors, recover debt, prevent fraud and to manage **your** insurance plans
- establish **your** identity
- undertake credit searches and additional fraud searches.

Fraudulent Claims

You and any **dependant** (or anyone acting on behalf of **you** or any **dependant**) must not:

- make a fraudulent or exaggerated claim under this plan;
- send **us** fake or forged documents or other false evidence, or make a false statement in support of a claim;

- provide **us** with information which **you** or any **dependant** knows would otherwise enable **us** to refuse to pay a claim under this plan; and/or
- refuse to cooperate or fail to provide information / documentation reasonably requested by **us** to validate **your** claim(s), whether pending or paid (including but not limited to proof of payment, medical reports and original invoices).

Failure to comply with the above will give **us** the right to:

- refuse to pay the whole of the claim and any other claim(s) submitted since the date of that claim;
- recover any payments **we** have already made in respect of the claim and/or other claims submitted since that claim(s); and/or
- notify **you** that this plan (or if the fraudulent claim is made by or on behalf of a particular **dependant**, the cover under this plan for that particular **dependant**) has terminated from the date the claim(s) was submitted, and **we** will not refund the premium.

Confirmation of your claim

We will always send confirmation of how **we** have dealt with a claim. If applicable, for child **dependants** (those aged under 18 years), **we** will write to the **principal member**. If the claim is for **treatment** received by the **principal member**, or an adult **dependant** (those aged over 18 years), **we** will write directly to the individual concerned.

How your claim will be paid

Wherever possible, **we** will follow the instructions given to **us** in the 'Payment details' section of the claim form:

- **we** can pay **you** or the **hospital**
- **we** can pay by cheque or by electronic transfer.

Who we will pay

We will only make payments to the **member** who received the **treatment**, the provider of the **treatment**, the **principal member** of the membership or the executor or administrator of the **member's** estate. **We** may pay a **dependant** only where the **dependant** received the **covered benefits**, they are over 18 and **we** have their current bank details. **We** will not make payments to anyone else.

Payment method and bank charges

We will make payment where possible by electronic transfer or by cheque. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

We will instruct **our** bank to recharge the administration fee relating to the cost of making the electronic transfer to **us** but **we** cannot guarantee that these charges will always be passed back for **us** to pay. In the event that **your** local bank makes a charge for a wire transfer **we** will aim to refund this as well. Any other bank charges or fees, such as for currency exchange, are **your** responsibility, unless they are charged as a result of **our** error.

Cheques are no longer valid if they are not cashed within 6 months. If **you** have an out-of-date cheque, please contact customer services, who will be happy to arrange a replacement.

Payment currency and conversions

We can pay in over 80 currencies. The claim will be paid in the currency in which **your sponsor** pays **your** subscriptions, the currency of the invoices **you** send **us**, or the currency of **your** bank account.

Sometimes, the international banking regulations do not allow **us** to make a payment in the currency **you** have asked for. If so, **we** will send a payment in the currency of **your sponsor's** subscriptions. Where payment to **you** in the usual currency may expose **us** (or **our Bupa group of companies and administrators**) to the risk of any sanction, prohibition or restriction under the laws of any relevant jurisdiction and/or United Nations resolution, **we** reserve discretion to pay **you** in such

other currency as **we** are permitted and able to make payment in, if any such payment is permitted to be made.

If **we** have to make a conversion from one currency to another, the exchange rate **we** use will be Reuters closing spot rate set at 16.00 **UK** time on the **UK** working day preceding the invoice date. If there is no invoice date, **we** will use the date of **your treatment**.

Other claim information

Discretionary payments

If **we** make a payment to **you** for a benefit **you** are not covered for, it does not mean that **we** are required to pay identical or similar costs in the future. Any payment that **we** may make on this basis will still count towards the overall annual maximum limit that applies to this policy.

Incorrect payment of claims

If **we** incorrectly make any payment of **your** claim, **we** reserve the right to deduct the incorrectly paid amount from future claims or seek repayment from **you**.

Claiming for treatment when others are responsible

You must complete the appropriate section of the claim form if **you** are claiming for **treatment** that is needed when someone else is at fault, for example in a road accident in which **you** are a victim. If so, **you** will need to take any reasonable steps **we** ask of **you** to assist **us** to:

- recover from the person at fault (such as through their insurance company) the cost of the **treatment** paid for by **Bupa Global**, and
- claim interest if **you** are entitled to do so

If any person is to blame for any injury, disease, illness, condition or other event in relation to which **you** receive any **covered benefits**, **we** may make a claim in **your** name.

You must provide **us** with any assistance **we** reasonably require to help make such a claim, for example:

- providing **us** with any documents or witness statements;
- signing court documents; and
- submitting to a medical examination.

We may exercise **our** rights to bring a claim in **your** name before or after **we** have made any payment under the membership. **You** must not take any action, settle any claim or otherwise do anything which adversely affects **our** rights to bring a claim in **your** name.

Claiming with joint or double insurance

You must complete the appropriate section on the claim form, if **you** have any other insurance cover for the cost of the **treatment** or benefits **you** have claimed from **us**. If **you** do have other insurance cover, this must be disclosed to **us** when claiming, and **we** will only pay **our** share of the cost of the **treatment** or benefits claimed.

Your Membership

This section contains the rules about **your** membership, including when it will start and end, renewing **your health plan**, how **you**, the **principal member** can change **your** cover and general information.

Paying subscriptions and other charges

Your sponsor has to pay any and all subscriptions due under the agreement, together with any other charges (such as insurance premium tax) that may be payable. **You** will be directly responsible for payment of any **co-insurance** amount.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of Business **Health Plan** membership.

Renewing your membership

The renewal of **your** membership is subject to **your sponsor** renewing **your** membership under the agreement.

Ending your membership

Your sponsor can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable) by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

Your membership will automatically end:

- if the agreement between **Bupa Global** and **your sponsor** is terminated
- if **your sponsor** does not renew **your** membership
- if **your sponsor** does not pay subscriptions or any other payment due under the agreement for **you** or for any other person
- if the membership of the **principal member** ends
- upon the death of the **principal member**.

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens. The details of regulations vary from country to country and may change at any time.

In some countries **we** have local partners who are licensed to provide insurance cover but which are administered by **Bupa Global**. This means that customers experience the same quality **Bupa Global** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of **Bupa Global** membership; which means that for those benefits which aren't covered until **you** have been a **member** for a certain period, the time **you** were a **member** with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

Making changes to your cover

The terms and conditions of **your** membership may be changed from time to time by agreement between **your sponsor** and **Bupa Global**, or where there is a legal or regulatory requirement to do so.

Amending your membership certificate

We will send **you**, the **principal member** a new membership certificate if:

- with the **sponsor's** approval, **you**, the **principal member** add a new **dependant** to **your** membership (if applicable)
- **we** need to record any other changes requested by **your sponsor** or that **we** are entitled to make.

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). In the unlikely event that **we** cannot meet **our** financial obligations, **you** may be entitled to compensation from the FSCS, if **you** are usually resident in the EEA (European Economic Area). More information is available from the FSCS by calling +44 (0) 20 7892 7301 or on its website fscs.org.uk.

Applicable law

Your membership is governed by English law. Any dispute that cannot otherwise be resolved will be dealt with by courts in England.

If any dispute arises as to interpretation of this document then the English version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document.

This can be obtained at all times by contacting the customer services helpline.

Provision of accurate and complete information

You and any **dependant** must take reasonable care to make sure that all information provided to **us** is accurate and complete, at the time **you** take out this plan, and at each renewal and variation of this plan. **You** and any **dependant** must also tell **us** if any of the answers to the questions in the application form change prior to this plan starting. Otherwise, the following apply with effect from the date the plan was taken out, renewed or varied (depending on when **we** were provided with inaccurate or incomplete information).

A. **We** may treat this plan as if it had not existed if **you** deliberately or recklessly give **us** inaccurate or incomplete information.

B. Where **you** negligently or carelessly give **us** inaccurate or incomplete information, or where A. applies but **we** choose not to rely on **our** rights under A, **we** may treat the plan and any claims in a way which reflects what **we** would have done if **we** had been provided with accurate and complete information, as follows:

- if **we** would have refused to cover **you** at all, **we** may treat this plan as if it had not existed;
- if **we** would have provided **you** with cover on different terms, then **we** may apply those different terms to this plan. This means a claim will only be paid if it is covered by and/or if **you** have complied with such different terms - for example **your** plan may contain new personal restrictions or exclusions; and/or
- if **we** would have charged **you** a higher premium, **we** may reduce the amount payable on any claim by comparing the additional premium to the original premium. For example, **we** will only pay half of a claim, if **we** would have charged double the premium.

Where it is a **dependant** (or **you** on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the plan which applies to the **dependant**, or to claims made by that **dependant**.

The same rules apply if someone else provides **us** with information on **your** behalf or any **dependant's** behalf.

Liability

Our role under this policy is to provide **you** with insurance cover and sometimes to make arrangements (on **your** behalf) for **you** to receive any **covered benefits**. It is not **our** role to provide **you** with the actual **covered benefits**.

You the **principal member**, on behalf of yourself and the **dependants**, appoint **us** to act as agent for **you**, to make appointments or arrangements for **you** to receive **covered benefits** which **you** request. **We** will use reasonable care when acting as **your** agent.

We (and **our Bupa group of companies and administrators**) shall not be liable to **you** or anyone else for any loss, damage, illness and/or injury that may occur as a result of **you** receiving any **covered benefits**, nor for any action or failure to act of any **benefits provider** or other person providing **you** with any **covered benefits**. **You** should be able to bring a claim directly against such **benefits provider** or other person.

Your statutory rights are not affected.

Sanction clause

We will not provide cover and **we** shall not be liable to pay any claim or provide any benefit under this Policy to the extent that such cover, payment of a claim(s) or benefits would:

- cause **us** to breach any United Nations resolutions or the trade or economic sanctions, laws or regulations of any jurisdiction to which **we** are subject (which may include without limitation those of the European Union, **United Kingdom** and/or United States of America).
- expose **us** to the risk of being sanctioned by any relevant authority or competent body; and/or
- expose **us** to the risk of being involved in conduct (either directly or indirectly) which any relevant authority or competent body would consider to be prohibited.

Where any resolutions, sanctions, laws or regulations referred to in this clause are, or become, applicable to this Policy, **we** reserve all of **our** rights to take all and any such actions as may be deemed necessary in **our** absolute discretion, to ensure that **we** continue to be compliant. **You** acknowledge that this may restrict or delay **our** obligations under this Policy and **we** may not be able to pay any claim(s) in the event of a sanctions-related concern.

Making a Complaint

We are always pleased to hear about aspects of **your** membership that **you** have particularly appreciated, or that **you** have had problems with. If something does go wrong, **we** have a simple procedure to ensure **your** concerns are dealt with as quickly and effectively as possible.

and prevent fraud. For further information, please see the **Bupa Global** Privacy Policy at www.bupaglobal.com/privacypolicy.

Please note that **we** may share any **dependant's** information with the **principal member** (being the person named as the main applicant on the application for the policy), including in relation to **treatment** and services received, claims paid, the amount of any **co-insurance** that applies and, if relevant, any medical history which impacts on the provision of the policy.

In accordance with data protection law, if **you** would like a copy of **your** personal information or **you** would like to update **your** personal information, or if **you** have any other data processing queries please call the **Bupa Global** service team on +44 (0) 1273 323 563. Criminal offences and convictions information includes:

5. What we use your personal information for and our legal reasons for doing so

Summary: **We** process **your** personal information for the purposes set out in this privacy notice. **We** have also set out some legal reasons why **we** may process **your** personal information (these depend on what category of personal information **we** are processing). **We** normally process standard personal information if this is necessary to provide the services set out in a contract, it is in **our** or a third party's legitimate interests or it is required or allowed by any law that applies. Please see below for more information about this and the reasons why **we** may need to process special category information and criminal offence and conviction information.

More information: By law, **we** must have a lawful reason for processing **your** personal information. **We** process standard personal information about **you** if this is:

- **necessary to provide the services set out in a contract** – if **we** have a contract with **you**, **we** will process **your** personal information in order to fulfil that contract (that is, to provide **you** and **your dependants** with **our** products and services);
- **in our or a third party's legitimate interests** – details of those legitimate interests are set out in more detail in section 6 'legitimate interests' below.
- **required or allowed by law.**

We process special category information about **you** because:

- **it is necessary for the purposes of preventive or occupational medicine**, to assess whether **you** are able to work, medical diagnosis, to provide health or social care or **treatment**, or to manage health-care or social-

care systems (including to monitor whether **we** are meeting expectations relating to **our** clinical and non-clinical performance);

- **it is necessary for an insurance purpose** (for example, advising on, arranging, providing or managing an insurance contract, dealing with a claim made under an insurance contract, or relating to rights and responsibilities arising in connection with an insurance contract or law);
- **it is necessary to establish, make or defend legal claims** (for example, claims against **us** for insurance);
- **it is necessary for the purposes of preventing or detecting an unlawful act** in circumstances where **we** must carry out checks without **your** permission so as not to affect the outcome of those checks (for example, anti-fraud and anti-money-laundering checks or to check other unlawful behaviour, or carry out investigations with other insurers and third parties for the purpose of detecting fraud);
- **it is necessary for a purpose designed to protect the public against dishonesty, malpractice or other seriously improper behaviour** (for example, investigations in response to a safeguarding concern, a **member's** complaint or a regulator (such as the Care Quality Commission or the General Medical Council) telling **us** about an issue);
- **it is in the public interest, in line with any laws that apply;**
- **it is information that you have made public; or**
- **we have your permission.** As is best practice, **we** will only ask **you** for permission to process **your** personal information if there is no other legal reason to process it. If **we** need to ask for **your** permission, **we** will make it clear that this is what **we** are asking for, and ask **you** to confirm **your** choice to give **us** that permission. If **we** cannot provide a product or service without **your** permission (for example, **we** can't manage and run a health trust without health information), **we** will make this clear when **we** ask for **your** permission. If **you** later withdraw **your** permission, **we** will no longer be able to provide **you** with a product or service that

relies on having **your** permission.

We process criminal offence and conviction information as part of money laundering checks to comply with financial crime requirements.

6. Legitimate interests

Summary: **We** process **your** personal information for a number of legitimate interests, including managing all aspects of **our** relationship with **you**, for marketing, to help **us** improve **our** services and products, and in order to exercise **our** rights or handle claims. More detailed information about **our** legitimate interests is set out below.

More information: Legitimate interest is one of the legal reasons why **we** may process **your** personal information. Taking into account **your** interests, rights and freedoms, legitimate interests which allow **us** to process **your** personal information include:

- to manage **our** relationship with **you**, **our** business and third parties who provide products or services for **us** (for example, to check that **you** have received a service that **you're** covered for, to validate invoices and so on);
- to provide health-care services on behalf of a third party (for example, **your** employer);
- to make sure that claims are handled efficiently and to investigate complaints (for example, **we** may ask **your treatment** provider for information to make sure **we** receive accurate information and to monitor the quality of **your treatment** and care);
- to keep **our** records up to date and to provide **you** with marketing as allowed by law;
- to develop and carry out marketing activities and to show **you** information that is of interest to **you**, based on **our** understanding of **your** preferences (**we** combine information **you** give **us** with information **we** receive about **you** from third parties to help **us** understand **you** better);
- for statistical research and analysis so that **we** can monitor and improve products, services, websites and apps, or develop new ones;

- to contact **you** about market research **we** are carrying out;
- to monitor how well **we** are meeting **our** clinical and non-clinical performance expectations in the case of health-care providers;
- to enforce or apply **our** website terms of use, **our** policy terms and conditions or other contracts, or to protect **our** (or **our** customers' or other people's) rights, property or safety;
- to exercise **our** rights, to defend ourselves from claims and to keep to laws and regulations that apply to **us** and the third parties **we** work with; and
- to take part in, or be the subject of, any sale, purchase, merger or takeover of all or part of the Bupa business.

7. Marketing and preferences

We may use **your** personal information to send **you** marketing by post, by phone, through social media, by email and by text.

We can only use **your** personal information to send **you** marketing material if **we** have **your** permission or a legitimate interest as described above.

If **you** don't want to receive emails from **us**, **you** can click on the 'unsubscribe' link that appears in all emails **we** send. If **you** don't want to receive texts from **us** **you** can tell **us** by contacting **us** at any time. Otherwise, **you** can always contact **us** to update **your** contact preferences. See section 14 'data protection contacts' for details of how to contact **us**.

You have the right to object to direct marketing and profiling (the automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests) relating to direct marketing. Please see section 13 'your rights' below for more details.

8. Processing for profiling and automated decision-making

Summary: Like many businesses, **we** sometimes use automation to provide **you** with a quicker, better, more consistent and fair service, and marketing information **we** think will be of interest to **you** (including discounts on **our** products and services). This will involve evaluating information about **you** and, in some cases, using technology to provide **you** with automatic responses or decisions (automated decisions). Please see 'more information' below for further details.

You have the right to object to direct marketing and profiling relating to direct marketing (see section 13 'your rights' for more information). **You** may also have the right to object to other types of profiling and automated decision-making set out below. In these cases, **you** have the right to ask **us** to make sure that one of **our** advisers reviews an automated decision, to let **us** know how **you** feel about it and to ask **us** to reconsider the decision. **You** can contact **us** to exercise these rights. See section 14 'data protection contacts' for full contact details.

More information:

By law, **we** must tell **you** about:

- automated decision-making (making a decision using technology, without any person being involved); and
- profiling (automated processing of **your** information to help **us** evaluate certain things about **you**, for example, **your** personal preferences and **your** interests).

This is because **you** have certain rights relating to both automated decision-making and profiling. **You** have the right to object to profiling relating to direct marketing. If **you** do this, **we** will no longer carry out profiling for direct marketing purposes. **You** also have the right to object to profiling in other circumstances set out below.

When **we** make decisions using only automated processing which produce legal effects which concern **you** or which have a significant effect on **you**, **we** will let **you** know. **You** then have 21 days to ask **us** to reconsider **our** decision or to make a new decision that is not based only on automated processing. If **we** receive a request from **you**, within 21 days of receiving **your** request, **we** will:

- consider the request, including any information **you** have provided that is relevant to it;
- meet **your** request; and
- let **you** know in writing what **we** have done to meet **your** request, and the outcome.

You can contact **us** (see section 14 'data protection contacts' for details) to ask about these rights (see section 13 'your rights' for more details).

Profiling and automated decision-making

The processes set out below involve both profiling and automated decision-making.

- Depending on the type of insurance product that **you** want to benefit from, to help **us** decide what level of cover **we** can offer **you**, **we** will ask **you** to provide information about **your** medical history. **We** may use software to review this information to find out whether **you** have any previous or existing health conditions which **we** cannot cover **you** for and which will be excluded from **your** policy.
- **We** may use software to help **us** calculate the price of products and services based on what **we** know about **you** and other customers. For example, **our** technology may analyse information about **your** claims history and compare it with the information **we** hold about previous claims to evaluate how likely **you** are to need to make a claim. **We** may also evaluate **your** age, where **you** live and other details relating to **your** health (such as existing health conditions and whether **you** smoke) to calculate prices for community-rated products which are based on predefined groups with similar risk profiles.

Profiling

The processes set out below involve profiling.

- In order to improve outcomes and be more efficient, and allow **us** to offer advice about different **treatment** paths (for example, alternatives to surgery or other invasive **treatments**), **we** may use software to evaluate medical history and information about the general population in an area to identify customers who are likely to need that advice most.
- When **your** policy is due for renewal, **our** software tells **us** this and may also evaluate **your** payment and claims history, information about the general information in a particular area, other information **you** have given **us** about yourself, and other information from third parties to automatically provide **you** with information about what incentives **we** can offer **you** and the marketing messages **you** will receive.
- **We** ask other organisations to carry out some of **our** consumer and market analysis to improve **our** marketing processes. This involves sharing personal information relating to **our** customers with third parties who specialise in profiling and segmenting people (putting people into groups of different types of customer, based on different kinds of information collected about them, to help **us** to better target **our** products to them). These companies match the information **we** give them with information they get from other sources to improve the accuracy of their analysis. **We** use the results of this analysis to help **us** target marketing and offers.
- **We** may use information about the products **you** have bought, and information about what other customers who have bought the same products **you** have bought, to make sure **we** send **you** information about the products **you** are most likely to be interested in.
- **We** may share **your** personal information (including **your** name, date of birth, sex and the country **you** live in) with third-party companies who carry out fraud checks. **We** will review any matches from this process. (**We** will not use automated decision-making for this.)

9. Sharing your information

Summary: We share **your** information within the Bupa Group, with relevant policyholders (including **your** employer if **you** are covered under a group scheme), with funders arranging services on **your** behalf, with people acting on **your** behalf (for example, brokers and other agents) and with others who help **us** provide services to **you** (for example, health-care providers and medical-assistance providers) or who **we** need information from to allow **us** to handle or confirm claims or entitlements (for example, professional associations). **We** also share **your** information in line with the law. - organisations who provide **your treatment** and other benefits, including travel-assistance services.

If **we** share **your** personal information, **we** will make sure appropriate protection is in place to protect **your** personal information in line with data-protection laws.

10. Anonymised and combined information

We support ethically approved clinical research. **We** may use anonymised information (with all names and other identifying information removed) or information that is combined with other people's information, or reveal it to others, for research or statistical purposes. **You** cannot be identified from this information and **we** will only share the information in line with legal agreements which set out an agreed, limited purpose and prevent the information being used for commercial gain.

11. Transferring information outside the European Economic Area (EEA)

We deal with many international organisations and use global information systems. As a result, **we** transfer **your** personal information to countries outside the EEA (the EU **member** states plus Norway, Liechtenstein and Iceland) for the purposes set out in this privacy notice.

We take steps to make sure that, when **we** transfer **your** personal information to another country, appropriate protection is in place, in line with data-protection laws. We will let you know if we make automated decisions, our legal reasons for doing this and the rights you have.

Please note: Other than your right to object to us using your information for direct marketing (and profiling for the purposes of direct marketing), your rights are not absolute.
