PRE-AUTHORISATION

Please remember to pre-authorise your treatment

What is pre-authorisation?

- An agreement between **us** and **you** that the **treatment you** are requesting is **medically necessary** and eligible under the terms of **your** policy.
- It isn't generally mandatory and doesn't guarantee payment but can speed up the claims process

Why it's important:

- Pre-authorisation helps to facilitate more efficient claims processing as **we** are aware of the **treatment** in advance
- Pre-authorisation helps to ensure **you** are covered for the **treatment you** are requesting before **treatment** takes place and avoids surprises at the claims stage

How do I request pre-authorisation?

Pre-authorisation can be requested up to 30 days prior to the **treatment** start date, by contacting Customer Services via:

- Completing the form in MembersWorld or the mobile app
- By using webchat or messaging in MembersWorld or the mobile app
- By calling us on +852 2531 8503

How long does it take?

Often, when requested by telephone or webchat, pre-authorisation approval can be given right away. Email and MembersWorld requests will usually receive a response within 24 hours.

Pre-authorisation can take longer if referral for specialist review is required.

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan, provided that all the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by **your** plan,
- **you** have an active membership at the time that **treatment** takes place,
- **your** subscriptions are paid up to date,
- the **treatment** carried out matches the **treatment** authorised,
- **you** have provided a full disclosure of the condition and **treatment** required,
- **you** have enough benefit entitlement to cover the cost of the **treatment**,
- **your** condition is not a **pre-existing condition**,
- the **treatment** is medically necessary, and
- the **treatment** takes place within 31 days after pre-authorisation is given.

This is a summary, please refer to the 'Pre-authorisation' section of this **membership guide**, and insurance certificate for full details on how to claim.

THE CLAIMING PROCESS

If **you** need assistance with a claim **you** can

- Go online at membersworld.bupaglobal.com and web chat with **us**
- Call **us** on **+852 2531 8503**
- Email service.hk@bupaglobal.com

Whether **you** choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrangedirect settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**. Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or **healthcare facility**.

How to make a claim

The quickest way to submit **your** claim is to log on to **your** MembersWorld account and submit **your** claim electronically. **You** have the choice of submitting an on-line claim or uploading any completed claims form

Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.

Make sure **you** have given **your** correct bank details. Reimbursement by bank transfer is by far the quickest way to receive **your** payment.

Direct Settlement

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**.

Pay and Claim

The alternative is for **you** to pay and then claim back the costs from **us**.

How to use your plan

Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

Participating hospitals

To help **you** find a facility quickly and easy, visit bupaglobal.com/en/facilities/finder. **We** can normally arrange direct settlement with these facilities too.

Getting treatment in the U.S.

You must call **our** dedicated team on 844 369 3797 (from inside the **US**), or +1 844 369 3797 (from outside the U.S.) to arrange any **treatment** in the U.S.

Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** global **networks**, **our** knowledge and **our** experience.

Pre-authorising in-patient treatment and day-case treatment

You must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well.

The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

What to send

We must receive a fully completed claim form and the invoices for **your treatment**, within 2 years of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

Your claim form

You must ensure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- **we** can pay **you** or the **hospital**
- **we** can pay by cheque or by electronic transfer
- **we** can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

Tracking a claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld website.

Claim payment statement

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. Again, please contact **us** if **you** have any questions about this information. If **you** subscribe to **our** secure MembersWorld website, **you** can view **your** documents online, upload **your** claims and view **your** claims statement.

About your Membership

The international group plan is a group insurance plan. **You** are therefore one of a group of members, which has a **sponsor** (normally the company that **you**, the **principal member** work for).

This plan is governed by an **agreement** between **your sponsor** and Bupa (Asia) Limited, which covers the terms and conditions of **your** membership. This means that there is no legal contract between **you** and Bupa (Asia) Limited. Only the **sponsor** and Bupa (Asia) Limited have legal rights under the **agreement** relating to **your** cover, and only they can enforce the **agreement**.

As a member of the plan, **you** do have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our** members.

The following must be read together as they set out the terms and conditions of **your** membership:

- **you**, the **principal member's** application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in this Membership Guide
- **your** membership certificate

The full name of **your** insurer is shown on **your** membership certificate.

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** membership certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **Your** new country may have different regulations about health insurance. **You**, the **principal member** need to tell **your sponsor** of any change so that **we** can make sure that **you** have the right cover.

What is covered?

Please read this important information about the kind of costs that **we** cover.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received

- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Active treatment

This plan covers **you** for the costs of **active treatment** only. By this **we** mean **treatment** of a disease, illness or injury that leads to **your** recovery, conservation of **your** condition or to restore **you** to **your** previous state of health as quickly as possible.

Note: please see 'Wellness' and 'Full Health Screening' in the table of benefits and 'Preventive and wellness **treatment**' in the 'What is not covered?' section for information on preventive **treatment**.

Our approach to costs

When **you** are in need of a **treatment** provider, **our** dedicated team can help **you** find a **recognised medical practitioner, hospital or healthcare facility** within **network**.

Alternatively, **you** can view a summary of **treatment** providers on Facilities Finder at bupaglobal.com/en/facilities/finder. Where **you** choose to have **your treatment** and services with a **treatment** provider in **network**, **we** will cover all eligible costs of any covered benefits, once any applicable co-insurance or deductible amount which **you** are responsible to pay has been deducted from the total claimed amount.

Should **you** choose to have covered benefits with a **treatment** provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. This means that the costs charged by the **treatment** provider must be no more than they would normally charge, and be similar to other **treatment** providers providing comparable health outcomes in the same geographical region. These may be determined by **our** experience of usual, and most common, charges in that region. Government or official

medical bodies will sometimes publish guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure). In such cases, or where published insurance industry standards exist, **we** may refer to these global guidelines when assessing and paying claims. Charges in excess of published guidelines or **Reasonable and Customary** made by an 'out-of-**network**' **treatment** provider will not be paid.

This means that, should **you** choose to receive covered benefits from an 'out-of-**network**' **treatment** provider:

- **you** will be responsible for paying any amount over and above the amount which **we** reasonably determine to be **Reasonable and Customary** – this will be payable by **you** directly to **your** chosen 'out-of-**network**' **treatment** provider;
- **we** cannot control what amount **your** chosen 'out-of-**network**' **treatment** provider will seek to charge **you** directly.

There may be times when it is not possible for **you** to be treated at a **treatment** provider in **network**, for example, if **you** are taken to an 'out-of-**network**' **treatment** provider in an **emergency**. If this happens, **we** will cover eligible costs of any covered benefits (after any applicable co-insurance or deductible has been deducted).

If **you** are taken to an 'out-of-**network**' **treatment** provider in an **emergency**, it is important that **you**, or the **treatment** provider, contact **us** within 48 hours of **your** admission, or as soon as reasonably possible in the circumstances. If it is the best thing for **you**, **we** may arrange for **you** to be moved to a **treatment** provider in **network** to continue **your treatment** once **you** are stable. Should **you** decline to transfer to a **treatment** provider in **network** only the **Reasonable and Customary** costs of any covered benefits received following the date of the transfer being offered will be paid (after any applicable co-insurance or deductible has been deducted).

Additional rules may apply in respect of covered benefits received from an 'out-of-**network**' benefits provider in certain countries.

Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the 'What is not covered?' section so that **you** understand the exclusions on **your** plan.

Variations to your benefits

Your sponsor may have agreed variations to this benefit table with **your** insurer. If so, **your sponsor** will inform **you** of these variations.

How to read the Table of benefits

There are four levels of cover: Essential, Classic, Gold and Gold Superior. **You** need to read the column in the Table of benefits that applies to **your** level of cover, as shown on **your** membership certificate.

Benefit limits

There are two kinds of benefit limits shown in this table. The 'overall annual maximum' is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

Gold Superior cover only: on the Gold Superior level, this 'overall annual maximum' also incorporates an annual maximum per condition.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your** plan. This applies to all Bupa administered plans **you** have been a member of in the past, or may be a member of in the future, even if **you** have had a break in **your** cover.

Currencies

All the benefit limits in this table of benefits and notes are set out in three currencies: GBP, USD and EUR. The currency in which **your sponsor** pays **us** subscriptions is the currency that applies to **your** membership for the purpose of the benefit limits. The currency applicable for **your** contract is as shown on **your** membership certificate.

For example, if **your sponsor** pays **us** subscriptions in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have an **annual deductible**, **you** can either check on **your** membership certificate, through **our** MembersWorld website or contact the customer services helpline.

What is not covered?

In the 'Exclusion' section below, **we** list specific **treatments**, conditions and situations that **we** do not cover as part of **your** plan. In addition to these **you** may have personal exclusions or restrictions that apply to **your** plan, as shown on **your** membership certificate. No personal exclusions or restrictions shall apply where **we** have agreed with **your sponsor** that medical history has been disregarded.

Do you have cover for pre-existing conditions?

When **your sponsor** applied for **your** plan **you** may have been asked to provide all information about any disease, illness or injury for which **you** received medication, advice or **treatment**, or **you** had experienced symptoms before **you** became a customer - **we** call these **pre-existing conditions**.

Our medical team reviewed **your** medical history to decide the terms on which **we** offered **you** this plan. **We** may have offered to cover any **pre-existing conditions**, or decided to exclude specific **pre-existing conditions** or apply other restrictions to **your** plan. If **we** have applied any personal exclusion or other restrictions to **your** plan, this will be shown on **your** membership certificate. This means **we** will not cover costs for **treatment** of this **pre-existing condition**, related symptoms, or any condition that results from or is related to this **pre-existing condition**. Also **we** will not cover any **pre-existing conditions** that **you** did not disclose in **your** application.

If **we** have not applied a personal exclusion or restriction to **your** membership certificate, this means that any **pre-existing conditions** that **you** told **us** about in **your** application are covered under **your** plan. If **you** are unsure about anything in this section, please contact **us** for confirmation before **you** go for **your treatment**.

General Exclusions

The exclusions in this section apply in addition to and alongside any personal exclusions and restrictions explained above.

For all exclusions in this section, and for any personal exclusions or restrictions shown on **your** membership certificate, **we** do not pay for conditions which are directly related to:

- excluded conditions or **treatments**
- additional or increased costs arising from excluded conditions or **treatments**
- complications arising from excluded conditions or **treatments**

Important note:

Our global health plans are non-U.S. insurance products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). **Our** plans may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and **we** are unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not **you** or **your dependants** are subject to its requirements will depend on a number of factors. **You** should consult an independent professional financial or tax advisor for guidance. For customers whose coverage is provided under a group health plan, **you** should speak to **your** health plan administrator for more information.

Please note that, should **you** choose to have **treatment** or services with a **treatment** provider who is not part of **network**, **we** will only cover costs that are **Reasonable and Customary**. Additional rules may apply in respect of covered benefits received from an 'out-of-network' **treatment** provider in certain specific countries.

Pre-authorization

This section contains rules and information about what pre-authorization means and how it works.

We would like to make **you** aware that there are certain benefits which **you** must receive pre-authorization for. These are detailed in **your** 'Table of Benefits'. Benefit may not be paid unless pre-authorization has been provided.

What pre-authorization means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is eligible **treatment** that
- is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** subscriptions are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** required
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section)
- the **treatment** is **medically necessary**
- the **treatment** takes place within 31 days after pre-authorization is given

From time to time **we** may ask **you** for more detailed medical information, for example, to rule out any relation to a **pre-existing condition**. **We** may require that **you** have a medical examination by an independent **medical practitioner** appointed by **us** (at **our** cost) who will then provide **us** with a medical report. If this information is not provided in a timely manner once requested this may result in a delay in pre-authorization and to **your** claims being paid. If this information is not provided to **us** at all this may result in **your** claims not being paid.

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

We aim to arrange direct settlement wherever possible, but it has to be with the **agreement** of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or clinic.

Length of stay (in-patient treatment)

Your pre-authorization will specify an approved length of stay for **in-patient treatment**. This is the number of nights in **hospital** that **we** will cover **you** for. If **your treatment** will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorization.

Treatment in the U.S.

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the U.S. must be pre-authorized. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact **our** dedicated team for pre-authorization. All the information they need is on **your** membership card.

We have made special arrangements if **you** need to have **treatment** or be hospitalised or visit a doctor in the U.S. These include access to a select **network** of quality medical providers and direct settlement of all covered expenses when **you** receive **treatment** in a **network hospital**.

Treatment which has not been pre-authorized

If **you** choose not to get **your treatment** in the U.S. pre-authorized, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorized, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been taken to a **hospital** which is not part of the **network** and, if it is the best thing for **you**, **we** will arrange for **you** to be moved to a **network hospital** to continue **your treatment** once **you** are stable.

If **we** have been notified within 48 hours of an **emergency** admission to **hospital**, **we** will not ask **you** to share the cost of **your treatment**.

Out of network treatment

Even if **your treatment** in the U.S. has been pre-authorized, but **you** choose to use a **hospital**, clinic or **medical practitioner** out of **network**, **we** will only pay **Reasonable and Customary** costs towards the cost of covered **treatment**. Please see the "**Our** approach to costs" section of this membership guide.

There may be times when it is not possible for **you** to be treated at a **network hospital**. These include:

- where there is no **network hospital** within 30 miles of **your** address, and
- when the **treatment** **you** need is not available in the **network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

Important rules

Please note that pre-authorization is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

We reserve the right to withdraw or amend **our** decision if information is subsequently received that may be contradictory to the information initially given to **us** at the time the decision is being made. Failure to comply with any request for additional information may be deemed to be indicative of fraudulent activities. Should such a failure occur, information may be disclosed to third parties (including other insurers) with the intention of preventing and detecting fraud.

Making a Claim

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

How to make a claim

Claim forms

Your claim form is important as it gives **us** the information that **we** need to process **your** claim. If it is not fully completed **we** may have to ask for more information. This can delay payment of **your** claim.

You must complete a new claim form:

- for each member
- for each condition
- for each in-patient or day-case stay, and
- for each currency of claim

If a condition continues over six months, **we** will ask for a further claim form to be completed.

What to send us

You need to return the completed form to **us** by post, with the invoices, as soon as possible. This must be within 2 years of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after 2 years will not normally be paid unless there is a good reason why it was not possible for **you** to make the claim earlier. **We** cannot return any original documents but **we** can send **you** copies if **you** request.

Requests for further information

We may need to ask **you** for further information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the **treatment** for which **you** are claiming
- the results of any medical examination performed at **our** expense by an independent **medical practitioner** appointed by **us**
- written confirmation from **you** as to whether **you** think **you** can recover the costs **you** are claiming from another person or insurance company

If **you** do not provide the information that **we** ask for, **we** may not pay **your** claim in full.

Please also read about correspondence in the 'Your membership' section.

Important

When making a claim please note:

- **you** must have received the **treatment** while covered under **your** membership
- payment of **your** claim will be under the terms of **your** membership and up to the benefit levels shown, that apply to **you** at the time **you** receive the **treatment**
- **we** will only pay for **treatment** costs actually incurred by **you**, not deposits or advance invoices or registration/administration fees charged by the provider of **treatment**
- **we** will only pay for **treatment** costs that are **Reasonable and Customary**

- **we** do not return original documents such as invoices or letters. However, **we** will be pleased to return copies if **you** ask **us** when **you** submit **your** claim.

Fraud prevention and detection

We have the right, where appropriate, to check **your** details with fraud prevention agencies, other insurers and other relevant third parties for the purpose of preventing and detecting false information or fraudulent activity. If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with a fraud prevention agency. **We** and other organisations may also use and search these records to:

- help make decisions about benefit and benefit related services for **you** and members of **your** plan
- help make decisions on other insurance proposals and claims for **you** and members of **your** plan/group
- trace debtors, recover debt, prevent fraud and to manage **your** insurance plans
- establish **your** identity
- undertake credit searches and additional fraud searches.

Fraudulent Claims

You and any **dependant** (or anyone acting on behalf of **you** or any **dependant**) must not:

- make a fraudulent or exaggerated claim under this plan;
- send **us** fake or forged documents or other false evidence, or make a false statement in support of a claim;
- provide **us** with information which **you** or any **dependant** knows would otherwise enable **us** to refuse to pay a claim under this plan; and/or
- refuse to cooperate or fail to provide information / documentation reasonably requested by **us** to validate **your** claim(s), whether pending or paid (including but not limited to proof of payment, medical reports and original invoices).

Failure to comply with the above will give **us** the right to:

- refuse to pay the whole of the claim and any other claim(s) submitted since the date of that claim;
- recover any payments **we** have already made in respect of the claim and/or other claims submitted since that claim(s); and/or
- notify **you** that this plan (or if the fraudulent claim is made by or on behalf of a particular **dependant**, the cover under this plan for that particular **dependant**) has terminated from the date the claim(s) was submitted, and **we** will not refund the premium.

Confirmation of your claim

We will always send confirmation of how **we** have dealt with a claim. If applicable, for child **dependants** (those aged under 18 years), **we** will write to the **principal member**. If the claim is for **treatment** received by the **principal member**, or an adult **dependant** (those aged over 18 years), **we** will write directly to the individual concerned.

How your claim will be paid

Wherever possible, **we** will follow the instructions given to **us** in the 'Payment details' section of the claim form.

Who we will pay

We will only make payments to the member who received the **treatment**, the provider of the **treatment**, the **principal member** of the membership or the executor or administrator of the member's estate. **We** may pay a **dependant** only where the **dependant** received the covered benefits, they are over 18 and **we** have their current bank details. **We** will not make payments to anyone else.

Payment method and bank charges

We will make payment where possible by electronic transfer or by cheque. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

We will instruct **our** bank to recharge the administration fee relating to the cost of making the electronic transfer to **us** but **we** cannot guarantee that these charges will always be passed back for **us** to pay. In the event that **your** local bank makes a charge for a wire transfer **we** will aim to refund this as well. Any other bank charges or fees, such as for currency exchange, are **your** responsibility, unless they are charged as a result of **our** error.

Cheques are no longer valid if they are not cashed within 6 months. If **you** have an out-of-date cheque, please contact customer services, who will be happy to arrange a replacement.

Payment currency and conversions

We can pay in the currency in which **your** **sponsor** pays **your** subscriptions, the currency of the invoices **you** send **us**, or the currency of **your** bank account.

Sometimes, the international banking regulations do not allow **us** to make a payment in the currency **you** have asked for. If so, **we** will send a payment in the currency of **your** **sponsor's** subscriptions. Where payment to **you** in the usual currency may expose **us** (or **our** Bupa group of companies and administrators) to the risk of any sanction, prohibition or restriction under the laws of any relevant jurisdiction and/or United Nations resolution, **we** reserve discretion to pay **you** in such other currency as **we** are permitted and able to make payment in, if any such payment is permitted to be made.

If **we** have to make a conversion from one currency to another, the exchange rate **we** use will be Reuters closing spot rate set at 16.00 **UK** time on the **UK** working day preceding the invoice date. If there is no invoice date, **we** will use the date of **your** **treatment**.

Other claim information

Discretionary payments

We may, in certain situations, make discretionary or 'ex gratia' payments towards **your** **treatment**. If **we** make any payment on this basis, this will still count towards the overall maximum amount **we** will pay under **your** membership. Making these payments does not oblige **us** to pay them in the future.

We do not have to pay for **treatment** that is not covered by **your** plan, even if **we** have paid an earlier claim for a similar or identical **treatment**.

Incorrect payment of claims

If **we** incorrectly make any payment of **your** claim, **we** reserve the right to deduct the incorrectly paid amount from future claims or seek repayment from **you**.

Claiming for treatment when others are responsible

You must complete the appropriate section of the claim form if **you** are claiming for **treatment** that is needed when someone else is at fault, for example in a road accident in which **you** are a victim. If so, **you** will need to take any reasonable steps **we** ask of **you** to assist **us** to:

- recover from the person at fault (such as through their insurance company) the cost of the **treatment** paid for by **Bupa Global**, and
- claim interest if **you** are entitled to do so

If any person is to blame for any injury, disease, illness, condition or other event in relation to which **you** receive any covered benefits, **we** may make a claim in **your** name.

You must provide **us** with any assistance **we** reasonably require to help make such a claim, for example:

- providing **us** with any documents or witness statements;
- signing court documents; and
- submitting to a medical examination.

We may exercise **our** rights to bring a claim in **your** name before or after **we** have made any payment under the membership. **You** must not take any action, settle any claim or otherwise do anything which adversely affects **our** rights to bring a claim in **your** name.

Claiming with joint or double insurance

You must complete the appropriate section on the claim form, if **you** have any other insurance cover for the cost of the **treatment** or benefits **you** have claimed from **us**. If **you** do have other insurance cover, this must be disclosed to **us** when claiming, and **we** will only pay **our** share of the cost of the **treatment** or benefits claimed.

Assistance Cover

(optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** membership certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

What is Assistance cover?

When the **treatment** **you** need is not available locally, the Evacuation and Repatriation options both cover **you** for reasonable transport costs to the nearest appropriate place of **treatment** where the **treatment** that **you** need is available, if it is not available locally. Repatriation also gives **you** the option of returning to **your specified country of nationality** or **your specified country of residence** when the **treatment** is not available locally.

We may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

Assistance cover—general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- **you** must contact **our** appointed representatives for confirmation before **you** travel, on +44 (0) 1273 333 911
- **our** appointed representatives must agree the arrangements with **you**
- Assistance cover is applicable for **in-patient treatment** and **day-case treatment** only
- the **treatment** must be recommended by **your consultant** or **family doctor** and, for medical reasons, not available locally
- the **treatment** must be eligible under **your** plan

- **you** must have cover for the country **you** are being treated in, for example the U.S.
- **you** must have the appropriate level of Assistance cover in place before **you** need the **treatment**

Evacuation or Repatriation will not be eligible if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

We will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling +852 2531 8503. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa Global's** appointed representatives.

Evacuation cover:

What we will pay for

If **you** have Evacuation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**. It may also be authorised if **you** need advanced imaging or cancer **treatment** such as radiotherapy or chemotherapy.
- **We** will only pay for Evacuation to the nearest place where the required **treatment** is available when the required **treatment** is not available locally. This could be to another part of the country that **you** are in, and may not be **your** home country.

- **We** will pay for the reasonable travel costs for a relative or **your** partner to accompany **you**, but only if it is **medically necessary**.
- **We** will also pay for the reasonable costs of **yours** and **your** relative or partner's return journey to the place **you** were evacuated from. All arrangements for **your** return should be approved in advance by **Bupa Global** or **our** appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of an economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets etc, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment** **you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Repatriation cover:

What we will pay for

If **you** have Repatriation cover it will be shown on **your** membership certificate. If **you** are still unsure **you** can visit **our** MembersWorld website or contact the customer services helpline. Repatriation cover also includes Evacuation cover — see above.

- **We** will pay in full for **your** reasonable transport costs for **in-patient treatment** or **day-case treatment**.

- **We** will pay for repatriation to **your specified country of nationality** or **your specified country of residence**.
- **We** will pay for one repatriation for each illness or injury per lifetime.
- **We** will pay the reasonable costs for a relative or **your** partner to accompany **you** to **your specified country of nationality** or **your specified country of residence** if **we** have authorised this in advance of the repatriation.
- **We** will also pay an allowance of up to GBP 25, USD 50 or EUR 37 per day for up to 10 days to cover the living expenses of the person accompanying **you**.
- **We** will pay for **you** and the person accompanying **you** to return to where **you** were repatriated from. All arrangements for **your** return must be approved in advance by **Bupa Global** or **our** appointed representatives.

We will pay for either:

- the reasonable cost of the return journey by the most direct route available by land or sea, or
- the cost of a scheduled return economy class air ticket by the most direct route available, whichever is the lesser amount
- **we** will pay reasonable costs for the transportation only of **your** body, subject to airline requirements and restrictions, to **your** home country, in the event of **your** death while **you** are away from home. **We** do not pay for burial or cremation, the cost of burial caskets etc, or the transport costs for someone to collect or accompany **your** remains

Note: **we** do not pay for any other costs related to the repatriation such as hotel accommodation or taxis. Costs of any **treatment** **you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

Annual Deductibles

Please read this section if **you** have an **annual deductible** on **your** plan.

Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the **annual deductible**, **you** should still submit a claim to **us**
- this is an **annual deductible**, therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**
- if **your** claims are paid direct to **your** medical provider, **you** are responsible for paying any deductible shortfall to the provider after the claim has been assessed and paid

What is an annual deductible?

The **annual deductible** is the total value that **your** eligible claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of GBP 500, the total value of **your** eligible claims must reach GBP 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** membership certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

Annual deductibles are only available on the following levels of cover:

- Essential
- Classic
- Gold
- Gold with dental

The following levels of cover do not qualify for **annual deductibles**:

- Classic with dental
- Gold Superior
- Gold Superior with optical and dental

How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement informing **you** how much is left.

If an eligible claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all eligible claims in full, up to the benefit limits of **your** plan.

How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- **your** benefit will be paid less the amount of the **annual deductible**
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**

How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- **we** will send payment to the medical provider for the eligible claim. **We** will deduct from this payment the remaining **annual deductible** on **your** membership
- **we** will send **you** a statement as usual, confirming the amount that **we** have paid towards **your** claim
- **you** are responsible for paying any shortfall to the provider after **your** claim has been assessed and paid

You are responsible for paying the **annual deductible** in all circumstances.

Your Membership

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

Paying subscriptions and other charges

Your sponsor has to pay any and all subscriptions due under the **agreement**, together with any other charges (such as insurance premium tax) that may be payable.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first membership certificate that **we** sent **you**, the **principal member** for **your** current continuous period of international group membership.

Renewing your membership

The renewal of **your** membership is subject to **your sponsor** renewing **your** membership under the **agreement**.

Ending your membership

Your sponsor can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable), from the first day of a month by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

Your membership will automatically end:

- if the **agreement** between Bupa (Asia) Limited and **your sponsor** is terminated
- if **your sponsor** does not renew **your** membership
- if **your sponsor** does not pay subscriptions or any other payment due under the **agreement** for **you** or for any other person
- if the membership of the **principal member** ends
- upon the death of the **principal member**

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes. **We** may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens. The details of regulations vary from country to country and may change at any time.

In some countries **we** have local partners who are licensed to provide insurance cover but which are administered by **Bupa Global**. This means that customers experience the same quality **Bupa Global** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of **Bupa Global**

membership; which means that for those benefits which aren't covered until **you** have been a member for a certain period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If **you** change **your specified country of residence** or **your specified country of nationality**, please call **our** customer services helpline so **we** can confirm if **your** membership is affected, and, if so, whether **we** can offer **you** a transfer service.

After your Company membership ends

You, the **principal member** can apply to transfer to a personal **Bupa Global** plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**. Please contact the customer service helpline for more information.

Making changes to your cover

The terms and conditions of **your** membership may be changed from time to time by **agreement** between **your sponsor** and Bupa (Asia) Limited or where there is a legal or regulatory requirement to do so.

Amending your membership certificate

We will send **you**, the **principal member** a new membership certificate if:

- with the **sponsor's** approval, **you**, the **principal member** add a new **dependant** to **your** membership (if applicable)
- **we** need to record any other changes requested by **your sponsor** or that **we** are entitled to make

Your new membership certificate will replace any earlier version **you** possess as from the issue date shown on the new membership certificate.

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

Applicable law

Your membership is governed by the laws of Hong Kong. Any dispute that cannot otherwise be resolved will be dealt with by courts in Hong Kong.

If any dispute arises as to interpretation of this document then the English version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document.

This can be obtained at all times by contacting the customer services helpline.

No Third Parties Rights

Any person or entity who is not the policyholder (being the main applicant on the application for this membership) under this membership shall have no rights under the Contracts (Rights of Third Parties) Ordinance (Chapter 623, Laws of Hong Kong) to enforce any terms of this policy.

Provision of accurate and complete information

You and any **dependant** must take reasonable care to make sure that all information provided to **us** is accurate and complete, at the time **you** take out this membership, and at each renewal and variation of this membership. **You** and any **dependant** must also tell **us** if any of the answers to the questions in the application form change prior to this membership starting. Otherwise, the following apply with effect from the date the membership was taken out, renewed or varied (depending on when **we** were provided with inaccurate or incomplete information).

A. **We** may treat this membership as if it had not existed if **you** deliberately or recklessly give **us** inaccurate or incomplete information.

B. Where **you** negligently or carelessly give **us** inaccurate or incomplete information, or where A. applies but **we** choose not to rely on **our** rights under A, **we** may treat the membership and any claims in a way which reflects what **we** would have done if **we** had been provided with accurate and complete information, as follows:

- if **we** would have refused to cover **you** at all, **we** may treat this membership as if it had not existed;
- if **we** would have provided **you** with cover on different terms, then **we** may apply those different terms to this membership. This means a claim will only be paid if it is covered by and/or if **you** have complied with such different terms - for example **your** membership may contain new personal restrictions or exclusions; and/or
- if **we** would have charged **you** a higher premium, **we** may reduce the amount payable on any claim by comparing the additional premium to the original premium. For example, **we** will only pay half of a claim, if **we** would have charged double the premium.

Where it is a **dependant** (or **you** on their behalf) who has provided incomplete or inaccurate information, the same rules apply but only to that part of the membership which applies to the **dependant**, or to claims made by that **dependant**.

The same rules apply if someone else provides **us** with information on **your** behalf or any **dependant's** behalf.

Liability

Our role under this policy is to provide **you** with insurance cover and sometimes to make arrangements (on **your** behalf) for **you** to receive any covered benefits. It is not **our** role to provide **you** with the actual covered benefits.

You the **principal member**, on behalf of yourself and the **dependants**, appoint **us** to act as agent for **you**, to make appointments or arrangements for **you** to receive covered benefits which **you** request. **We** will use reasonable care when acting as **your** agent.

We (and **our** Bupa group of companies and administrators) shall not be liable to **you** or anyone else for any loss, damage, illness and/or injury that may occur as a result of **your** receiving any covered benefits, nor for any action or failure to act of any benefits provider or other person providing **you** with any covered benefits. **You** should be able to bring a claim directly against such benefits provider or other person.

Your statutory rights are not affected.

Sanction clause

We will not provide cover nor pay claims under this policy if **our** obligations (or the obligations of **our** group companies and administrators) under the laws of any relevant jurisdiction, including **UK**, European Union, the United States of America, or international law, prevent **us** from doing so. **We** will normally tell **you** if this is the case unless this would be unlawful or would compromise **our** reasonable security measures. This policy does not provide cover to the extent that such cover would expose **us** (or **our** group companies and administrators) to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **UK** or United States of America, or under other relevant international law.

Adding Dependants

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your dependants** under **your** membership. To apply **you**, the **principal member** will need to complete a Company Application form which can be downloaded easily from membersworld.bupaglobal.com or **you** can contact **us** and **we** will send one to **you**.

The medical history for all additional **dependants you** apply to include on **your** membership will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions, which are personal to them and which will be shown on **your** membership certificate or **we** may decline to offer cover.

This does not apply if **your sponsor** has purchased cover with medical history disregarded. Please contact the customer services helpline if **you** are not sure if this applies to **you**.

Adding your Newborn

Newborn children are eligible for newborn care and can be included on **your** membership from their date of birth when **you** have completed a newborn application form and **we** have received it before **your** child is 30 days old.

If **your** application form is not received within 30 days of birth, the newborn care benefit will be eligible from the date of receipt up until the 90th day.

If **your** membership is subject to underwriting any exclusions or restrictions will be applied from their 91st day of birth, or **we** may decline to offer cover

Where full U.S. cover has not been purchased prior to the mother falling pregnant, newborn care/**treatment** will not be covered by the 28 day **emergency** U.S. cover or other, unless the baby is prematurely born in unforeseen circumstances.

Please read 'Newborn care' benefits in **your** 'Table of benefits'.

Adding U.S. cover to your plan

You the **principal member** can apply to include coverage in the U.S. at any time following **your** original date of joining. To apply **you** will need to complete a Company application form which can be downloaded easily from MembersWorld at membersworld.bupaglobal.com. **Your** application will be reviewed by **our** medical underwriters and may result in exclusions or restrictions specific to coverage in the U.S.

When cover starts for others on your membership

If any other person is included as a **dependant** under **your**, the **principal member's** membership, their membership will start on the 'effective date' on the first membership certificate **we** sent **you** for **your** current continuous period of international group membership which lists them as a **dependant**. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If **your**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.
