A FEW THINGS THAT MAKE US DIFFERENT

REINVEST IN HEALTH

Your health is at the heart of everything we do. To maintain this focus, we continue to remain free of shareholders, re-investing profits back into our business. It fuels our drive to innovate and improve how we deliver first-class services and access to care.

SUPPORTING MENTAL HEALTH

At Bupa Global we believe that mental health and wellbeing are just as important as physical health. To support this, both annual and monetary limits across our plans for in-patient and day-patient mental health treatment are the same as for physical health treatment.

GLOBAL ACCESS IN YOUR HANDS

The 'Global Virtual Care' app provides you with access to a global network of doctors, offering medical guidance and consultations, plus same day virtual appointments - available 24/7.

FINANCIAL REASSURANCE

Health insurance isn't just about your health. It's also about not worrying about unexpected costs. With us by your side, you can simply focus on enjoying life.

MULTILINGUAL ADVISERS

When it comes to healthcare advice, we know that speaking to someone in your own language is more than reassuring. It's key. For this reason, our team of advisers are able to offer 24/7 telephone support in multiple languages.

THE VALUE OF A SECOND OPINION

The Second Medical Opinion service is available for all our Bupa members when making a medical decision for a serious, complex or chronic condition, or if you have unanswered questions and you need some reassurance.

PRE-EXISTING CONDITIONS

We don't believe past health issues should stop you from enjoying your future. That's why many pre-existing conditions could be covered under our global health plans, subject to our General Exclusions and medical underwriting. An additional premium may apply.

ACCESS YOUR ACCOUNT ONLINE

You can now access our exclusive and secure website and mobile app **MembersWorld** whenever you need to. With it, you can submit and track progress of claims, submit pre-authorisation requests, get access to your membership card and insurance documents and chat to us anytime with our in-app messaging service.
