Pre-authorisation

Please remember to pre-authorise your treatment

What is pre-authorisation?

- An agreement between **us** and you that the **treatment** you are requesting is medically appropriate and eligible under the terms of your policy.
- It isn't generally mandatory and doesn't guarantee payment but can speed up the claims process

Why it's important:

- Pre-authorisation helps to facilitate more efficient claims processing as **we** are aware of the **treatment** in advance
- Pre-authorisation helps to ensure you are covered for the **treatment** you are requesting before treatment takes place and avoids surprises at the claims stage

How do I request a pre-authorisation?

Contact Customer Services by:

- Completing the form in MembersWorld
- Calling +852 2531 8503

How long does it take?

Often, when requested by telephone, pre-authorisation approval can be given right away. MembersWorld

requests will usually receive a response within 24 hours.

Pre-authorisation can take longer if referral for **specialist** review is required.

If **we** pre-authorise your **treatment**, this means that **we** will pay up to the limits of your **insurance** plan, provided that all the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by your **insurance** plan,
- you have an active policy at the time that **treatment** takes place,
- your premium is paid up to date,
- the **treatment** carried out matches the **treatment** authorised,
- you have provided a full disclosure of the condition and **treatment** required,
- you have enough benefit entitlement to cover the cost of the **treatment**,
- your condition is not a **pre-existing condition**, (unless approved for cover at point of underwriting),
- the **treatment** is medically necessary, and
- the **treatment** takes place within 31 days after pre-authorisation is given.

This is a summary, please ensure you read the full details of your cover in the Table of Benefits, **Terms and Conditions** and your **insurance certificate**.

The claiming process

If you need assistance with a claim you can

- Go online at <https://membersworld.bupaglobal.com>
- Call us on +852 2531 8503
- Email service.hk@bupaglobal.com

Whether you choose direct payment or 'pay and claim' **we** provide a quick and easy claims process. **We** aim to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the treatment. In general, direct settlement can only be arranged for in-patient treatment or day-case treatment. Direct settlement is easier for us to arrange if you pre-authorise your **treatment** first, or if you use a participating hospital or healthcare facility.

How to make a claim

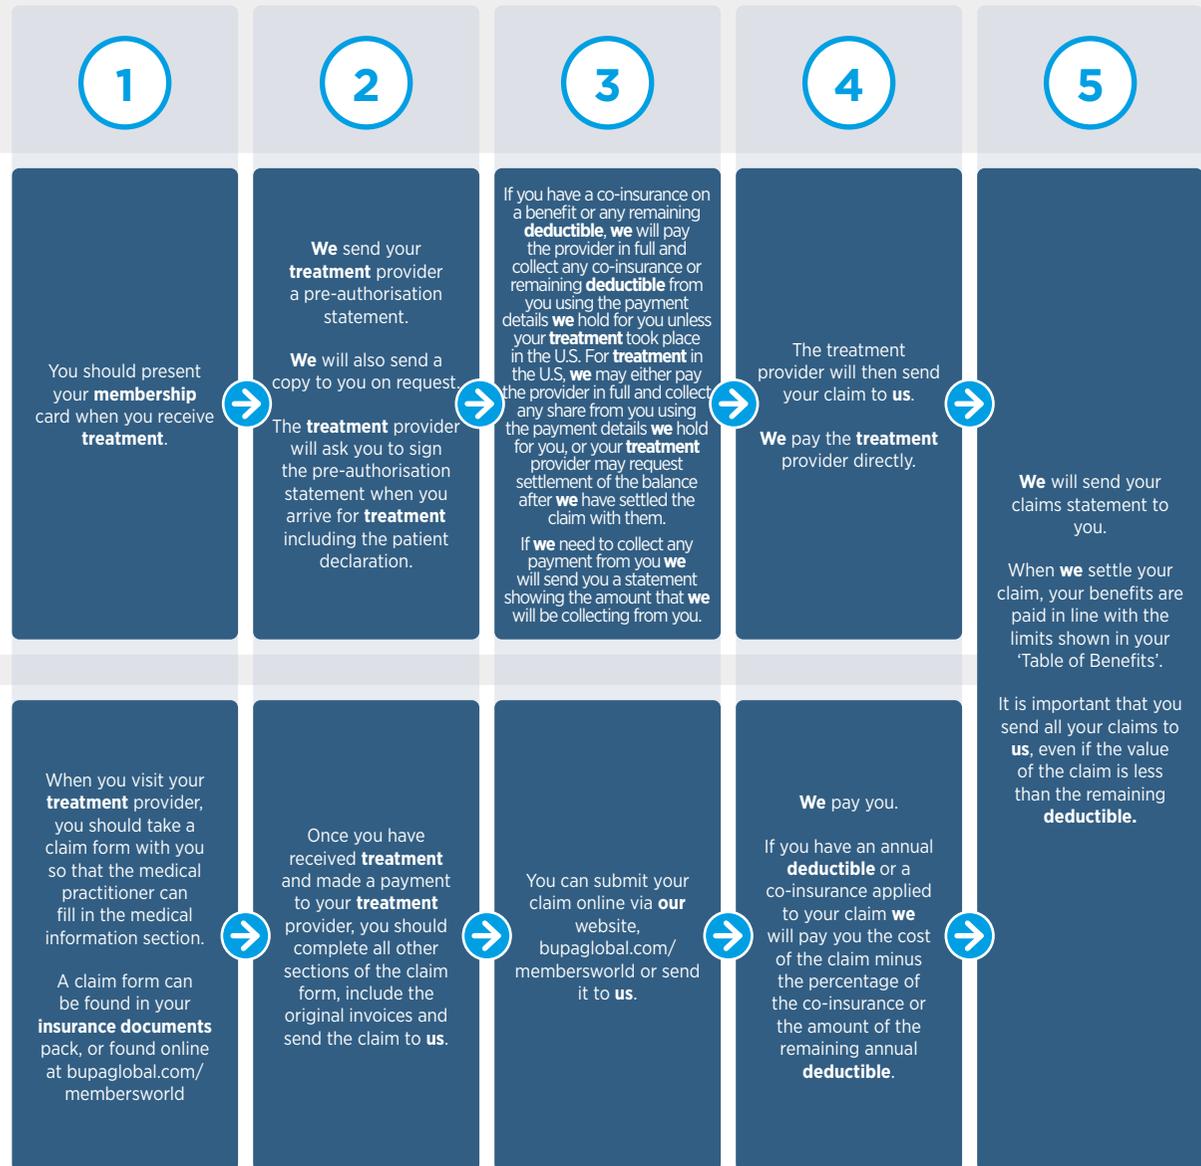

- The quickest way to submit your claim is to log on to your MembersWorld account and submit your claim electronically. You have the choice of submitting an on-line claim or uploading any completed claims form.
- Make sure **we've** got all the information as the biggest delay to paying a claim is normally incomplete, missing or ineligible information.
- Make sure you have given your correct bank details. Payment by bank transfer is by far the quickest way to receive your payment.

Direct Settlement

Direct settlement is where the provider of your **treatment** claims directly from **us**, making things easier for you.

Pay and Claim

The alternative is for you to pay and then claim back the costs from **us**.

3.3: The **Company** will process the extension of cover as a new **application** in accordance with Art. 1.

3.4: If extended cover is taken out under the **insurance** contract, the right to payment under such extension shall only become effective four weeks after the **original date of joining** of the extension. 3.4.1: In the event of **acute serious illness** and **serious injury**, the right to payment under the extended cover shall, however, take effect concurrently with the **original date of joining** of the extension.

Art. 4

Who is covered by the insurance?

4.1: The **insurance** shall cover the **customer(s)** named in the **insurance certificate**, including children registered therein.

4.2: Children under 10 years of age can be insured at no extra cost with identical coverage of the paying adult if the requirements for acceptance on **standard terms**, cf Art. 1.2, are met. A maximum of two children at no extra cost per paying adult, and a total maximum of four children at no extra cost per **insurance** apply.

4.2.1: Cover at no extra cost for children shall furthermore be subject to:

- the child being registered with the **Company**, and
- one of the **customers** having legal custody of the child, and
- the child being registered at the same address as the **customer** having legal custody of the child.

4.3: An **application** must be submitted for each person the **policyholder** wishes to add to the **insurance**, including newborn children.

4.3.1: If the **insurance** of one of the parents has been valid for a minimum of 12 months, newborn children of the parent can be insured, irrespective of Art. 1.2, without submitting an **application**, cf however, Art. 12.2 f). A copy of the birth certificate must, however, be submitted within three months after the birth.

If the birth certificate is not submitted to the **Company** within three months after the birth, a Medical Questionnaire must be submitted for the child who has to undergo the standard underwriting procedure according to Art. 1.2. Registration of the child will take place from the date the Medical Questionnaire has been signed.

4.3.2: In case of adoption and for children born as a result of infertility treatment and/or born by a surrogate, the **customer** must submit a Medical Questionnaire for such children.

Art. 5

Where is cover provided?

5.1: The **insurance** shall provide worldwide cover unless otherwise stated in the **insurance certificate**.

Art. 6

What is covered by the insurance?

6.1: The **insurance** shall cover the medical expenses incurred by the **customer** in accordance with the cover chosen and the applicable Table of Benefits. The benefits for which expenses are covered and the **benefit limits** are stated in the Table of Benefits.

6.2: Payment shall be paid following **our** approval of the expenses as being covered by the **insurance** after the receipted and itemised invoices, provided with the **membership** number and a claim form, have been received by **us**. (cf also 'Quick Reference Guide').

6.3: Once the covered expenses have met the annual **deductible**, the amount payable will be paid. If your claim is for an amount higher than the value of your **deductible** or remaining **deductible**, **we** will pay for covered expenses after the **deductible** has been met in full. Once your **deductible** has been reached, all covered expenses will be paid in line with your **benefit limits**. The **deductible** shall apply per person per policy year.

6.3.1: In case of an accident where three or more **family members** insured with the **Company** are involved, only one **deductible**, the highest, is applied.

6.8: Any ex-gratia payments are at the **Company's** discretion. If the **Company** makes a payment to which the **customer** is not entitled under the **insurance**, this will still count toward the annual maximum cover per person per policy year.

6.8.1 The **Company** is not required to pay for any **treatment** or condition that is not covered by the **customer's insurance** cover, even if the **Company** has paid an earlier claim for similar or identical **treatments** or conditions, including where such earlier payment was made at the **Company's** error.

6.9: The **Company's** global health **insurance** products are non-U.S. **insurance** products and accordingly are not designed to meet the requirements of the U.S. Patient Protection and Affordable Care Act (the Affordable Care Act). The **Company's insurance** products may not qualify as minimum essential coverage or meet the requirements of the individual mandate for the purposes of the Affordable Care Act, and the **Company** is unable to provide tax reporting on behalf of those U.S. taxpayers and other persons who may be subject to it. The provisions of the Affordable Care Act are complex and whether or not the **customer** is subject to its requirements will depend on a number of factors. The **customer** should consult an independent professional financial or tax advisor for guidance. For **customers** whose coverage is provided under a group **insurance**, the **customer** should speak to the group health **insurance** administrator for more information.

In case of disagreement, the decision of the **Company's** medical consultant shall prevail.

The evacuation expenses for an eligible transportation are only covered if the transportation is arranged or pre-authorised by the **Company**.

10.1.4: The expenses for transportation covered under the **insurance**, but not arranged by the **Company**, shall only be compensated with an amount equivalent to the expenses the **Company** would have incurred, had the **Company** arranged the transportation.

10.1.5: The **insurance** shall cover reasonable and necessary transportation expenses for one person accompanying the **customer**.

10.1.6: Only one transportation is covered in connection with one course of an illness.

10.1.7: Module 3 shall only apply if the illness is covered under the **insurance**.

10.1.8: In the event that the **customer** is evacuated/repatriated for the purpose of receiving **treatment**, he/she and the accompanying person, if any, shall be reimbursed for the expenses for a return journey to the **customer's** place of residence/home country. Cover shall only be provided for travel expenses equivalent to the cost of an aeroplane ticket on economy class, as a maximum.

10.1.11: The **Company** cannot be held liable for any delays or restrictions in connection with the transportation caused by weather conditions, mechanical problems, restrictions imposed by public authorities or by the pilot or any other condition

beyond the **Company's** control.

(cf also 'Quick Reference Guide'). **We** scan submitted invoices upon receipt. Any retrieval of the submitted invoices is not possible.

13.3: The **Company** shall be notified immediately of any stays in hospital, and such notification must include the physician's diagnosis. All notifications should be made by telephone, fax or email; the **Company** shall defray all expenses incurred in this connection.

Art. 14

Cover by third parties

14.1: Where there is cover by another insurance policy or healthcare plan, this must be disclosed to the **Company** when claiming payment, and the cover under this **insurance** shall be secondary to any such other insurance policy or healthcare plan.

14.1.1: Upon receipt of an itemised statement from another insurer and a copy of the invoices the **Company** will apply the amount reimbursed by that other insurer to write down the existing **deductible** and/or co-insurance on the health

insurance plan(s) which the **customer** has with the **Company** if the reimbursed benefits would have been covered by the **Company**.

In order to have the **deductible** written down with the amount covered by the local insurer, it is a requirement that the **deductible** has not already been used in connection with earlier claims. **Bupa Global** does not correct previous payments in order to assess expenses related to a local insurer.

14.2: In these circumstances, the **Company** will coordinate payments with other companies and the **Company** will not be liable for more than its rateable proportion.

14.3: If the claim is covered in whole or in part by any scheme, programme or similar, funded by any Government, the **Company** shall not be liable for the amount covered.

14.4: The **policyholder** and any dependants undertake to co-operate with the **Company** and to notify the **Company** immediately of any claim or right of action against third parties.

14.5: Furthermore, the **policyholder** and any dependants shall keep the **Company** fully informed and shall take any reasonable step in making a claim upon another party and to safeguard the interests of the **Company**.

14.6: In any event, the **Company** shall have the full right of **subrogation**.

Art. 15

Payment of premium

15.1: Premiums are determined by the **Company** and shall be payable in advance. The **Company** adjusts the premiums once a year as from the **policy anniversary** on the basis of changes in the cover and/or the loss experience in the **insurance** class during the previous calendar year.

15.2: The premium is age-related and will therefore also be adjusted on the first **policy anniversary** after the **customer's** birthday.

15.3: The initial premium shall fall due on the **original date of joining**. The **policyholder** may choose between quarterly, semi-annual and annual payment.

15.4: Changes in the terms of payment can only be made at 30 days' notice by email, letter or phone prior to the **policy anniversary**.

15.5: The premium is due on the **due date** stated in the premium notice.

15.6: The **policyholder** shall be responsible for punctual payment of the premium to the **Company**. If the premium has not been received by the **Company** on the **due date**, the **Company's** liability shall cease.

15.7: The **policyholder's** attention is drawn to Art. 6.5 regarding payment of outstanding amounts.

15.8: Other charges, such as Insurance Premium Tax (IPT), or other taxes, levies or charges, depending on the laws of the **policyholder's country of residence** may apply. If they apply to the **policyholder's insurance** premium, they will be included within the total that has to be paid on the premium notice. The charges may apply each time when the premium payment is due, from the **original date of joining**, the anniversary of the **original date of joining** or the date of registration of a new **customer** on the policy. The **policyholder** must pay these charges to **us** when paying the premiums or when adding a new **customer** to the policy, unless otherwise required by law.

Art. 16

Information necessary to the Company

16.1: The **policyholder** and/or the dependant shall be under the obligation to notify the **Company** by email, letter or phone of any changes of name or address, change in residency, and changes in health insurance cover with another company, including a consolidated company. The **policyholder** is required to immediately notify the **Company** if any of the **customers** become a permanent resident of the U.S., as described under Article 17.7. The **Company** must also be notified in the event of death of the **policyholder** or a dependant. The **Company** shall not be liable for the consequences

if the **policyholder** and/or the dependant fails to notify the **Company** in such events.

16.2: The **policyholder** and/or the dependant shall also be under the obligation to provide the **Company** with all information reasonably required for the **Company's** handling of the **policyholder's** and/or the dependant's claims against the **Company**, including provision of original invoices upon request from the **Company**.

16.3: In addition, the **Company** shall be entitled to seek information about the **customer's** state of health and to contact any hospital, physician, etc. who is treating or has been treating the **customer** for physical or mental illnesses or disorders. Furthermore, the **Company** shall be entitled to obtain any medical records or other written reports and statements concerning the **customer's** state of health.

16.4: The **Company** fully complies with applicable data protection legislation (see also art. 21.1). Generally, **we** therefore cannot disclose any personal or sensitive information (eg. medical information) nor discuss cases with anyone not authorised by the **customer** in question. It is therefore recommended that the **customer** authorises any person he or she wants to share information with. A third party authorisation form will be provided by the **Company** on request.

Art. 17

Assignment, cancellation, termination and expiry

17.1: Without the prior written consent of the **Company**, no party shall be entitled to create a charge on or assign the rights under the **insurance**.

17.2: The **insurance** is automatically renewed on each **policy anniversary**.

17.2.1: The **insurance** may be terminated by the **policyholder** with effect from the end of a calendar month with one month's prior notice by email, letter or phone. The **insurance** shall be effective for 12 months as a minimum.

17.2.2: The **policyholder** can cancel the **insurance**, and that of any additional dependants covered under the **insurance**, within 28 days of receiving the first policy **documents**. Should the **policyholder** wish to cancel the **insurance** upon receipt of the first policy **documents**, the **policyholder** needs to do that in writing (by letter, fax or email) or by phone. The address and contact information can be found on the back page of this **membership** guide. If the **policyholder** or any additional dependants have not made any claims, the **Company** will refund any premium payment already paid.

17.3: Where upon taking out the **insurance** or subsequently, the **policyholder** and/or the dependant has fraudulently changed original **documents** or disclosed incorrect information or withheld facts which may be regarded as being of importance to the **Company**, the **insurance** contract shall be void and shall not be binding on the **Company**.

17.4: Where upon taking out the **insurance** or subsequently, the **policyholder** and/or the dependant has disclosed incorrect information, the **insurance** contract shall be void, and the **Company** shall not be liable if the **Company** would not have accepted the **insurance** if the correct information had been disclosed. If the **Company** would have accepted the **insurance** but on other terms, the **Company** shall be liable to the extent to which the **Company** would have undertaken the obligations in accordance with the agreed premium.

17.4.1: In the event that the **insurance** contract is considered void, according to Art. 17.3 or Art 17.4, the **Company** shall be entitled to a service charge which is set as a specified percentage of the premium paid.

17.5: Where upon taking out the **insurance**, the **policyholder** and/or the dependant neither knew nor should have known that the information disclosed by him/her was incorrect, the **Company** shall be liable as if such incorrect information had not been disclosed.

17.6: The **Company** can stop or suspend an **insurance** product at three months' notice prior to the **policy anniversary**, and offer the **customer** an equivalent **insurance** cover.

17.7: The **policyholder** is required to immediately notify the **Company** by email, letter or phone if any of the **customers** become a permanent resident of the U.S., failing which the **Company** may terminate the **insurance** with immediate effect or (where permitted to continue the **insurance** until such date) with effect from the **policy anniversary**. The **Company** may terminate the **insurance** with immediate effect or (where permitted to continue the **insurance** until such date) with effect from the **policy anniversary**, if the law of the country in which the **customer** is located, or the **customer's country of residence** or nationality, or any other law which applies to the **Company** or this **insurance**, prohibits the provision of healthcare cover by the **Company** to local nationals, residents or citizens.

Without limitation to the foregoing, the **insurance** shall not be renewed at the next **policy anniversary** if the **policyholder** becomes a permanent resident of the U.S., and, if a **customer** who is not the **policyholder** becomes a resident of the U.S., their cover under the **insurance** shall not be renewed at the next **policy anniversary**. 'Permanent resident' shall mean a person residing in the U.S. who is a citizen of or who is permitted under applicable laws to live and work, on a permanent basis, in the U.S., and 'U.S.' shall include the Commonwealth of Puerto Rico for this purpose.

This Art. 17.7 only applies to **insurances** with an **original date of joining** after 31 December 2015.

17.8: Sanction clause

The **Company** will not provide cover nor pay claims under this **insurance** policy if the **Company's** obligations (or the obligations of the **Company's** group companies and administrators) under the laws of any relevant jurisdiction, including UK, European Union, the United States of America, or international law, prevent the **Company** from doing so. The **Company** will normally tell the **policyholder** if this is the case unless this would be unlawful or would compromise the **Company's** reasonable security measures. This **insurance**

policy does not provide cover to the extent that such cover would expose the **Company** (or the **Company's** group companies and administrators) to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, UK or United States of America, or under other relevant international law. This Art. 17.8 only applies to **insurances** with an **original date of joining** on or after 1 January 2016.

17.9: The **Company's** liability in connection with the **insurance**, including liability for payment for medical expenses for ongoing **treatment**, after-effects or consequential damages in connection with an injury or illness incurred or treated during the **insurance** period, shall automatically cease upon expiry, cancellation or termination of the **insurance**.

Accordingly, upon expiry, cancellation or termination of the **insurance**, a **customer's** right to claim payment shall cease. Claims for payment of medical expenses incurred during the **insurance** period must be filed within six months of the date of expiry, cancellation or termination of the **insurance** in order to be eligible for payment.
